BETWEEN:

(1) [♦] (the “Authority”); and

(2) [♦] (registered under number [♦]) whose registered office is [♦] (“Project Co”).

RECITALS:

(A) The Authority wishes to procure the design, build, finance and maintenance of [♦] (the “Project”);

(B) The Authority conducted a competitive dialogue procurement competition to identify the most economically advantageous tender from persons interested in being appointed the Authority’s private sector partner to procure the Project;

(C) The tender submitted by Project Co has been selected as the most economically advantageous tender;

(D) This Agreement is entered into pursuant to a project applying principles similar to the principles of the private finance initiative and is excluded from the Housing Grants, Construction and Regeneration Act 1996 by virtue of the Construction Contracts (England and Wales) Exclusion Order 1998 (SI 1998/646); and

(E) The Project has been approved by the Cabinet Secretary for Finance and Local Government and the Cabinet Secretary for [♦], on behalf of the Welsh Ministers.

NOW IT IS HEREBY AGREED as follows:

PART 1: GENERAL

1 DEFINITIONS AND INTERPRETATION

This Agreement shall be interpreted according to the provisions of Schedule 1 (Definitions and Interpretation).

2 EXECUTION AND DELIVERY OF DOCUMENTS

On or prior to execution of this Agreement:

2.1 Project Co shall deliver to the Authority the documents referred to in Section 1 (Documents to be delivered by Project Co) of Schedule 2 (Completion Documents) (unless the requirement to deliver any such document is waived by the Authority by written notice to Project Co); and

1 Insert description of project.
2 Insert the title of the relevant portfolio minister as well as the minister with overall responsibility for financial matters. The title may be subject to change from time to time. Note this approval will be needed even if the party entering into the Project Agreement is external to the Welsh Ministers.
2.2 the Authority shall deliver to Project Co the documents referred to in Section 2 (Documents to be delivered by the Authority) of Schedule 2 (Completion Documents) (unless the requirement to deliver any such document is waived by Project Co by written notice to the Authority).

3 COMMENCEMENT AND DURATION

This Agreement, and the rights and obligations of the parties, shall commence on the date of execution of this Agreement and, without prejudice to Clause 47.6 (Continuing Obligations), shall terminate automatically on the expiry of the Project Term.

4 PROJECT DOCUMENTS

Ancillary Documents

4.1 Project Co shall perform its obligations under, and observe all of the provisions of, the Project Documents to which it is a party and shall not:

4.1.1 terminate or agree to the termination of all or part of any Ancillary Document;

4.1.2 make or agree to any material variation to, or extension or renewal of any Ancillary Document;

4.1.3 in any material respect depart from its obligations (or waive or allow to lapse any rights it may have in a material respect), or procure that others in any material respect depart from their obligations (or waive or allow to lapse any rights they may have in a material respect), under any Ancillary Document; or

4.1.4 enter into (or permit the entry into by any other person of) any agreement replacing all or part of (or otherwise materially and adversely affecting the interpretation of) any Ancillary Document,

unless the proposed course of action (and any relevant documentation) has been submitted to the Authority's Representative for review under Schedule 8 (Review Procedure) and either:

(a) there has been no objection in accordance with paragraph 3 of Schedule 8 (Review Procedure) within twenty (20) Business Days of receipt by the Authority's Representative of the submission of the proposed course of action (and any relevant documentation), or such shorter period as may be agreed by the parties; or

(b) Project Co is acting in accordance with the comments of the Authority as provided in paragraph 4.2 of Schedule 8 (Review Procedure);
and, in the circumstances specified in Clause 4.1.1, Project Co has complied with Clause 58 (Sub-contracting and Assignment).

Changes to Funding Agreements and Refinancing

4.2 Subject to Clauses 4.3 and 4.4 (Changes to Funding Agreements and Refinancing), Project Co shall be free, at any time, to enter into, terminate, amend, waive its rights and generally deal with its Funding Agreements on such terms and conditions as it sees fit without the prior written consent of the Authority provided that (at the time such action is contemplated and effected) the same will not materially and adversely affect the ability of Project Co to perform its obligations under the Project Documents or this Agreement.

4.3 No amendment, waiver or exercise of a right under any Funding Agreement or Ancillary Document shall have the effect of increasing the Authority's liabilities on early termination of this Agreement unless:

4.3.1 Project Co has obtained the prior written consent of the Authority to such increased liability for the purposes of this Clause 4.3 (Changes to Funding Agreements and Refinancing); or

4.3.2 it is a Permitted Borrowing.

4.4 Any amendment or variation of any Funding Agreements which constitutes a Refinancing shall be carried out in accordance with the provisions of Schedule 23 (Refinancing).

4.5 Without prejudice to Clause 4.2 (Changes to Funding Agreements and Refinancing), Project Co shall liaise with the Authority, and shall use all reasonable endeavours to provide the Authority with a copy of the relevant agreement in settled draft form, not less than ten (10) Business Days before it enters into any Funding Agreement (other than the Initial Funding Agreements).

Delivery

4.6 Without prejudice to the provisions of this Clause 4 (Project Documents), if at any time an amendment is made to any Project Document, or Project Co enters into a new Project Document (or any agreement which affects the interpretation or application of any Project Document), Project Co shall deliver to the Authority a conformed copy of each such amendment or agreement within ten (10) Business Days of the date of its execution or creation, certified as a true copy by an officer of Project Co.

Funding Default

4.7 Project Co shall promptly upon the occurrence of a Funding Default notify the Authority of such Funding Default.
4.8 The Authority may, in circumstances referred to in Clause 4.7 (Funding Default) above (regardless of whether the Senior Funders have exercised any enforcement or similar rights under the Senior Funding Agreements), require Project Co to provide an Interim Project Report and to attend, and use all reasonable endeavours to ensure that the Senior Funders attend, such meetings as the Authority may convene to discuss such Interim Project Report and the circumstances giving rise to it.

4.9 Project Co shall promptly upon a failure by the Senior Funders to advance amounts due under the Senior Funding Agreements (or in circumstances that might reasonably be expected to lead to such a failure) notify the Authority of such failure (or expected failure).

4.10 The Authority may, in the circumstances referred to in Clause 4.9 (Funding Default) above, require Project Co to attend, and use all reasonable endeavours to ensure that the Senior Funders attend, such meetings as the Authority may convene to discuss the circumstances.

5 THE PROJECT OPERATIONS

Scope

5.1 Subject to and in accordance with the provisions of this Agreement, Project Co shall perform its duties under this Agreement at its own cost and risk without recourse to the Authority except as otherwise expressly provided in this Agreement.

5.2.2 in a manner that is not likely to be injurious to health or to cause damage to property;

5.2.3 in a manner consistent with the Authority discharging its statutory duties and other functions undertaken by it as the same may be notified to Project Co from time to time; and

Authority’s Undertaking

5.3 The Authority undertakes to Project Co that it shall:

5.3.1 subject to the provisions of this Agreement, comply with all Laws and Consents applicable to it which relate to the Project Operations;

5.3.2 not wilfully impede Project Co in the performance of its obligations under this Agreement (having regard always to the interactive nature of the activities of the Authority and of Project Co and to the Authority’s use of the Facilities to provide the relevant Authority Services and any other operations or activities carried out by the Authority on or at the Site for the purposes contemplated by this Agreement and any other of the Authority’s statutory functions);

5.3.3 inform Project Co as soon as reasonably practicable if at any time it becomes unable to meet any of its financial obligations and in such case inform, and keep Project Co informed, of any course of action to remedy the situation recommended or required by the Welsh Government, the Authority or other competent authority; and

provided that, to avoid doubt, nothing in this Clause 5.3 (Authority’s Undertaking) shall in any way fetter the discretion of the Authority in fulfilling its statutory functions.

Co-operation

5.4 Each party agrees to cooperate, at its own expense, with the other party in the fulfilment of the purposes and intent of this Agreement. To avoid doubt, neither party shall be under any obligation to perform any of the other’s obligations under this Agreement.

No liability

7.1 [Subject to Clause 53 (Warranties),] the Authority shall not be liable to Project Co for and Project Co shall not seek to recover from the Authority (or from any Authority Party) any damages, losses, costs, liabilities or expenses which may arise (whether in contract, tort or otherwise) from the adoption, use or application of the Disclosed Data by, or on behalf of, Project Co, the Independent Tester or any Project Co Party.

No warranty

7.2 [Subject to Clause 53 (Warranties),] the Authority gives no warranty or undertaking of whatever nature in respect of the Disclosed Data and, specifically (but without limitation), the Authority does not warrant that the Disclosed Data represents all of the information in its possession or power (either during the conduct of the tender process for the Project or at the time of execution of this Agreement) relevant or material to or in connection with the Project or the obligations of Project Co under this Agreement or under any of the Project Documents. In addition, without prejudice to the application of [Clause 53 (Warranties),] Clause 30.10.1

6 Refer to Health and Education Sector Specific Guidance in the User Guide, if applicable.
(Compensation), Clause 30.3.2 (Delay Events) and/or Clause 52.2.1 (Excusing Causes) to the extent that such provisions may apply in respect of any breach on the part of the Authority of Clauses 9.1 (Access During Construction) or 9.2 (Access Following Construction), the Authority shall not be liable to Project Co in respect of any failure to disclose or make available to Project Co (whether before, on or after the execution of this Agreement) any information, documents or data, nor any failure to review or to update the Disclosed Data, nor any failure to inform Project Co (whether before, on or after execution of this Agreement) of any inaccuracy, error, omission, defects or inadequacy in the Disclosed Data.

7.3.2 it shall not be entitled to and shall not (and shall procure that no Project Co Party shall) make any claim against the Authority or any Authority Party whether in contract, tort or otherwise including, without limitation, any claim in damages, for extensions of time or for additional payments under this Agreement on the grounds:

(a) of any misunderstanding or misapprehension in respect of the Disclosed Data; or

(b) that incorrect or insufficient information relating to the Disclosed Data was given to it by any person, whether or not an Authority Party,

nor shall Project Co be relieved from any obligation imposed on, or undertaken by it, under this Agreement on any such ground.

8 REPRESENTATIVES

Representatives of the Authority

8.1 The Authority's Representative shall be [♦] or such other person appointed pursuant to this Clause. The Authority's Representative shall exercise the functions and powers of the Authority in relation to the Project Operations which are identified in this Agreement as functions or powers to be carried out by the Authority's Representative. The Authority's Representative shall also exercise such other functions and powers of the Authority under this Agreement as may be notified to Project Co from time to time.

7 Refer to Education Sector Specific Guidance in the User Guide, if applicable.
8.2 The Authority's Representative shall be entitled at any time, by notice to Project Co, to authorise any other person to exercise the functions and powers of the Authority delegated to him pursuant to this Clause, either generally or specifically. Any act of any such person shall, for the purposes of this Agreement, constitute an act of the Authority's Representative and all references to the "Authority's Representative" in this Agreement (apart from this Clause) shall be taken as references to such person so far as they concern matters within the scope of such person's authority.

8.3 The Authority may by notice to Project Co change the Authority's Representative. The Authority shall (as far as practicable) consult with Project Co prior to the appointment of any replacement for the Authority's Representative, taking account of the need for liaison and continuity in respect of the Project. Such change shall have effect on the date specified in the written notice (which date shall, other than in the case of emergency, be such date as will not cause material inconvenience to Project Co in the execution of its obligations under this Agreement).

8.4 During any period when no Authority's Representative has been appointed (or when the Authority's Representative is unable through illness, incapacity or any other reason whatsoever to carry out or exercise his functions under this Agreement) the Authority shall carry out the functions which would otherwise be performed by the Authority's Representative.

8.5 No act or omission of the Authority, the Authority's Representative or any officer, employee or other person engaged by the Authority shall, except as otherwise expressly provided in this Agreement:

8.5.1 in any way relieve or absolve Project Co from, modify, or act as a waiver or personal bar of, any liability, responsibility, obligation or duty under this Agreement; or

8.5.2 in the absence of an express order or authorisation under Schedule 16 (Change Protocol), constitute or authorise a Change.

