These Regulations amend the Adoption Agencies (Wales) Regulations 2005 (“the Principal Regulations”), which make provision relating to the exercise by adoption agencies (local authorities and registered adoption societies) of their functions in relation to adoption under the Adoption and Children Act 2002.

Further amendments are made to the Principal Regulations by the Adoption Agencies (Wales) (Amendment) Regulations 2019 (2019/xxx). Those regulations, in the main, substitute a new Part 4 in the Principal Regulations to provide for a two stage approval process for prospective adopters. Those regulations were subject to the negative procedure by the National Assembly for Wales.

The amendments made by these Regulations place a requirement on adoption agencies, when assessing the suitability of a couple to adopt a child, to have proper regard to the need for stability and permanence in their relationship. The amendments made by these Regulations should be read in conjunction with the amendments made by the Adoption Agencies (Wales) (Amendment) Regulations 2019.

An impact assessment has not been produced for this instrument as it has a minimal impact on businesses, civil society organisations and on the public sector.
Draft Regulations laid before the National Assembly for Wales under section 140(3) of the Adoption and Children Act 2002, for approval by resolution of the National Assembly for Wales.
