

## Consultation on the draft Welsh Language Standards Regulations

The Welsh Government is organising two consultation events in order to collect people's opinion on the draft Regulations to specify Welsh language standards for organisations in the health sector. We are eager to hear from anyone with an interest in the standards and in the use of Welsh in the health sector.

The events are held on

26 September – Y Galeri, Caernarfon – 10:15am – 12:45pm

28 September – Liberty Stadium, Swansea - 1:15pm – 3:34pm

During the meeting there will be presentations on the draft standards, the use of Welsh in the health sector and an opportunity to discuss the draft standards and give your opinion.

For more information about the consultation and the draft standards please visit <http://gov.wales/consultations/welshlanguage/welsh-language-standards-improving-services-for-welsh-speakers/?lang=en>