8.6 Except as previously notified in writing before such act by the Authority to Project Co, Project Co and Project Co's Representative shall be entitled to treat any act of the Authority's Representative which is authorised by this Agreement as being expressly authorised by the Authority and Project Co and Project Co's Representative shall not be required to determine whether an express authority has in fact been given.

Representative of Project Co

8.7 Project Co's Representative shall be [*] or such other person appointed pursuant to Clause 8.8 (Representative of Project Co). Project Co's Representative shall have full authority to act on behalf of Project Co for all purposes of this Agreement. Except as previously notified in writing before such act by Project Co to the Authority, the Authority and the Authority's Representative shall be entitled to treat any act of Project Co's Representative in connection with this Agreement as being expressly authorised by Project Co and the Authority and the Authority's
Representative shall not be required to determine whether any express authority has in fact been given.

8.8 Project Co may by reasonable notice to the Authority change Project Co’s Representative. Where Project Co wishes to do so it shall by written notice to the Authority propose a substitute for approval, taking account of the need for liaison and continuity in respect of the Project. Such appointment shall be subject to the approval of the Authority (not to be unreasonably withheld or delayed).

8.9 Project Co’s Key Personnel are identified in Schedule 3 (*Key Personnel*). Project Co shall, as far as it is within Project Co’s control, ensure that such persons retain their involvement in the Works and, in particular, will not, for the duration of the Works, require or request any of them to be involved in any other project on behalf of Project Co or any of the Shareholders or its or their Associated Companies if, in the reasonable opinion of the Authority, this would adversely affect the Project. In the event that due to matters outwith Project Co’s control it is necessary for there to be a change in any Key Personnel, Project Co shall by written notice to the Authority propose a substitute for approval, taking account of the need for liaison and continuity in respect of the Project. Such appointment shall be subject to the approval of the Authority (not to be unreasonably withheld or delayed).

**Authority Observer**

8.10 The parties acknowledge that the Authority shall be entitled to nominate (and remove) by notice in writing to [♦] (and that [♦] shall be entitled to appoint (and remove) by notice in writing to Hold Co), an Authority Observer to the board meetings of Project Co and Hold Co and Project Co shall procure that appropriate provision is maintained within the Project Co and Hold Co Articles of Association to ensure that this entitlement shall survive termination of the Shareholders’ Agreement and/or [♦] ceasing to be a Shareholder, on the terms set out at Clauses 8.11 to 8.14 (*Authority Observer*) (which for the avoidance of doubt, Project Co shall procure apply to Hold Co with all necessary changes as if references to Project Co were references to Hold Co).

8.11 Project Co shall, subject to Clauses 8.12 to 8.14.3 (*Authority Observer*), ensure that any Authority Observer appointed pursuant to this Clause 8 (*Representatives*) and the Articles of Association:

8.11.1 is invited to attend all Project Co board meetings;

If the parties are unable to agree the Final Commissioning Programme [for the relevant Phase] or the change in scope or time of the Authority's Commissioning by [♦], the matter shall be referred for determination in accordance with Schedule 20 (Dispute Resolution Procedure).

17.2 The Final Commissioning Programme [for each Phase] shall be in accordance with the Outline Commissioning Programme and shall impose no greater or more onerous obligations on the Authority than those set out in the Outline Commissioning Programme (unless otherwise agreed by the Authority in its absolute discretion). The Final Commissioning Programme shall then replace the Outline Commissioning Programme [as it relates to that Phase].

17.3 The Final Commissioning Programme shall describe the steps necessary, the party responsible for taking each of such steps and the timing and sequence of each of such steps to ensure [insofar as relevant for the Phase]:

17.3.1 that Project Co’s Pre-Completion Commissioning and the Authority’s Commissioning will not delay the Actual Completion Date [Phase Actual Completion Date] from occurring by the Completion Date [Phase Completion Date]; and

17.3.2 that Project Co’s Post Completion Commissioning and the Authority’s Post Completion Commissioning are completed by the Commissioning End Date.
17.4 The parties shall procure that the steps that they are responsible for carrying out and completing pursuant to the Final Commissioning Programme [for the relevant Phase] include, [in the case of Project Co's activities, the activities described at paragraph [♦] of the Authority's Construction Requirements].

17.5 Project Co shall notify the Independent Tester and the Authority's Representative of the date when Project Co (acting reasonably) considers that [a Phase of] the Works will be complete in accordance with the Completion Criteria not less than [♦] months prior to such anticipated completion. Such notification shall trigger the completion activities of the Independent Tester under this Clause.

17.6 The parties each undertake to co-operate with the Independent Tester to ensure that the Independent Tester is familiar with all necessary aspects of the Project for the purposes of its role as described in this Clause.

**Commissioning prior to Completion Date**

17.7 Project Co shall [insofar as relevant for each Phase]:

17.7.1 undertake Project Co's Pre-Completion Commissioning in accordance with the [relevant] Final Commissioning Programme; and

17.7.2 permit the Authority to undertake the Authority's Commissioning [including permitting specialist contractors engaged by the Authority to deliver and install equipment] on such dates as agreed between the Authority and Project Co, in accordance with the Final Commissioning Programme,

and the Authority shall undertake the Authority's Commissioning in accordance with the [relevant] Final Commissioning Programme and so as not to cause material damage to the Works.

17.8 Project Co shall give written notice to the Independent Tester and the Authority of the commencement of Project Co's Pre-Completion Commissioning [in relation to a Phase] and shall ensure that the Independent Tester and the Authority's Representative are invited to witness all of, and are provided with all information they may reasonably require in relation to, Project Co's Pre-Completion Commissioning [of the relevant Phase] and that the Independent Tester is invited to comment on Project Co's Pre-Completion Commissioning [of the relevant Phase].

17.9 Project Co shall (or shall procure that the Contractor shall), give the Authority access to the Facilities at such times as may be set out in the [relevant] Final Commissioning Programme to enable the Authority to undertake the Authority's Commissioning in accordance with the Final Commissioning Programme [for the relevant Phase] for the period prior to completion [of the relevant Phase]. When exercising such rights the Authority shall comply with all relevant safety procedures, which shall include any relevant construction phase plans and health and safety plans for the construction of the Facilities, the Contractor's Site Rules
from time to time and any reasonable directions with regard to site safety that may be issued by or on behalf of the Contractor's Site Manager from time to time.

Following receipt of the notice specified in this Clause 17.10 (Pre-Completion Inspection) the Authority's Representative and the Independent Tester shall be entitled to inspect the Works [relating to the relevant Phase] on the date or dates reasonably specified by Project Co in accordance with this Clause 17.10 (Pre-Completion Inspection), and to attend any of the tests on completion. Project Co shall, if so requested, accompany the Authority's Representative and the Independent Tester on any such inspection.

Pre-Completion matters

17.11 The parties shall procure that the Independent Tester, within [five (5)] Business Days of any inspection made pursuant to Clause 17.10 (Pre-Completion Inspection), notifies Project Co and the Authority of any outstanding matters (including, without limitation, the repetition of any of the tests on completion which are required to be carried out and passed in accordance with the Final Commissioning Programme [for the relevant Phase]) which are required to be attended to before the Works [relating to the relevant Phase] can be considered to be complete in accordance with the Completion Criteria. Project Co shall attend to such matters and shall, if necessary, give the Independent Tester further notices in accordance with Clause 17.10 (Pre-Completion Inspection) (but dealing only with matters raised in the notification under this Clause 17.11 (Pre-Completion Matters)) so that the procedures in Clause 17.10 (Pre-Completion Inspection) and this Clause 17.11 (Pre-Completion Matters) are repeated as often as may be necessary to ensure that all outstanding matters in relation to the Works [relating to the relevant Phase] are attended to.

17.12 Pursuant to the terms of the Independent Tester Contract and subject to Clauses 17.14 to 17.16 (Snagging Items), the parties shall procure that the Independent Tester, when he is satisfied that (i) the Facilities are [a Phase of the Facilities is] complete in accordance with the Completion Criteria, issues a Certificate of Practical Completion [in respect of that Phase] to that effect to the Authority and to Project Co; and (ii) the Snagging Items have been completed to his satisfaction in accordance with Clauses 17.14 to 17.16 (Snagging Items), issues a Snagging Items Completion Certificate to that effect to the Authority and Project Co.

17.13 Without prejudice to Clauses 17.14 and 17.17 (Snagging Items), the issue of the Certificate of Practical Completion [in respect of a Phase] shall, in the absence of manifest error, bad faith or fraud, be conclusive evidence (but only for the purpose of ascertaining the [relevant] Payment Commencement Date), that the Facilities
were [the Phase was] complete in accordance with the Completion Criteria on the date stated in the [relevant] Certificate of Practical Completion.

Snagging Items

17.14 The Independent Tester shall on the same day as the date of issue of the Certificate of Practical Completion [in relation to a Phase] issue to Project Co and the Authority a list of the relevant Snagging Items (the "Snagging List"). Within [five (5)] Business Days after the date of receipt from the Independent Tester of the Snagging List, Project Co will provide to the Authority and the Independent Tester a reasonable programme (the "Snagging Programme") for making good each Snagging Item set out in the Snagging List provided that the Snagging Programme will require that each Snagging Item will be made good within twenty (20) Business Days after the date of provision of the Snagging Programme or, where it is not reasonably practicable to make good within twenty (20) Business Days due to the lead times for supplies or materials, within such time as is reasonably practicable. The parties will seek to agree the Snagging Programme or in default of agreement will refer the matter for determination under Clause 57 (Dispute Resolution Procedure).

Upon satisfactory completion of the Snagging List, the Independent Tester will issue the Snagging Items Completion Certificate in accordance with the Independent Tester Contract and Schedule 22 (Certificates).

17.16 If any Snagging Item has not been rectified within twenty (20) Business Days after issue of the Snagging Programme (or such longer period as is agreed in the Snagging Programme pursuant to Clause 17.14 (Snagging Items)) then the Authority will be entitled to effect such repairs as may be necessary to rectify the Snagging Item(s) and recover the costs of effecting such repairs from Project Co as a debt.

17.17 The issue of the Certificate of Practical Completion [in respect of a Phase] shall in no way affect or diminish the obligations of Project Co under this Agreement including in respect of any Defects, or any liability for Deductions in accordance with Schedule 14 (Payment Mechanism).

Project Co shall attend to such matters at its own cost and shall give the Independent Tester further notice of the date on which Project Co considers that such matters have been attended to so that the procedures in Clause 17.19 (WiFi Completion) and this Clause 17.20 (WiFi Completion) are repeated as often as may be necessary to ensure that all such outstanding matters are attended to and that the WiFi Post-Completion Completion Criteria are satisfied.

17.21 Pursuant to the terms of the Independent Tester Contract, the parties shall procure that the Independent Tester shall, when he is satisfied that the WiFi Post-Completion Tests have been passed, issue a Certificate of WiFi Completion to that effect and the issue of the Certificate of WiFi Completion shall in the absence of manifest error, bad faith or fraud, be conclusive evidence that the WiFi Post-Completion Tests have been satisfied on the date stated in such certificate and that the Retained WiFi Amount shall be paid to Project Co on the WiFi Actual Completion Date [for the relevant Phase] in accordance with paragraph 1.1 of Section 2 (Calculation of Service Payments) of Schedule 14 (Payment Mechanism).

17.22 If the WiFi Actual Completion Date shall not have occurred on the date that falls [*] weeks after the [relevant Phase] Actual Completion Date the Authority, acting reasonably, may itself take or engage others to remedy any of the outstanding matters that remain to be carried out in accordance with Good Industry Practice provided that if the Authority either takes steps itself or engages with others to remedy any of the outstanding matters that remain to be carried out it will be entitled to recover the costs of effecting such works from Project Co as a debt.

