### **Homelessness (Suitability of Accommodation) (Wales) Order 2015**

#### **EXPLANATORY NOTE**

*(This note is not part of the Order)*

When discharging a housing function to secure that accommodation is available for an applicant who is homeless, or threatened with homelessness, under Part 2 (homelessness) of the Housing (Wales) Act 2014 (“the 2014 Act”), a local housing authority (“authority”) must ensure that the accommodation is suitable. Section 59 specifies matters to be taken into account when determining suitability for the purposes of Part 2 of the 2014 Act.

By section 59(3)(a) of the 2014 Act, the Welsh Ministers have the power to specify circumstances in which accommodation is, or is not, to be regarded as suitable. By section 59(3)(b), they may specify additional matters which an authority must take into account, or disregard, in determining whether accommodation is suitable.

The title of this Order is the Homelessness (Suitability of Accommodation) Order 2015 and it is divided into three parts. Part 1 specifies additional matters which authorities must take into account. Part 2 specifies when B&B and shared accommodation are not suitable to be used for temporary accommodation. Part 3 specifies when Private Rented Sector accommodation is not considered suitable for discharging the duties under section 75 of Part 2 of the 2014 Act. This Order comes into force on ?? April 2015.

This Order applies to households which the authority has reason to believe, or is satisfied, may contain or

## Consultation draft

consist of a person in priority need as defined by section 70 of the 2014 Act. It therefore does not apply where a local housing authority is exercising discretionary powers to assist homeless people.

**Part 1** of this Order relies on the powers in section 59(3)(b) of Part 2 of the 2014 Act. It applies to households containing persons who are, or may be in priority need. Article 3 specifies additional matters to be taken into account in determining whether accommodation is suitable for a person. These additional matters relate to the health needs of the person, any disability of the person, and the proximity of social services, medical facilities and other essential support. Possible disruption to employment, education or caring responsibilities must also be considered.

**Part 2** of this Order applies to interim accommodation made available, under the duties in section 68 of the 2014 Act, to those who are, or may be in priority need. It also applies to temporary accommodation provided under the duties in section 75 of the 2014 Act, to those in priority need.

Parts 2 and 3 of the Order are made in reliance on the powers in section 59(3)(a) of Part 2 of the 2014 Act.

Article 4 of this Order specifies that Bed and Breakfast (“B&B”) accommodation must be of at least the Basic Standard to be regarded as suitable for the purposes of providing temporary accommodation for households who are or may be in priority need under Part 2 of the 2014 Act. The Basic Standard requires that the B&B accommodation must meet all statutory requirements. Some examples are fire and gas safety, planning permission and HMO licencing (where required). The premises must also be managed by a fit and proper person.

Article 4 is subject to the exceptions in Article 7. The first of these provides that accommodation need not meet this standard in the event of a disaster, where there is no reasonable alternative. The second exception provides Article 4 does not apply if the applicant chooses to be accommodated in unsuitable accommodation.

Part 2 then specifies additional circumstances in which accommodation must not be regarded as suitable. It does this by specifying higher minimum standards for B&B and shared accommodation which is used for longer periods of temporary accommodation for households who are, or may be in priority need of accommodation.

Article 5 specifies that, where accommodation is provided under a duty under Part 2 of the 2014 Act to a household containing a person who is, or may be in priority need, B&B accommodation is not to be

## Consultation draft

regarded as suitable, unless any of the exceptions contained in Articles 7 and 8 apply.

Article 6 makes similar provision in respect of shared accommodation, which must be of the higher standard, unless any of the exceptions in articles 7 and 8 apply.

Article 7 provides exceptions relating to use of accommodation after an emergency, and the choice of the homeless household. Article 8 provides conditional exceptions relating to the length of time spent in B&B accommodation, the choice of the applicant and the standard of the B&B accommodation. It also provides an exception for some refugees from domestic abuse.

B&B accommodation is defined as commercially provided accommodation which, whether or not breakfast is provided, is not self contained or which involves sharing certain amenities with another household.

In calculating the total period of time during which a household containing a person in priority need has been housed in B&B accommodation, an authority is to disregard any period spent in such accommodation where such an applicant was being housed by another local housing authority prior to the conditions for a referral being met in accordance with sections 80 to 83 of the 2014 Act. Those sections provide that, where an authority is of the opinion that the conditions for a referral are met and that an applicant has a local connection with the district of another local authority, it may refer the applicant to that authority and, if the conditions for referral are met, the second authority is subject to the duty under section 73 of the 2014 Act in respect of the applicant.

**Part 3** of the Order relates to private rented sector accommodation offered in discharge of an authority's duties to homeless applicants in priority need of accommodation as provided by section 76(3) and (4) of the 2014 Act. Article 9 specifies circumstances in which such accommodation is not to be regarded as suitable.

Article 10 makes provision for revocation of the previous suitability Orders made under Part 7 of the Housing Act 1996. Paragraph (2) makes a transitional and saving provision for those applicants who have applied before this Order has commenced.
