Ratings	What the ratings mean
Excellent	These are services which are committed to ongoing improvement with many strengths, including significant examples of sector leading practice and innovation. These services deliver high quality care and support and are able to demonstrate that they make a strong contribution to improving children's well-being
Good	These are services with strengths and no important areas requiring significant improvement. They consistently exceed basic requirements, delivering positive outcomes for children and actively promote their well-being.
Adequate	These are services where strengths outweigh areas for improvement. They are safe and meet basic requirements but improvements are required to promote well-being and improve outcomes for children.
Poor	These are services where important areas for improvement outweigh strengths and there are significant examples of non-compliance that impact negatively on children's well-being. Where services are poor we will take enforcement action and issue a non-compliance notice