17.23 The issue of the Certificate of WiFi Completion [in respect of a Phase] shall in no way affect or diminish the obligations of Project Co under this Agreement including in respect of any Defects, or any liability for Deductions in accordance with Schedule 14 (Payment Mechanism).

- 20.3.1 a Design Quality Plan;
- 20.3.2 a Construction Quality Plan; and
- 20.3.3 a Services Quality Plan for each Service,

provided that the Design Quality Plan and the Construction Quality Plan may be incorporated into one document.

20.4 Project Co shall procure that the Project Operations are carried out in compliance with the Quality Plans. All Quality Plans shall be submitted to the Authority's Representative in accordance with Schedule 8 (Review Procedure) and Project Co shall not be entitled to implement or procure the implementation of any Quality Plan unless Project Co is entitled to proceed with such implementation pursuant to Schedule 8 (Review Procedure).

To avoid doubt, this Clause shall not be construed as requiring subcontractors of the Contractor or the Service Provider to have their own quality plans but only to comply with the Design Quality Plan and the Construction Quality Plan or the relevant aspects of the Services Quality Plan (as the case may be).

20.7 Project Co shall from time to time submit to the Authority's Representative in accordance with Schedule 8 (Review Procedure) any changes to any of the Quality Plans required for such Quality Plan to continue to comply with the requirements set out in Clause 20.2 (Quality Plans and Systems). If the Authority's Representative does not raise comments on such proposed revision in accordance with Schedule 8 (Review Procedure), the Schedule of Programmed Maintenance as revised shall become the Schedule of Programmed Maintenance in respect of that quarter.

23.5 Where the Authority's Representative raises comments in respect of any Programmed Maintenance periods and/or hours of work shown in a Schedule of Programmed Maintenance in accordance with paragraph 3 of Schedule 8 (Review Procedure), he shall indicate whether, and if so when, the Programmed Maintenance can be re-scheduled and Project Co shall amend the relevant Schedule of Programmed Maintenance accordingly.

Programmed and Unprogrammed Maintenance

23.6 Project Co shall not carry out any Programmed Maintenance or Unprogrammed Maintenance Work or Lifecycle Replacement save:

23.6.1 in accordance with a Schedule of Programmed Maintenance to which no objection has been made under Schedule 8 (Review Procedure) or, where comment has been raised in respect of the Programmed Maintenance or Lifecycle Replacement periods and/or time, the Schedule of Programmed Maintenance has been amended pursuant to the Service Level Specification;

23.12 The Authority shall have a right to inspect the Facilities, the Maintenance Works and the Lifecycle Replacement to ensure that the Facilities are being maintained in accordance with the Service Level Specification and that the Facilities comply with the Authority's Construction Requirements and Project Co's Proposals throughout the Project Term. The Authority may appoint an independent third party for the purposes of carrying out any such inspection and shall make known the findings to Project Co and the Funders. The parties shall then meet to discuss any implications of such findings and any steps that are necessary to remedy any failure to comply with such obligations. Project Co shall (subject to Clause 34 (Change Protocol) take into account such discussions in the next Schedule of Programmed Maintenance so that any failure to comply with such obligations shall be remedied.

Authority’s Maintenance Obligations

23.13 The Authority’s Maintenance Obligations are as follows:

23.13.1 not less frequently than once in every five (5) years from the [first Phase] Actual Completion Date, in a good and workmanlike manner to make good plaster and other interior wall and ceiling finishes and decoration in all such parts of the interior of the Functional Areas as were plastered, finished and/or decorated by Project Co as part of the Works or in implementing an Authority Change;

23.13.2 [not less frequently than once in every [♦] years from the [first Phase] Actual Completion Date, to renew and replace all [carpets and other non-permanent floor coverings] in the Functional Areas provided by Project Co as part of the Works or in implementing an Authority Change];

23.13.3 [not less frequently than once in every [♦] years from the [first Phase] Actual Completion Date, to resurface/restore the finish of all [semi-permanent floor finishes that are subject to wear such as wood floors] in the Functional Areas provided by Project Co as part of the Works or in implementing an Authority Change];

23.13.4 [as often as is necessary to maintain anything provided by the Authority under a Derogated Low Value Change]; and

23.13.5 to ensure that all portable electrical appliances that are connected to the electricity supply in the Facilities by the Authority and Authority Parties have been tested in accordance with Law and the "Code of Practice for In-service Inspection and Testing of Electrical Equipment" published from time to time by the Institution of Electrical Engineers.
23.14 Subject to Clause 23.21 (Authority's Maintenance Obligations), the Authority must carry out and perform the Authority's Maintenance Obligations or procure that the Authority's Maintenance Obligations are carried out and performed as often as required by Clause 23.13 (Authority's Maintenance Obligations) and in accordance with Good Industry Practice. Without prejudice to the Authority's rights under Clause 23.7 (Programmed and Unprogrammed Maintenance), the Authority's Maintenance Obligations must be scheduled by the Authority so as not to interfere with Project Co carrying out Programmed Maintenance or Lifecycle Replacement in accordance with the Schedule of Programmed Maintenance and/or interfere with Project Co carrying out Unprogrammed Maintenance Work in accordance with Clause 23.8 (Programmed and Unprogrammed Maintenance).

23.15 If the Authority is in breach of Clause 23.14 (Authority's Maintenance Obligations), Project Co may, while the breach is continuing, give a notice to the Authority requiring it to carry out the relevant Authority Maintenance Obligations. If the Authority:

23.15.1 does not reply to Project Co in writing within ten (10) Business Days of the date of Project Co's notice with a programme for carrying out the relevant Authority Maintenance Obligations within a period of time that is reasonable having regard to the nature of the breach, the reasonably foreseeable consequences of non-performance of the relevant Authority Maintenance Obligations for the Services and Project Co's obligations under this Agreement; or

23.15.2 having provided such a programme, does not comply with it,

Project Co shall be entitled to perform the Authority's Maintenance Obligations so far as necessary to prevent any reasonably foreseeable adverse effect on the Services and/or Project Co's obligations under this Agreement consequent upon the non-performance of the relevant Authority Maintenance Obligations.

23.16 Project Co shall not carry out any Project Co's Remedial Services unless and until the Authority's Representative, pursuant to this Clause 23.16 (Authority's Maintenance Obligations), has approved or is deemed to have approved or has specified the proposed commencement date, the proposed hours of work and the estimated duration of Project Co's Remedial Services (together the "PRS Timetable"). Project Co must give the Authority not less than [twenty (20)] Business Days' notice of its proposed PRS Timetable. If the Authority's Representative considers that the proposed PRS Timetable is not consistent with the principles set out in Appendix 2 to Schedule 8 (Review Procedure), he may specify an alternative PRS Timetable that is consistent with those principles, which shall be as near to the PRS Timetable proposed by Project Co as reasonably practicable. If the Authority's Representative fails either to approve Project Co's proposed PRS Timetable or to specify an alternative PRS Timetable within ten (10) Business Days of receipt of Project Co's proposed PRS Timetable, he shall be deemed to have approved it.

23.17 The Authority must allow Project Co and relevant Project Co Parties access to the Site and the Facilities:

23.17.1 for the purpose of monitoring the carrying out of Authority's Maintenance Obligations; and
23.17.2 in accordance with the approved PRS Timetable for the purpose of carrying out any of Project Co's Remedial Services.

23.18 If the Authority does not allow access to the Site and/or the Facilities as required pursuant to Clause 23.17.2, or otherwise prevents or interferes with Project Co and any relevant Project Co Party performing the PRS Remedial Works, Project Co may propose a new PRS Timetable in respect of the relevant Project Co's Remedial Services and Clause 23.16 (Authority's Maintenance Obligations) shall apply.

23.19 In carrying out and performing Project Co's Remedial Services, Project Co must comply with the standards applicable to the relevant Authority's Maintenance Obligations and Good Industry Practice and must use reasonable endeavours to match colours and other finishes to those that currently exist in the relevant part or parts of the Facilities.

23.20 The Authority must reimburse Project Co all reasonable costs that it incurs in carrying out and performing Project Co's Remedial Services in accordance with this Clause 23 (Maintenance).

23.21 Notwithstanding the terms of Clauses 23.14 to 23.19 (Authority's Maintenance Obligations) above, Project Co is responsible for:

23.21.1 making good any defects in plaster and other interior wall and ceiling finishes and decoration [and floor coverings referred to in Clauses 23.13.2 and 23.13.3] provided by Project Co as part of the Works or in implementing an Authority Change, caused by defective design or workmanship in the carrying out of the Works or in implementing the Authority Change; and

23.21.2 making good any defects in plaster and other interior wall and ceiling finishes and decoration [and floor coverings referred to in Clauses 23.13.2 and 23.13.3] provided by Project Co as part of the Works or in implementing an Authority Change (whether or not these have subsequently been replaced or renewed by the Authority) [and things referred to in Clause 23.13.4] consequential on any Programmed Maintenance or Unprogrammed Maintenance or any act or omission of Project Co.

23.22 The Authority and Project Co shall co-operate with each other to coordinate any activities that the Authority proposes to undertake to implement any of the Authority's Maintenance Obligations and Project Co's Programmed Maintenance and Project Co must include the Authority's intentions with regard to performing the Authority's Maintenance Obligations in the Schedule of Programmed Maintenance for each Contract Year.

Energy for Repairs

23.23 Subject to Clause 23.24 (Energy for Repairs), the Authority is entitled to be reimbursed by Project Co for costs incurred by the Authority for Utilities supplied to
the Facilities during the Operational Term that are consumed in the process of Project Co or any Project Co Party carrying out operations to rectify an Availability Failure.

23.24 For the purpose of applying Clause 23.23 (Energy for Repairs) the cost of each Utility shall be considered separately and Clause 23.23 (Energy for Repairs) shall not apply if the costs concerned, in respect of the particular Availability Failure, do not exceed [the daily average cost based on bills paid by the Authority to the supplier of the relevant Utility to the Facilities over the most recent twelve (12) month period for which figures are available].

23.25 Where the Authority claims reimbursement of Utilities costs pursuant to Clause 23.23 (Energy for Repairs) it must reasonably estimate those costs using all available evidence and send Project Co a statement showing its calculation of the amount claimed along with its supporting evidence. Unless Project Co disputes the statement within ten (10) Business Days of receipt, the Authority will be entitled, pursuant to Clause 35.6 (Set-Off), to set-off the amount claimed.

24 LIFECYCLE REPLACEMENT

24.1 Project Co shall undertake Lifecycle Replacement at the Facilities in accordance with a Lifecycle Schedule which has been approved or not commented on by the Authority under the Review Procedure.

24.2 No later than forty (40) Business Days before each occasion on which any part of the Facilities is due for replacement (as identified in the Lifecycle Schedule), where Project Co does not believe it is necessary to undertake such replacement, Project Co shall submit to the Authority (under the Review Procedure) a written statement detailing:

24.2.1 the replacement(s) which the Lifecycle Schedule records as being due; and

24.2.2 why Project Co does not believe it is necessary to undertake such replacement having regard to the condition of the relevant part and Project Co's obligations under this Agreement.

24.3 If the Authority approves in accordance with the Review Procedure (or it is determined in accordance with the Dispute Resolution Procedure) that the replacement should be deferred, Project Co shall amend the Lifecycle Schedule to reflect such deferral.

24.4 Without prejudice to Clause 24.3 (Lifecycle Replacement) Project Co shall replace any items listed in the Lifecycle Schedule with parts of at least equivalent standard to those at the [Actual Completion Date] measured by reference to the standards set out in the Service Level Specification and the standards of the Equipment set out in Project Co's Proposals, measured in each case against the current standards for the relevant part so that as a minimum any replacement part should have an equivalent or greater anticipated lifespan at the same quality as the
original part provided that nothing in this Clause 24.4 (Lifecycle Replacement) shall require the relevant elements of the Facilities to have a longer working life than required by paragraph [♦] of the Service Level Specification.

