Introduction

1. On 4 November 2011 we consulted on a proposed *Strategic Monitoring Framework for the Planning System – Measuring progress towards a sustainable Wales*. The consultation was open for 12 weeks and ended on 27 January 2012.
2. Details of the consultation can be found here
<http://wales.gov.uk/consultations/planning/planforsusconsultation>

Responses

3. A total of 33 responses were received. Respondents were asked to complete a separate response form; however some responses were received within an email. Each response was assigned a specific reference number. A consultation summary report has been published separately and can be found at the link above.

Data protection

4. For data protection purposes the name and address details for those respondents who did not wish to be identified have been removed from the index below and from the published consultation responses.
