Business cases need to be submitted at least 2 weeks before the date of the Business Case Scrutiny Group's (BCSG) meeting. This will ensure that Group members have enough time to assess individual cases. If supported, business cases will then move forward to the Education Investment Panel.

The following meeting dates for 2024 to 2025 will help you plan your business case submission. Please note, we propose the same process for 2026 and beyond.