24.5 In the event that Project Co fails to either:

24.5.1 replace any part of the Facilities by the date that it is due for replacement (as identified in the Lifecycle Schedule); or

24.5.2 comply with Clause 24.4 (Lifecycle Replacement),

and such failure is not remedied within one (1) month of receipt of written notice by Project Co of such failure from the Authority, the Authority may remedy such failure itself and recover the cost from Project Co as a debt.

**Lifecycle Profile and Spend**

24.6 Project Co shall keep detailed records of the Lifecycle Replacement and Lifecycle Spend.

24.7 Project Co shall upon written request permit the Authority access to all Project Co’s records, receipts, invoices, reports, drawings, technical specifications and performance logs relating to any Lifecycle Asset and Lifecycle Spend, so as to enable the Authority to obtain an accurate assessment of the figures quoted. Project Co shall provide all reasonable co-operation and assistance to the Authority to allow it access to such documents and information and shall in a bona fide manner respond promptly to all reasonable requests for further documents and information made by the Authority in respect of any Lifecycle Asset and the condition of the same and Lifecycle Spend.

24.8 At least [sixty (60)] Business Days prior to a Lifecycle Review Date, Project Co shall submit to the Authority a report containing:

24.8.1 a survey of the state and condition of the Facilities and Lifecycle Assets by comparison to Project Co’s maintenance and lifecycle obligations under this Agreement;

24.8.2 a revised projection for any alteration to anticipated replacement or renewal of Lifecycle Assets in respect of:

24.8.2.1 the period from the relevant Lifecycle Review Date until the next Lifecycle Review Date; and

24.8.2.2 the period from the relevant Lifecycle Review Date until the Expiry Date;
24.8.3 confirmation of any differences between the Lifecycle Profile and Lifecycle Spend, and transactions that have taken place during the previous Lifecycle Review Period;

24.8.4 confirmation of the Lifecycle Profile for the period up to the next Lifecycle Review Date;

24.8.5 confirmation of the Lifecycle Profile from that Lifecycle Review Date to the Expiry Date;

24.8.6 a summary of how Project Co has achieved the Lifecycle Efficiencies Plan in the period since the previous Lifecycle Review Date;

24.8.7 details of Equipment to be replaced and commentary on how this has been determined with particular reference to any changes to the Authority Services which the Authority has made Project Co aware of, which mean that a like for like replacement of Equipment may not be appropriate or represent best value for money for the Authority,

(to be referred to as the Lifecycle Report).

24.9 On the Lifecycle Review Date, the parties shall discuss the contents of the Lifecycle Report, and Project Co shall make such revisions to the Lifecycle Report as the parties agree are necessary and supply the Authority with a copy of the same within twenty (20) Business Days of the Lifecycle Review Date.

25 BIENNIAL REVIEWS AND REPORTING

25.1 Biennial Reviews

25.1.1 Project Co shall work with the Authority to identify opportunities for improving the performance, efficiency and effectiveness of the Facilities and the Services. This shall be termed a "Biennial Review".

25.1.2 On the date falling two (2) years after the [Actual Completion Date] and every two (2) years thereafter, during the Operational Term (each a "Contract Review Date"), Project Co and the Authority shall conduct a Biennial Review in order to ensure that the Services and the Facilities are providing a suitable and cost effective solution for the Authority.

25.1.3 The Biennial Review shall include a meeting held between the Authority and Project Co, where both parties shall present their overview of the effectiveness of the Agreement. During each Biennial Review a discussion shall take place concerning the improvements to be made, and Project Co shall record the decisions taken.
25.1.4 Project Co shall produce a "Biennial Review Report" and submit this for review by the Authority no less than thirty (30) days prior to the relevant Contract Review Date.

25.1.5 The Biennial Review Report shall identify any activities undertaken by Project Co to improve the effectiveness of the Services, and any further opportunities for improvement of the Agreement through prospective changes in the Services, changes in the Authority Services, and/or behaviour or usage changes by either party; and it shall include as a minimum:

25.1.5.1 a trend analysis of performance against performance and availability standards over the years to date to identify areas of performance that can be improved, and steps taken by Project Co to address performance issues. Where the performance trend analysis identifies a deteriorating trend in performance, repeat failures, or significant failures that impact on the Authority, Project Co shall produce an action plan to identify how performance is to be improved;

25.1.5.2 [a summary of energy consumption over the period since the last Biennial Review and identification of measures that may be taken to improve energy performance and efficiency;]

25.1.5.3 a review of Programmed Maintenance and Unprogrammed Maintenance, in the form of a risk based maintenance analysis (in line with ISO55000 requirements or equivalent);

25.1.5.4 [Project Co's review of [Elective Services] provisions, to identify areas where efficiency or effectiveness can be improved by changes to these provisions;]

25.1.5.5 any alterations to the Facility which may lead to improvements in the performance and availability of the Facility and whether or not this may require capital expenditure on the part of the Authority;

25.1.5.6 a financial summary identifying the cost impact of all the efficiency improvement opportunities identified separated into:

(a) improvements that can be achieved without instigating a Change under Schedule 16 (Change Protocol) of the Agreement including changes made by changes in user behaviour and/or changes in Authority or Project Co working which would not require an Authority Change Notice; and
(b) other changes to the Services, or the Facilities that can improve efficiency but which would require an Authority Change Notice.

25.1.6 Any proposed Change set out in a Biennial Review Report which is approved by the Authority shall be subject to Schedule 16 (Change Procedure).

25.2 Provision of an Independent Biennial Review and Biennial Review Report

25.2.1 Where Project Co fails to either provide the Biennial Review Report, or it is not to a standard acceptable to the Authority acting reasonably or the Authority has reasonable ground for questioning the accuracy of the analysis undertaken by Project Co, then the Authority may appoint suitable competent independent advisors to carry out an independent review and produce an independent Biennial Review Report.

25.2.2 Project Co shall cooperate fully with any independent advisors and provide access to systems, copies or reports and any relevant data to enable such independent advisors to complete their report.

25.2.3 The costs of the independent advisor shall be borne by Project Co.

26 MONITORING OF PERFORMANCE

Monitoring

26.1 In carrying out the Services, Project Co shall, and shall procure that all Project Co Parties and any other persons for whom it is responsible shall, comply with the provisions of Schedule 12 (Service Requirements).

26.2 Project Co shall be responsible for monitoring its performance of this Agreement during the Operational Term, in the manner and at the frequencies set out in Schedule 12 (Service Requirements). Project Co shall provide the Authority's Representative with relevant particulars of any aspects of its performance which fail to meet the requirements of this Agreement (unless otherwise notified in writing by the Authority). The Authority may at all reasonable times observe, inspect and satisfy itself as to the adequacy of the monitoring procedures (including without limitation carrying out sample checks).

Grounds for Warning Notices

26.3 If at any time during the Operational Term (other than by reason of Force Majeure, a Relief Event or an Emergency):

22 Refer to Education Sector Specific Guidance in the User Guide, if applicable.
26.3.1 the total Deductions for any Contract Month amount to more than [♦] per cent of the Annual Service Payment for the current Contract Year; or

26.3.2 the total Deductions in each of any three (3) Contract Months in any six (6) consecutive Contract Months amount to more than [♦] per cent of the Annual Service Payment for the current Contract Year;

the Authority’s Representative may serve a Warning Notice on Project Co, provided always that, to give Project Co time to take appropriate rectification measures, the Authority’s Representative shall not be entitled:

(a) to serve more than one (1) Warning Notice in any month;

(b) to serve a Warning Notice in any two (2) consecutive months to the extent that the same event has contributed to the Authority’s right to serve the Warning Notice, but provided that Project Co demonstrates to the Authority that it has taken all reasonable steps to remedy the cause of that event.

Warning Notices Disputes

26.4 If Project Co disputes that the Authority was or is entitled to serve a Warning Notice, Project Co may refer that dispute for determination under the Dispute Resolution Procedure. If, after the Authority’s Representative issues a Warning Notice, the parties subsequently agree, or it is determined under the Dispute Resolution Procedure that the Warning Notice was served without justification, that Warning Notice shall be recalled or shall be cancelled and deemed not to have been served.

Authority’s remedial rights

26.5 The provisions of Clauses 26.6 to 26.9 (Authority’s remedial rights) (inclusive) shall apply if the Authority, acting reasonably, considers that it needs to take action in connection with the Services:

26.5.1 because of an immediate and serious threat to the health or safety of any user of the Facilities; or

26.5.2 to prevent or address material interruption in the provision of one or more of the Services; or

26.5.3 because of a risk of the ability of the Authority to provide the relevant Authority Services being prejudiced to a material degree;

26.6 If any of the circumstances set out in Clause 26.5 (Authority’s remedial rights) arise (without prejudice to its rights under Clause 40 (Project Co Event of Default) or any other express rights under this Agreement) and the Authority wishes to take
action (either by itself or by engaging others), the Authority shall notify Project Co in writing of the following:

26.6.1 the action it wishes to take;

26.6.2 the reason for such action;

26.6.3 the date it wishes to commence such action;

26.6.4 the time period which it believes will be necessary for such action; and

26.6.5 to the extent practicable, the effect on Project Co and its obligation to provide the Services during the period such action is being taken.

Following service of such notice, the Authority shall take such action as has been notified under Clause 26.6 (Authority’s remedial rights) and any consequential additional action as it reasonably believes is necessary (together, the "Required Action") and Project Co shall give all reasonable assistance to the Authority while it is taking the Required Action. To the extent that the Authority performs any of the obligations of Project Co hereunder or undertake tasks that would otherwise be undertaken by Project Co pursuant to this Agreement, the Authority shall perform such obligations or undertake such tasks to the same standard as would be required of Project Co under the terms of this Agreement.

If the Required Action is taken other than as a result of a breach by Project Co of its obligations under this Agreement, then for so long as and to the extent that the Required Action is taken, and this prevents Project Co from providing any part of the Services:

26.8.1 Project Co shall be relieved from its obligations to provide such part of the Services; and

26.8.2 in respect of this period in which the Authority is taking the Required Action and provided that Project Co provides the Authority with reasonable assistance (such assistance to be at the expense of the Authority to the extent that additional costs are incurred), the Monthly Service Payments due from the Authority to Project Co shall equal the amounts that Project Co would receive if it were satisfying all of its obligations and providing the Services affected by the Required Action in full over that period and the Authority shall indemnify Project Co against all Direct Losses sustained by Project Co as a result of the Authority taking the Required Action.

If the Required Action is taken as a result of a breach by Project Co of its obligations under this Agreement, then for so long as and to the extent that the Required Action is taken, and this prevents Project Co from providing any part of the Services:
26.9.1 Project Co shall be relieved of its obligations to provide such part of the Services; and

26.9.2 in respect of the period in which the Authority is taking the Required Action, the Monthly Service Payments due from the Authority to Project Co shall equal the amounts Project Co would receive if it were satisfying all of its obligations and providing the Services affected by the Required Action in full over that period, less an amount equal to all of the costs incurred by the Authority in taking the Required Action (including, without limitation, an appropriate sum in respect of general staff costs and overheads).

**Emergencies**

26.10 If an Emergency arises during the Operational Term which cannot be dealt with by performance of the Services, the Authority may instruct Project Co to procure that such additional or alternative services are undertaken by Project Co as and when required by the Authority to ensure that the Emergency is dealt with and normal operation of the Facility resumes as soon as is reasonably practicable.

26.11 The cost of any additional or alternative services provided by Project Co under Clause 26.10 (Emergencies) shall be borne by the Authority and paid in accordance with Clause 35 (Payment). The Authority will not be entitled to levy Deductions in respect of any failure to provide the Services to the extent that such failure arises by reason of Project Co's compliance with Clause 26.10 (Emergencies).

27 **EMPLOYMENT MATTERS**

**Compliance with Legislation and Authority Policies**

27.1 Project Co shall comply and shall procure that each Service Provider and all persons employed or engaged by a Service Provider in connection with the provision of any Service shall comply at all times with the Law on health and safety at work and on anti-discrimination and equal opportunities.

