Introduction and background:

NHS bodies in Wales must agree Standing Orders (SOs). This, together with a set of Standing Financial Instructions (SFIs) and a scheme of decisions reserved to the board; a scheme of delegations to officers and others; and a range of other framework documents set out the arrangements within which the board, its committees, advisory groups and NHS staff make decisions and carry out their activities. The standing orders should be based upon the model determined by the Welsh Government.

The Welsh Government has made interim amendments to the following model documents:

- 'Model standing orders, local health boards'
- 'Model standing orders for NHS trusts'

As you are aware the new NHS Wales Joint Commissioning Committee will be established from 1 April 2024 as a joint committee of the seven health boards. This is in accordance with the NHS Wales Joint Commissioning Committee (Wales) Directions 2024.

In preparation for the establishment of the new joint committee model standing orders and a scheme of reservation and delegation of powers have been developed. It has also been necessary to make some amendments to the local health board model standing and reservation and delegation of powers. These amendments also remove all references to the Welsh Health Services Commissioning Committee (WHSSC) and the Emergency Ambulance Services Committee (EASC) which will cease to exist on 31 March 2024.

The amendments to the local health board documents and the issuing of model documents for the NHS Wales Joint Commissioning Committee are in accordance with my powers of direction contained within Section 12(3) of the National Health Services (Wales) Act 2006.

These amendments supersede those issued on 27 July 2023 and as confirmed in Welsh Health Circular WHC2023/032. A new WHC will be published to confirm this.

Your board is required to incorporate and adopt this latest review into your organisations' standing orders and reservation and delegation of powers. The NHS Wales joint commissioning standing orders form part of schedule 4 of the local health board model standing orders.

Model standing financial instructions for the NHS Wales Joint Commissioning Committee are under development these will be issued in due course.

Yours sincerely,

As you are aware the new NHS Wales Joint Commissioning Committee will be established from 1 April 2024 as a Joint Committee of the seven Health Boards. This is in accordance with the NHS Wales Joint Commissioning Committee (Wales) Directions 2024.

In preparation for the establishment of the new Joint Committee Model Standing Orders and a Scheme of Reservation and Delegation of Powers have been developed for incorporation into the Local Health Board Model Standing Orders. Section 10: gaining assurance on the conduct of trust business

Remove paragraph 10.0.4

10.0.4 Whilst the trust is not a member of WHSSC or EASC the chief executive does attend the committees as an associate member. Assurances in respect of the functions discharged by WHSSC and EASC shall be achieved by the reports of the respective joint committee chair, and reported back by the chief executive.

As a result of the Welsh Ambulance Services NHS Trust obtaining university status the model SOs, reservation and delegation of powers will need to be amended to remove all references to the Welsh Ambulance Services NHS Trust and replaced with the Welsh Ambulance Services University NHS Trust.

As a result of the body obtaining university status, WAST have been advised that one non-executive board position should be occupied by an 'academic board member'. Therefore paragraph 1.1.7 needs to include reference to this requirement.

1.1.7 [For WAST – A total of 6 (excluding the chair and vice-chair) appointed by the Minister for Health and Social Services, which will include:
