

Dydd Miwsig Cymru 2020

Toolkit for Primary schools

What is Dydd Miwsig Cymru? 🤔

Dydd Miwsig Cymru – Welsh Language Music Day (Friday 7th February 2020) – celebrates all genres of Welsh language music and aims to encourage people who don't speak the language to listen to songs from the vibrant Welsh language music scene. We'll be celebrating the fifth annual Welsh Language Music Day with gigs all over the country.

Last year we saw more than 300 schools across Wales celebrate Dydd Miwsig Cymru. This year we want even more people to get involved, in particular Welsh language learners who can use miwsig to help their learning.

It really is easy to take part.

What can my primary school do? 🇬🇧

There are plenty of ways for schools to get involved on Friday 7th February to celebrate the fifth #DyddMiwsigCymru.

- **Listen** to one of our specially curated [Seren a Sbarc playlists](#) in class
- **Dance** along to your favourite Welsh language songs during P.E.
- **Sing** along to Welsh music in assembly
- **Learn** the words to Seren a Sbarc's special [Dydd Miwsig Cymru song](#) and send us in a clip of your school singing along to **WIN** the chance to record the song at Sain Records, a top recording studio in Gwynedd!
- **Celebrate** with a Dydd Miwsig Cymru disco for pupils, parents and staff at lunchtime
- **Share** photos of your celebrations on social media using the hashtag #DyddMiwsigCymru @SerenaSbarc

We also have some fun activities that you can print out to help you celebrate the day! These include:

- A wordsearch full of wonderful words relating to music
- Connect-the-dots sheets... who will be revealed at the end?
- A Seren a Sbarc colouring in sheet to do while you listen to their playlist!

You can find these activities at the bottom of the toolkit.