27.2 Project Co shall procure that each Service Provider takes all reasonable steps to procure that all persons including any employed or engaged by a Service Provider in connection with the provision of any Service shall, so far as applicable, comply with the Authority Policies as regards health and safety at work (including the Authority Policy regarding smoking) and with those relating to anti-discrimination and equal opportunities (including those relating to harassment). Project Co also shall take and shall procure that every Service Provider shall take all such steps as the Authority may reasonably require, which shall include co-operation with action proposed or taken by the Authority, to ensure that the Authority complies with its duty under Section 3(1) Health and Safety at Work Act 1974 regarding the conduct of the undertaking of the Authority.

23 Refer to Health and Education Sector Specific Guidance in the User Guide, if applicable.
Project Co Indemnities

27.3 Project Co shall indemnify and keep indemnified in full the Authority and, at the Authority's request, each and every service provider who has or shall provide any service equivalent to any of the Services against:

27.3.1 claims in respect of all emoluments and all other contractual or statutory payments unpaid by Project Co or a Service Provider to any person entitled to such payments from Project Co or a Service Provider who is or has been employed or engaged by Project Co or any Service Provider in connection with the provision of any of the Services which relate to any period of employment or engagement with Project Co or any Service Provider on or after the Relevant Service Transfer Date but on or prior to the date of expiry or termination of this Agreement, and all income tax (or any tax replacing it) and pension and national insurance contributions payable thereon; and

27.3.2 insofar as Clause 27.3.1 does not apply, all Direct Losses incurred by the Authority as a result of any claim against the Authority in respect of any liability to any person who is or has been employed or engaged (whether as a consequence of the Transfer Regulations or of the provisions of this Clause 27 (Employment Matters)) by Project Co or any Service Provider in connection with the provision of any of the Services, where such claim arises as a result of any act or omission of Project Co or the Service Provider occurring after the Relevant Service Transfer Date and before the expiry or termination of this Agreement;

provided the indemnities in Clauses 27.3.1 and 27.3.2 shall not apply to the extent that the claim arises from a wrongful act or omission of the Authority or is in respect of sums for which the Authority is liable pursuant to Clause 27.11 (No Employee Transfer).

27.4 Clause 49.3 (Conduct of Claims) of this Agreement shall apply where any claim is made in respect of the indemnities given by Project Co under Clause 27.3 (Project Co Indemnities).

Position on expiry or earlier termination of this Agreement

27.5 On the expiry or earlier termination of this Agreement, the Authority and Project Co agree that it is their intention that the Transfer Regulations shall apply in respect of the provision thereafter of any service equivalent to a Service but the position shall be determined in accordance with the Law at the date of expiry or termination as the case may be and this Clause is without prejudice to such determination.

27.6 Project Co shall not and shall procure that no Service Provider shall make any material change to the terms and conditions of employment of any person employed in the provision of any Service, transfer any person employed in the provision of any Service to another part of its business, or materially increase or decrease the number of such persons:
27.6.1 within the period of twelve (12) months immediately preceding the expiry of this Agreement, or

27.6.2 within the period of twelve (12) months before the termination of this Agreement or, if shorter, during the period of notice of termination

without the Authority's consent (which shall not be unreasonably withheld), except if such change is required by Law.

27.7 If the Transfer Regulations do not apply on the expiry or earlier termination of this Agreement, the Authority shall ensure that each new provider of a service equivalent to a Service on or after the expiry or earlier termination of this Agreement (including the Authority) shall offer employment to the persons employed by Project Co or a Service Provider in the provision of the Service immediately before the expiry or earlier termination of this Agreement and shall indemnify Project Co or a Service Provider for Direct Losses any of them may suffer or incur as a result of its failure to do so, and for any costs, claims or liabilities for redundancy payments (whether statutory or contractual).

27.8 If an offer of employment is made in accordance with Clause 27.7 (Position on expiry or earlier termination of this Agreement) the employment shall be on the same terms and conditions as applied immediately before the expiry or earlier termination of this Agreement including full continuity of employment, except that the Authority or other new service provider may at its absolute discretion not offer such terms and conditions if there has been any change to the terms and conditions of the persons concerned in breach of Clause 27.6 (Position on expiry or earlier termination of this Agreement).

27.9 Project Co shall:

27.9.1 comply with the Ethical Employment Code and any similar applicable schemes or codes of practice which apply to Project Co;

27.9.2 encourage all Sub-Contractors to sign up to the Ethical Employment Code and any similar applicable schemes or codes of practice promoted by the Welsh Government; and

27.9.3 ensure that the [Contractor and the Service Provider and] all Sub-Contractors who have signed up to the Ethical Employment Code comply with that code of practice and any similar applicable schemes or codes of practice which apply to that sub-contractor.

No Employee Transfer

27.10 The Authority and Project Co agree that there are no individuals presently employed by the Authority [or any other sub-contractor of the Authority] whose contracts of employment will, by virtue of the transfer to Project Co of responsibility for provision of (or procuring the provision by Service Providers of) any of the

Services in accordance with this Agreement and in accordance with the Transfer Regulations, have effect after the date or dates of such transfer as agreed by the parties (each a "Relevant Service Transfer Date") (or at any other time) as if originally made between those persons and the relevant Service Provider.

27.11 If it is subsequently agreed or determined that there are persons presently employed by the Authority [or any other sub-contractor of the Authority] whose contracts of employment do have effect after the Relevant Service Transfer Date as if originally made between those persons and the relevant Service Provider ("Transferring Staff") then:

27.11.1 the Authority shall within ten (10) Business Days of the date on which it was so agreed or determined have the opportunity to offer or procure the offer of a position as an employee of the Authority to some or all of the Transferring Staff;

27.11.2 Project Co shall procure that no person to whom the Authority has offered a position in accordance with Clause 27.11.1 shall be dismissed by reason of redundancy until the period for acceptance of such offer has expired and the person in question has not accepted such offer; and

27.11.3 subject to Clauses 27.11.1 and 27.11.2, Project Co or any Service Provider shall be entitled to dismiss any or all of the Transferring Staff by reason of redundancy provided that Project Co shall use and shall procure that any Service Provider shall carry out in the required manner any obligation to consult with the Transferring Staff or any of them, or their respective representatives, and shall use all reasonable endeavours to mitigate the amount of any costs payable in respect of the Transferring Staff or their dismissal.

The Authority shall indemnify Project Co against any costs referred to in Clause 27.11.3 reasonably incurred by Project Co (or by a relevant Service Provider and for which Project Co is responsible) and shall reimburse any costs reasonably and properly incurred by Project Co or the Service Provider in employing any Transferring Staff prior to the expiry of the period referred to in Clause 27.11.2.

28 SITE SECURITY AND PERSONNEL ISSUES

Access

28.1 The Authority shall have the right to refuse admittance to, or order the removal from, the Facilities of any person employed by (or acting on behalf of) Project Co, any Project Co Party or any sub-contractor whose presence, in the reasonable opinion of the Authority, is likely to have a material adverse effect on the provision by the Authority of the relevant Authority Services at the Facilities or who is not a fit and proper person to be in the Facilities.27

26 Time period to be agreed on a project by project basis.
27 Refer to Health and Education Sector Specific Guidance in the User Guide, if applicable.
28.2 Action taken under Clause 28.1 (Access) shall forthwith be confirmed in writing by the Authority to Project Co and, to avoid doubt, shall not relieve Project Co of any of its obligations under this Agreement.

28.3 If and when so directed in writing by the Authority, Project Co shall within twenty (20) Business Days provide a list of the names and addresses of all persons it expects may require admission in connection with this Agreement, to any premises occupied by the Authority, specifying the capacities in which those persons are concerned with this Agreement and giving such other particulars as the Authority may reasonably require.

28.4 The decision of the Authority as to whether any person is to be refused admission shall be final and conclusive.

Authority Policies

28.5 Project Co shall, and shall procure that all Project Co Parties shall, comply at all times with the Authority Policies.

28.6 The Authority shall notify Project Co of any proposed change to the Authority Policies as soon as practicable (and, in any event, prior to such change taking effect) and consult with Project Co. Subject to Clause 28.7 (Authority Policies), such change shall take effect as a Change in accordance with Schedule 16 (Change Protocol).

28.7 The Authority may, at its sole option, notify Project Co that Project Co shall not be obliged to comply with any change to any Authority Policy and that Project Co should continue to comply with the relevant Authority Policy prior to any change in which case such change shall not take effect as a Change in accordance with Schedule 16 (Change Protocol).

Convictions and disciplinary action

28.8 Project Co (to the extent permitted by Law) shall procure that all potential staff or persons performing any of the [Project Operations] who may reasonably be expected in the course of their employment or engagement to have access to children, the elderly and/or vulnerable adults:

PART 7: DELAY EVENTS, RELIEF EVENTS AND FORCE MAJEURE

30 DELAY EVENTS

30.1 If, at any time, Project Co becomes aware that there will be (or is likely to be) a delay in completion of the Works [relating to one or more Phases], Project Co shall forthwith give notice to the Authority’s Representative to that effect specifying the relevant delay or impediment. In relation to any such delay or impediment if the Authority’s Representative is satisfied, or it is determined in accordance with Schedule 20 (Dispute Resolution Procedure), that such delay or impediment has arisen as a result of the occurrence of a Delay Event, then, subject to Clause 30.2 (Delay Events), the Authority’s Representative shall allow Project Co an extension of time equal to the delay or impediment caused by such Delay Event (taking into account reasonably foreseeable consequences of the Delay Event) and shall revise the Completion Date [relevant Phase Completion Date(s)] accordingly but to avoid doubt, there shall be no extension to the Project Term as a result of any such delay or impediment.

30.2 If Project Co is (or claims to be) affected by a Delay Event:
30.2.1 it shall (and shall procure that the Project Co Parties shall) take and continue to take all reasonable steps to eliminate or mitigate the consequences of such an event upon the performance of its obligations under this Agreement and, where relevant, resume performance of its obligations affected by the Delay Event as soon as practicable; and

30.2.2 it shall neither be relieved from liability under this Agreement nor entitled to any extension of time for the purpose of Clause 30 (Delay Events) to the extent that it is delayed or impeded due to its failure (if any) to comply with its obligations under Clause 30.2.1 above.

30.3 For the purposes of this Agreement, a Delay Event means any of the following to the extent in each case that there will be (or is likely to be) a delay in completion of the Facilities [a Phase or Phases]:

30.3.1 the occurrence of a Qualifying Change in relation to which it has been agreed or determined that the implementation of the Authority Change would delay the completion of the Facilities [the Phase(s)];

30.3.2 any breach by the Authority and/or any Authority Party of any of the Authority's express obligations under this Agreement to the extent in each case that any such breach is not caused, or contributed to, by Project Co or any Project Co Party;

30.3.3 the execution of works on the Site not forming part of this Agreement by the Authority or any contractors employed by the Authority;

30.3.4 opening up of the Works pursuant to Clauses 13.3 to 13.7 (Right to Open Up) (inclusive) where such Works are not subsequently found to be defective (unless it is agreed or determined in accordance with Schedule 20 (Dispute Resolution Procedure) that the opening up of the Works was reasonable in the light of other defects previously discovered by the Authority);

30.3.5 Force Majeure;

30.3.6 a Relief Event;

30.3.7 a Relevant Change in Law referred to in Clause 33.3.1 (Discriminatory Change in Law) and Clause 33.3.2 (Specific Change in Law); or

30.3.8 the occurrence of circumstances deemed to be a Compensation Event pursuant to Clause 10.4 (Responsibility for Ground Conditions and Contamination).29

29 Refer to Health and Education Sector Specific Guidance in the User Guide, if applicable.
Without prejudice to the generality of Clause 30 (Delay Events), Project Co shall give notice in writing to the Authority's Representative as soon as it (or the Contractor) can reasonably foresee a Delay Event occurring or, if the same is not reasonably foreseeable, as soon as it (or the Contractor) shall become aware of a Delay Event. Project Co shall within ten (10) Business Days after such notification, give further written details to the Authority's Representative which shall include:

30.4.1 a statement of which Delay Event the claim is based upon;

30.4.2 details of the circumstances from which the Delay Event arises;

30.4.3 details of the contemporary records which Project Co will maintain to substantiate its claim for extra time;

30.4.4 details of the consequences (whether direct or indirect, financial or non-financial) which such Delay Event may have upon completion of the Facilities [relevant Phase(s)]; and

30.4.5 details of any measures which Project Co proposes to adopt to mitigate the consequences of such Delay Event.

