National Survey for Wales user list: privacy notice

Members of the list have a right to know how we process, use and store their information.

First published: 17 May 2018

Last updated: 17 May 2018

Some users of the National Survey join our user list in order to receive regular updates about the survey. Members of the list have a right to know how we process, use and store their information.

Our approach

The National Survey user list is held so that we can send out email updates on developments with the survey, such as the publication of reports about the results. Occasionally, we also ask survey users if they would like to provide feedback relating to the survey or our publications.

We hold details such as name, email address, organisation and role of members of the survey user list. We do not share this information with other organisations.