30.5 As soon as possible but in any event within five (5) Business Days of Project Co (or the Contractor) receiving, or becoming aware of, any supplemental information which may further substantiate or support Project Co's claim then, provided that the Completion Date [Phase Completion Date] has not otherwise already been revised pursuant to Clause 30.7 (Delay Events), Project Co shall submit further particulars based on such information to the Authority's Representative.

30.6 The Authority's Representative shall, after receipt of written details under Clause 30.4, or of further particulars under Clause 30.5 (Delay Events), be entitled by notice in writing to require Project Co to provide such further supporting particulars as he may reasonably consider necessary. Project Co shall afford the Authority's Representative reasonable facilities for investigating the validity of Project Co's claim including, without limitation, onsite inspection.

30.7 Subject to the provisions of this Clause, the Authority's Representative shall revise the Completion Date [relevant Phase Completion Date(s)] in accordance with Clause 30.1 (Delay Events) as soon as reasonably practicable and in any event within five (5) Business Days of the later of:

30.7.1 the date of receipt by the Authority's Representative of Project Co's notice given in accordance with Clause 30.4 (Delay Events) and the date of receipt of any further particulars (if such are required under Clause 30.6 (Delay Events)), whichever is the later; and

30.7.2 the date of receipt by the Authority's Representative of any supplemental information supplied by Project Co in accordance with Clause 30.5
(Delay Events) and the date of receipt of any further particulars (if such are required under Clause 30.6 (Delay Events)), whichever is the later.

If Project Co has failed to comply with the requirements as to the giving of notice under Clause 30.4 (Delay Events), or has failed to maintain records or afford facilities for inspection to the Authority's Representative, then Project Co shall not be entitled to any extension of time (and the Completion Date [relevant Phase Completion Date(s)] shall not be revised) in respect of any period of delay by Project Co in giving notice or providing information under Clause 30.4 (Delay Events) and/or to the extent that its failure to maintain records or afford facilities for inspection to the Authority's Representative has prevented the Authority's Representative from assessing the consequences of the Delay Event.

30.8 If:

30.8.1 the Authority's Representative declines to fix a revised Completion Date [Phase Completion Date(s)]; or

30.8.2 Project Co considers that a different Completion Date [Phase Completion Date(s)] should be fixed; or

30.8.3 there is a disagreement as to whether a Delay Event has occurred,

then Project Co shall be entitled to refer the matter for determination in accordance with Schedule 20 (Dispute Resolution Procedure).

Compensation

30.9 If the Delay Event is a Compensation Event Project Co's sole right to compensation shall be as provided for in Clauses 30.11 to 30.13 (Compensation) inclusive. To avoid doubt, no other Delay Event shall entitle Project Co to receive any compensation save as otherwise expressly provided in:

30.9.1 Schedule 16 (Change Protocol) in the case of a Delay Event referred to in Clause 30.3.1 (subject always to the provisions of Clause 33 (Changes in Law)); or

30.9.2 Clause 33 (Changes in Law) in the case of a Delay Event referred to in Clause 30.3.7.

30.10 For the purposes of Clause 30.9 (Compensation), a Compensation Event means:

30.10.1 any Delay Event referred to in Clause 30.3.2, Clause 30.3.3 or Clause 30.3.4 for which, in each case, it has been agreed or determined pursuant to this Clause 30 (Delay Events) that Project Co is entitled to an extension of time; or
30.10.2 in the period prior to the Actual Completion Date [a Phase Actual Completion Date], in circumstances where there is no delay in completion of the Facilities [relevant Phase] any breach by the Authority and/or any Authority Party of any of the Authority's express obligations under this Agreement to the extent that such breach is not caused, or contributed to, by Project Co or any Project Co Party; or

30.10.3 the occurrence of circumstances deemed to be a Compensation Event pursuant to Clause 10.4 (Responsibility for Ground Conditions and Contamination).

30.11 Subject to Clause 30.12 (Compensation), if it is agreed, or determined, that there has been a Compensation Event, and Project Co has incurred loss (including loss of revenue) and/or expense as a direct result of such Compensation Event, Project Co shall be entitled to such compensation as would place Project Co in no better or worse position than it would have been in had the relevant Compensation Event not occurred. Project Co shall promptly provide the Authority's Representative with any additional information he may require in order to determine the amount of such compensation.

30.12 Project Co shall take all reasonable steps so as to minimise the loss and/or expense referred to in Clause 30.11 (Compensation) in relation to any Compensation Event and any compensation payable shall:

30.12.1 exclude any amounts incurred or to be incurred as a result of any failure of Project Co (or any Project Co Party) to comply with this Clause 30.12 (Compensation); and

30.12.2 be reduced by any amount which Project Co has recovered or will recover under any insurance policy (or would have recovered if it had complied with the requirements of this Agreement or of any policy of insurance required under this Agreement) which amount, to avoid doubt, shall not include any excess or deductibles or any amount over the maximum amount insured applicable to any such insurance policy.

30.13 The amount of any compensation due to Project Co under Clause 30.11 (Compensation) shall be agreed between the parties or, failing agreement, determined pursuant to Schedule 20 (Dispute Resolution Procedure) and such compensation shall be payable:

30.13.1 in respect of compensation for a Compensation Event to the extent resulting in Capital Expenditure being incurred the Authority shall compensate Project Co for the actual Capital Expenditure incurred by Project Co within twenty (20) Business Days of its receipt of a written demand accompanied by a valid VAT invoice for the same by Project Co supported by all relevant information; and

31.2 Subject to Clauses 31.3 (Relief Events) and 31.4 (Mitigation), no right of termination shall arise under this Agreement by reason of any failure by a party to perform any of its obligations under this Agreement to the extent that such failure to perform occurs because of the occurrence of a Relief Event (and, to avoid doubt, and without prejudice to Clause 31.9 (Mitigation), unless expressly stated to the contrary in this Agreement, it is acknowledged that all other rights and obligations of the parties under this Agreement remain unaffected by the occurrence of a Relief Event).
31.3 Without prejudice to Project Co's rights under Clause 30 (Delay Events), Project Co shall only be relieved of its obligations under Clauses 12 (The Design, Construction and Commissioning Process), 13 (Right of Access of Authority's Representative), 14 (Programme and Dates for Completion), 17 (Pre-Completion Commissioning and Completion) and 30 (Delay Events) by Delay Events in accordance with Clause 30 (Delay Events).

32.8 If, following the issue of any notice referred to in Clause 32.6 (Force Majeure), the party claiming relief receives or becomes aware of any further information relating to the event of Force Majeure (and/or any failure to perform), it shall submit such further information to the other party as soon as reasonably possible.

32.9 Nothing in this Clause 32 (Force Majeure) shall affect the Authority's entitlement to make Deductions in the period during which any event of Force Majeure is subsisting.

32.10 The parties shall endeavour to agree any modifications to this Agreement which may be equitable having regard to the nature of an event or events of Force Majeure. Schedule 20 (Dispute Resolution Procedure) shall not apply to a failure of the Authority and Project Co to reach agreement pursuant to this Clause 32.10 (Force Majeure).

The programme shall specify in reasonable detail the manner in, and the latest date by, which such Project Co Event of Default is proposed to be remedied (Project Co shall only have the option of putting forward a programme in accordance with this Clause 40.3.2(b) if it first notifies the Authority within ten (10)
Business Days of such notice of default that it proposes to do so);

40.3.3 in the case of any Project Co Event of Default referred to in Clause 40.1.11 (Insurance) serve notice of default on Project Co requiring Project Co to remedy the Project Co Event of Default (if the same is continuing) within twenty (20) Business Days of such notice of default;

40.3.4 in the case of any Project Co Event of Default referred to in Clause 40.1.14 (Tax Compliance), serve notice of default on Project Co requiring Project Co to remedy the Project Co Event of Default (if the same is continuing) within thirty (30) Business Days of such notice of default; and

40.3.5 in the case of any Project Co Event of Default referred to in Clause 40.1.13(b), serve notice of default on Project Co requiring Project Co to remedy the Project Co Event of Default (if the same is continuing) within twenty (20) Business Days of such notice of default, on the terms required pursuant to Clause 45.3.2, 45.3.3, 45.3.4 or 45.3.5, as appropriate.

Remedy provisions

40.4 Where Project Co puts forward a programme in accordance with Clause 40.3.2(b), the Authority shall have twenty (20) Business Days from receipt of the same within which to notify Project Co (acting reasonably) that it does not accept the programme, failing which the Authority shall be deemed to have accepted the programme. Where the Authority notifies Project Co that it does not accept the programme as being reasonable, the parties shall endeavour within the following five (5) Business Days to agree any necessary amendments to the programme put forward. In the absence of agreement within five (5) Business Days, the question of whether the programme (as the same may have been amended by agreement) will remedy the Project Co Event of Default in a reasonable manner and within a reasonable time period (and, if not, what would be a reasonable programme) may be referred by either party for resolution in accordance with Schedule 20 (Dispute Resolution Procedure).

40.5 If:

40.5.1 the Project Co Event of Default notified in a notice of default served under Clause 40.3.2, Clause 40.3.3, Clause 40.3.4 or Clause 40.3.5 (as the case may be) is not remedied before the expiry of the period referred to in Clause 40.3.2(a), Clause 40.3.3, Clause 40.3.4 or Clause 40.3.5 (as appropriate); or

40.5.2 where Project Co puts forward a programme pursuant to Clause 40.3.2(b) which has been accepted by the Authority or has been determined to be reasonable and Project Co fails to achieve any element of the programme or the end date for the programme (as the case may be); or
40.5.3 any programme put forward by Project Co pursuant to Clause 40.3.2(b) is rejected by the Authority as not being reasonable, and the Dispute Resolution Procedure does not find against that rejection,

then the Authority may terminate this Agreement in its entirety by written notice to Project Co with immediate effect. Provided that for the purposes of Clause 40.5.2 if Project Co's performance of the programme is adversely affected by the occurrence of Force Majeure, a Relief Event or an Excusing Cause then, subject to Project Co complying with the mitigation and other requirements in this Agreement concerning Force Majeure, a Relief Event or an Excusing Cause (as the case may be), the time for performance of the programme or any relevant element of it shall be deemed to be extended by a period equal to the delay caused by Force Majeure, the Relief Event or the Excusing Cause (as the case may be) which is agreed by the parties or determined in accordance with Schedule 20 (Dispute Resolution Procedure).

Authority's costs

40.6 Project Co shall reimburse the Authority for all reasonable costs incurred by the Authority in exercising any of its rights pursuant to this Clause 40 (Project Co Event of Default) (including, without limitation, any relevant increased administrative expenses). The Authority shall take reasonable steps to mitigate such costs.

40.7 The Authority shall not exercise, or purport to exercise, any right to terminate this Agreement except as expressly set out in this Agreement. The rights of the Authority (to terminate or otherwise) under this Clause are in addition (and without prejudice) to any right which the Authority may have to claim the amount of loss or damage suffered by the Authority on account of the acts or omissions of Project Co (or to take any action other than termination of this Agreement).

41 TERMINATION RESULTING FROM FORCE MAJEURE

If, in the circumstances referred to in Clause 32 (Force Majeure), the parties have failed to reach agreement on any modification to this Agreement pursuant to Clause 32 (Force Majeure) within six (6) calendar months of the date on which the party affected serves notice on the other party in accordance with Clause 32 (Force Majeure) either party may at any time afterwards terminate this Agreement by written notice to the other party having immediate effect provided always that the effects of the relevant event of Force Majeure continues to prevent either party from performing any material obligation under this Agreement.

42 AUTHORITY VOLUNTARY TERMINATION

42.1 The Authority shall be entitled to terminate this Agreement at any time on [six (6)] months' written notice to Project Co, including, for the avoidance of doubt, in circumstances described at regulation 73(1)(c) of The Public Contracts Regulations 2015 (S.I.2015/102). In the event of notice being given by the Authority in accordance with this Clause, the Authority shall, at any time before the expiration of such notice, be entitled to direct Project Co, where the Works (or any part or parts of the Works) or any Service (or any elements of any Service) have
not been commenced, to refrain from commencing any such Works or Services (or to procure the same).

43 TERMINATION FOR PERSISTENT BREACH BY PROJECT CO

43.1 If an Information Breach, or any other breach, other than any breach for which Deductions could have been made has continued for more than fourteen (14) days or occurred more than three (3) times in any six (6) month period then the Authority may serve a notice on Project Co:

43.1.1 specifying that it is a formal warning notice;

43.1.2 giving reasonable details of the breach; and

43.1.3 stating that such breach is a breach which, if it recurs frequently or continues, may result in a termination of this Agreement.

43.2 If, following service of such a warning notice, the breach specified has continued beyond thirty (30) days or recurred in three (3) or more months within the six (6) month period after the date of service, then the Authority may serve another notice on Project Co:

43.2.1 specifying that it is a final warning notice;

43.2.2 stating that the breach specified has been the subject of a warning notice served within the twelve (12) month period prior to the date of service of the final warning notice; and

43.2.3 stating that if such breach continues for more than fourteen (14) days or recurs in three (3) or more months within the six (6) month period after the date of service of the final warning notice, the Agreement may be terminated.

43.3 A warning notice may not be served in respect of any breach which has previously been counted in the making of a separate warning notice.

43.4 Once a termination notice is served for a Persistent Breach, Project Co should not be entitled to any further rectification period, although the provisions of the Funders' Direct Agreement will still apply.

44 EXPIRY

This Agreement shall terminate automatically on the Expiry Date unless it shall have been terminated earlier in accordance with the provisions of this Agreement. To avoid doubt, Project Co shall not be entitled to any compensation for termination of this Agreement on the Expiry Date.
45.1 The term "Prohibited Act" means:

45.1.1 offering, giving or agreeing to give to the Authority or any other public body or to any person employed by or on behalf of the Authority or any other public body any gift or consideration of any kind as an inducement or reward:

(a) for doing or not doing (or for having done or not having done) any act in relation to the obtaining or performance of this Agreement or any other agreement with the Authority or any other public body; or

(b) for showing or not showing favour or disfavour to any person in relation to this Agreement or any other agreement with the Authority or any other public body;

45.1.2 entering into this Agreement or any other agreement with the Authority or any other public body in connection with which commission has been paid or has been agreed to be paid by Project Co or on its behalf, or to its knowledge, unless before the relevant agreement is entered into particulars of any such commission and of the terms and conditions of any such agreement for the payment of such commission have been disclosed in writing to the Authority;

45.1.3 committing any offence:

(a) under the Bribery Act 2010;

(b) under any Law creating offences in respect of fraudulent acts; or

(c) at common law, in respect of fraudulent acts in relation to this Agreement or any other agreement with the Authority or any other public body;

45.1.4 defrauding or attempting to defraud or conspiring to defraud the Authority or any other public body;

45.1.5 committing any breach of the Employment Relations 1999 Act (Blacklists Regulations) 2010 or section 137 of the Trade Union and Labour Relations (Consolidation) Act 1992; or
45.1.6 committing any breach of the Data Protection Act 1998 by unlawfully processing personal data in connection with any blacklisting activities.

Warranty

45.2 Project Co warrants that in entering into this Agreement it has not committed any Prohibited Act.

Remedies

45.3 If Project Co or any Project Co Party (or anyone employed by or acting on behalf of them) commits any Prohibited Act, then the Authority shall be entitled to act in accordance with Clauses 45.3.1 to 45.3.6 below:

45.3.1 if a Prohibited Act is committed by Project Co or by an employee not acting independently of Project Co, then the Authority may terminate this Agreement with immediate effect by giving written notice to Project Co;

45.3.2 if the Prohibited Act is committed by an employee of Project Co acting independently of Project Co, then the Authority may give written notice to Project Co of termination and this Agreement will terminate, unless within twenty (20) Business Days of receipt of such notice Project Co terminates the employee's employment and (if necessary) procures the performance of the relevant part of the Works and/or Services by another person;

45.3.3 if the Prohibited Act is committed by a Contracting Associate or by an employee of that Contracting Associate not acting independently of that Contracting Associate then the Authority may give written notice to Project Co of termination and this Agreement will terminate, unless within twenty (20) Business Days of receipt of such notice Project Co terminates the relevant Sub-Contract and procures the performance of the relevant part of the Works and/or Services by another person, where relevant, in accordance with Clause 58 (Sub-Contracting and Assignment);

45.3.4 if the Prohibited Act is committed by an employee of a Contracting Associate acting independently of that Contracting Associate, then the Authority may give notice to Project Co of termination and this Agreement will terminate, unless within twenty (20) Business Days of receipt of such notice Project Co procures the termination of the employee's employment and (if necessary) procures the performance of the relevant part of the Works and/or Services by another person;

45.3.5 if the Prohibited Act is committed by any other person not specified in Clauses 45.3.1 to 45.3.4 above, then the Authority may give notice to Project Co of termination and this Agreement will terminate unless within twenty (20) Business Days Project Co procures the termination of such person's employment and of the appointment of their employer (where the employer is not the Authority and where such person is not employed
by Project Co or the Contracting Associate) and (if necessary) procures the performance of the relevant part of the Works and/or Services by another person; and

45.3.6 any notice of termination under this Clause shall specify:

(a) the nature of the Prohibited Act;

(b) the identity of the party who the Authority believes has committed the Prohibited Act; and

(c) the date on which this Agreement will terminate in accordance with the applicable provisions of this Clause.

45.4 Without prejudice to its other rights or remedies under this Clause, the Authority shall be entitled to recover from Project Co:

45.4.1 the amount or value of any such gift, consideration or commission; and

45.4.2 any other loss sustained in consequence of any breach of this Clause.

Permitted payments

45.5 Nothing contained in this Clause shall prevent Project Co from paying any proper commission or bonus to its employees within the agreed terms of their employment.

Notification

45.6 Project Co shall notify the Authority of the occurrence (and details) of any Prohibited Act promptly on Project Co becoming aware of its occurrence.

Interim Management

45.7 Where Project Co is required to replace any Sub Contractor pursuant to this Clause, the provisions of Clause 58.5 (Replacement of a non-performing Sub-Contractor) shall apply and be construed accordingly.

46 COMPENSATION ON TERMINATION

46.1 If this Agreement is terminated pursuant to Clause 41 (Termination Resulting from Force Majeure), then the Authority shall pay compensation to Project Co in accordance with Section 3 (Consequence of Termination for Force Majeure) of Schedule 17 (Compensation on Termination)
If this Agreement is terminated pursuant to Clause 40 (Project Co Events of Default), Clause 43 (Termination for Persistent Breach by Project Co) then the Authority shall pay compensation to Project Co in accordance with Section 2 (Compensation on Project Co Default) of Schedule 17 (Compensation on Termination).

If this Agreement is terminated pursuant to Clause 39 (Authority Events of Default), then the Authority shall pay compensation to Project Co in accordance with Section 1 (Compensation on Termination for Authority Default and Voluntary Termination) of Schedule 17 (Compensation on Termination).

If this Agreement is terminated pursuant to Clause 42 (Voluntary Termination), then the Authority shall pay compensation to Project Co in accordance with Section 1 (Compensation on Termination for Authority Default and Voluntary Termination) of Schedule 17 (Compensation on Termination).

Tax equalisation

Where a payment is to be made to Project Co pursuant to Clause 46.1, Clause 46.3 or Clause 46.4 (Compensation on Termination) (a "Compensation Payment") and Project Co has a Relevant Tax Liability in respect of such payment, then the amount of the Compensation Payment to be made by the Authority to Project Co shall be increased so as to ensure that Project Co is in the same position (after account is taken of the Relevant Tax Liability) as it would have been in had it not been for such Relevant Tax Liability.

For the purposes of this Clause 46 (Compensation on Termination):

46.6.1 "Relief" shall mean any relief, allowance or deduction in computing profits or tax or a credit against, or right to repayment of, tax granted by or pursuant to any legislation for tax purposes;

46.6.2 a "Relief derived from the Project" is a Relief which arises in connection with the Project and includes any Relief arising as a consequence of the distribution of any amount obtained in respect of the Project (other than a Compensation Payment) by Project Co (whether by way of interest, dividend or other distribution, repayment, reduction or redemption of capital or indebtedness or return of assets or otherwise); and

46.6.3 Project Co shall be regarded as having a "Relevant Tax Liability" in respect of a Compensation Payment to the extent that:

(a) it has a liability for tax in consequence of or in respect of a Compensation Payment ("Actual Liability"); or

(b) it would have had a liability for tax within paragraph (a) above but for the utilisation of a Relief other than a Relief derived from the Project ("Deemed Liability").
In determining whether Project Co has a Relevant Tax Liability by reason of a Compensation Payment, it should be assumed that any Reliefs derived from the Project which are available to Project Co (or would have been so available but for a surrender by Project Co of such Reliefs by way of group or consortium relief) for offset against the Compensation Payment, or against tax in relation to the same, have been so offset to the maximum extent possible.

Project Co shall keep the Authority fully informed of all negotiations with HM Revenue and Customs in relation to any Relevant Tax Liability in respect of a Compensation Payment. Project Co shall not agree, accept or compromise any claim, issue or dispute relating to such Relevant Tax Liability without the prior written consent of the Authority, which shall not be unreasonably withheld or delayed. The Authority may, if it considers in good faith that such action is justified having regard to the likely costs and benefits, direct Project Co to resist, appeal, defend or otherwise dispute the Relevant Tax Liability in respect of the Compensation Payment, provided that the cost of any such dispute (including any interest or penalties incurred) shall be at the Authority's expense. However, if Project Co obtains professional advice from an independent person with relevant expertise that any resistance, appeal, defence or other mode of dispute is not likely to result in any more beneficial position in relation to the Relevant Tax Liability, Project Co shall be entitled not to continue with such resistance, appeal, defence or other mode of dispute. Where any resistance, appeal, defence or other mode of dispute results in a more beneficial position in relation to the Relevant Tax Liability, an adjustment will be made to the amount payable under Clause 46.5 (Tax equalisation) to reflect such outcome.

Any increase in the amount of a Compensation Payment which is payable under Clause 46.5 (Tax equalisation) shall be paid on the later of five (5) Business Days after a demand therefore (together with evidence in sufficient detail for the Authority to satisfy itself of the Relevant Tax Liability and its calculation) is made by Project Co and:

46.9.1 in the case of an Actual Liability, five (5) Business Days before the date on which the relevant tax must be paid to the tax authority in order to avoid incurring interest and penalties; and

46.9.2 in the case of a Deemed Liability, five (5) Business Days before the date on which tax which would have been payable but for the utilisation of the relevant Relief must be paid in order to avoid incurring interest or penalties (whether by Project Co or otherwise) and, for the purposes of determining when the Relief would otherwise have been utilised, Reliefs shall be regarded as utilised in the order in which they arise.

The Authority shall have the right to pay the amount payable under Clause 46.5 (Tax equalisation) direct to HM Revenue and Customs in satisfaction of the relevant tax due by Project Co.

Rights of Set-Off

To avoid doubt, the Authority's obligations to make any payment of compensation to Project Co pursuant to this Clause are subject to the Authority's rights under Clause 35.6 (Set-Off), save that the Authority agrees not to set-off any amount agreed or determined as due and payable by Project Co to the Authority against
any payment of termination compensation (whether payable as a lump sum or in instalments) under Clauses 46.1, 46.3 or 46.4 (Compensation on Termination), except to the extent that such termination payment exceeds the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as the case may be) at that time.

Full and final settlement

46.12 Subject to the provisions of paragraph 2.1 of Section 4 (General) of Schedule 17 (Compensation on Termination):

46.12.1 any compensation paid pursuant to this Clause shall be in full and final settlement of any claim, demand and/or proceedings of Project Co in relation to any termination of this Agreement and/or any Project Document (and the circumstances leading to such termination) and Project Co shall be excluded from all other rights and remedies in respect of any such termination; and

46.12.2 the compensation payable (if any) pursuant to this Clause 46 (Compensation on Termination) above shall be the sole remedy of Project Co and Project Co shall not have any other right or remedy in respect of such termination.

47 CONSEQUENCES OF TERMINATION

Continued performance

47.1 Subject to any exercise by the Authority of its rights to perform, or to procure a third party to perform, the obligations of Project Co, the parties shall continue to perform their obligations under this Agreement, notwithstanding the giving of any notice of default or notice of termination, until the Termination Date.

Transfer to Authority of Assets, Contracts etc.

47.2 On the service of a notice of termination in accordance with this Agreement for any reason:

47.2.1 if prior to the Actual Completion Date [final Phase Actual Completion Date], in so far as any transfer shall be necessary fully and effectively to transfer property to the Authority, Project Co shall transfer to, and there shall vest in, the Authority, such part of the Works and/or the Facilities as shall have been constructed and such items of the Plant [and [♦]] as shall have been procured by Project Co if the Authority so elects:

47.2.2 all goods and all materials on or near to the Site not yet incorporated in the Works shall remain available to the Authority for the purposes of completing the Works and if the cost of such goods and materials has not been reflected in the payment of any compensation pursuant to
Schedule 17 (Compensation on Termination), subject to the payment by the Authority to Project Co in respect of such goods and materials (determined as between a willing vendor and willing purchaser with any disputes determined pursuant to Clause 57 (Dispute Resolution Procedure));

47.2.3 the construction plant shall remain available to the Authority for the purposes of completing the Works, subject to payment of the Contractor’s reasonable charges;

47.2.4 Project Co shall hand over to, and there shall vest in, the Authority, free from any Encumbrances (other than any created on or by or against the Authority), the Facilities;

47.2.5 if the Authority so elects, Project Co shall procure that any of the Construction Contract, the Service Contracts and/or the Independent Tester Contract shall be novated or assigned to the Authority, provided that where termination occurs under Clause 39 (Authority Events of Default) the consent of the Contractor, the Service Provider or the Independent Tester (as the case may be) shall be required;

47.2.6 Project Co shall, or shall procure that any Contracting Associate shall (as the case may be), offer to sell to the Authority at a fair value (determined as between a willing vendor and willing purchaser, with any disputes as to such fair value being determined pursuant to Schedule 20 (Dispute Resolution Procedure), free from any Encumbrance all or any part of the stocks of material and other assets, road vehicles, spare parts and other moveable property owned by Project Co or any of its Contracting Associates and reasonably required by the Authority in connection with the operation of the Facilities or the provision of the Services;

47.2.7 Project Co shall deliver to the Authority (as far as not already delivered to the Authority) one (1) complete set of:

(a) "as built drawings" showing all alterations made to the Facilities since the commencement of operation of the Facilities; and

(b) maintenance, operation and training manuals for the Facilities;

47.2.8 Project Co shall use all reasonable endeavours to procure that the benefit of all manufacturer’s warranties in respect of mechanical and electrical plant and equipment used or made available by Project Co under this Agreement and included in the Facilities are assigned, or otherwise transferred, to the Authority with full title guarantee; and

47.2.9 Project Co shall deliver to the Authority the records referred to in Clause 38 (Records and Open Book Accounting) except where such documents are required by Law to be retained by Project Co or its Contracting Associates (in which case complete copies shall be delivered to the Authority).
47.3 Project Co shall ensure that provision is made in all contracts of any description whatsoever to ensure that the Authority will be in a position to exercise its rights, and Project Co will be in a position to comply with its obligations, under Clause 47.2 (Transfer to Authority of Assets, Contracts etc.).

Transitional arrangements

47.4 On the termination of this Agreement for any reason, for a reasonable period both before and after any such termination, Project Co shall have the following duties:

47.4.1 Project Co shall co-operate fully with the Authority and any successor providing to the Authority services in the nature of any of the Services or any part of the Services in order to achieve a smooth transfer of the manner in which the Authority obtains services in the nature of the Services and to avoid or mitigate in so far as reasonably practicable any inconvenience or any risk to the health and safety of the employees of the Authority and members of the public;

47.4.2 Project Co shall as soon as practicable remove from the Site all property not acquired by the Authority pursuant to Clause 47.2 (Transfer to Authority of Assets, Contracts etc.) (or not belonging to the Authority or any Authority Party) and if it has not done so within forty (40) Business Days after any notice from the Authority requiring it to do so the Authority may (without being responsible for any loss, damage, costs or expenses) remove and sell any such property and shall hold any proceeds less all costs incurred to the credit of Project Co;

47.4.3 Project Co shall forthwith deliver to the Authority's Representative:

(a) any security passwords, access codes and other keys to the Facilities and the equipment; and

(b) without prejudice to Clause 56 (Intellectual Property), any copyright licences for any computer programmes (or licences to use the same) necessary for the operation of the Facilities (but excluding computer programmes, which have been developed or acquired by a Service Provider for its own use and not solely for the purposes of provision of any of the Services at the Facilities or the assignment or transfer of which is otherwise restricted); and

47.4.4 Project Co shall as soon as practicable vacate the Site and (without prejudice to Schedule 18 (Handback Procedure)) shall leave the Site and the Facilities in a safe, clean and orderly condition.

47.5 If the Authority wishes to conduct a competition prior to the Expiry Date with a view to entering into an agreement for the provision of services (which may or may not be the same as, or similar to, the Services or any of them) following the expiry of this Agreement, Project Co shall co-operate with the Authority fully in such competition process including (without limitation) by:
47.5.1 providing any information which the Authority may reasonably require to conduct such competition but, to avoid doubt, information which is commercially sensitive to Project Co shall not be provided (and, for the purpose of this Clause 47.5.1 commercially sensitive shall mean information which would if disclosed to a competitor of Project Co give that competitor a competitive advantage over Project Co and thereby prejudice the business of Project Co but shall, to avoid doubt, exclude any information to be disclosed in terms of Clause 27 (Employment matters)); and

47.5.2 assisting the Authority by providing all (or any) participants in such competition process with access to the Site and the Facilities.

Continuing Obligations

47.6 Save as otherwise expressly provided in this Agreement or as already taken into account in the calculation of any termination sum or other payment of compensation on termination pursuant to this Agreement:

47.6.1 termination of this Agreement shall be without prejudice to any accrued rights and obligations under this Agreement as at the date of termination; and

47.6.2 termination of this Agreement shall not affect the continuing rights and obligations of Project Co and the Authority under Clauses 10 (The Site), 27 (Employment Matters), 32 (Force Majeure), 35 (Payment), 36 (VAT and Construction Industry Tax Deduction Scheme), 37 (Financial Model), 38 (Records and Open Book Accounting), 41 (Termination Resulting from Force Majeure), 42 (Authority Voluntary Termination), 45 (Corrupt Gifts and Payments), 46 (Compensation on Termination), 47.2 (Transfer to Authority of Assets, Contracts etc.), 47.4 and 47.5 (Transitional Arrangements), 49 (Indemnities), 54 (Insurance), 55 (Exclusions and Limitations on Liability), 56 (Intellectual Property), 57 (Dispute Resolution Procedure), 60 (Mitigation), 62 (Confidentiality), 65 (Notices) and Clause 76 (Governing Law and Jurisdiction) or under any other provision of this Agreement which is expressed to survive termination or which is required to give effect to such termination or the consequences of such termination.

48 HANDBACK PROCEDURE

The provisions of Schedule 18 (Handback Procedure) shall apply to the handback of the Facilities to the Authority on expiry of this Agreement.

49.1.4 any loss of or damage to property or assets of any third party arising by reason of any act or omission of Project Co or any Project Co Party, save to the extent that such loss or damage arises out of the breach of any express provision of this Agreement by the Authority or any Authority Party or any deliberate or negligent act or omission of the Authority or any Authority Party.

Authority indemnities to Project Co

49.2 The Authority shall indemnify and keep Project Co indemnified at all times from and against all Direct Losses sustained by Project Co in consequence of:

49.2.1 any claim for, or in respect of, the death and/or personal injury of any employee of, or person engaged by, the Authority or any Authority Party notwithstanding any act or omission of Project Co or any Project Co Party;

(b) in respect of a matter which is a Compensation Event; or

(c) in respect of malicious damage.

Conduct of claims

49.3 This Clause 49.3 (Conduct of Claims) shall apply to the conduct, by a party from whom an indemnity is sought under this Agreement, of claims made by a third person against a party having (or claiming to have) the benefit of the indemnity. The party having, or claiming to have, the benefit of the indemnity is referred to as the “Beneficiary” and the party giving the indemnity is referred to as the “Indemnifier”. Accordingly:

49.3.1 if the Beneficiary receives any notice, demand, letter or other document concerning any claim for which it appears that the Beneficiary is, or may become, entitled to indemnification under this Agreement, the Beneficiary shall give notice in writing to the Indemnifier as soon as

49.3.2 subject to Clauses 49.3.3, 49.3.4 and 49.3.5 below, on the giving of a notice by the Beneficiary pursuant to Clause 49.3.1 above, where it appears that the Beneficiary is or may be entitled to indemnification from the Indemnifier in respect of all (but not part only) of the liability arising out of the claim, the Indemnifier shall (subject to providing the Beneficiary with an indemnity to its reasonable satisfaction against all costs and expenses that it may incur by reason of such action) be entitled to dispute the claim in the name of the Beneficiary at the Indemnifier's own expense and take conduct of any defence, dispute, compromise, or appeal of the claim and of any incidental negotiations. (a) the Indemnifier shall keep the Beneficiary fully informed and consult with it about material elements of the conduct of the claim;

(b) the Indemnifier shall not bring the name of the Beneficiary into disrepute; and

(c) the Indemnifier shall not pay or settle such claims without the prior consent of the Beneficiary, such consent not to be unreasonably withheld or delayed;

49.3.4 the Beneficiary shall be free to pay or settle any claim on such terms as it thinks fit and without prejudice to its rights and remedies under this Agreement if:

(a) the Indemnifier is not entitled to take conduct of the claim in accordance with Clause 49.3.2 above; or

(b) the Indemnifier fails to notify the Beneficiary of its intention to take conduct of the relevant claim within twenty (20) Business Days of the notice from the Beneficiary under Clause 49.3.1 above or notifies the Beneficiary that it does not intend to take conduct of the claim; or

(c) the Indemnifier fails to comply in any material respect with the provisions of Clause 49.3.3 above;

49.3.5 the Beneficiary shall be free at any time to give notice to the Indemnifier that it is retaining or taking over (as the case may be) the conduct of any
defence, dispute, compromise or appeal of any claim (or of any incidental negotiations) to which Clause 49.3.2 above applies. On receipt of such notice the Indemnifier shall promptly take all steps necessary to transfer the conduct of such claim to the Beneficiary, and shall provide to the Beneficiary all reasonable cooperation, access and assistance for the purposes of considering and resisting such claim. If the Beneficiary gives any notice pursuant to this Clause 49.3.5, then the Indemnifier shall be released from any liability under its indemnity under Clause 49.1 (Project Co Indemnities to Authority) or Clause 49.2 (Authority Indemnities to Project Co) (as the case may be) and, without prejudice to any accrued liabilities, any liability under its indemnity given pursuant to Clause 49.3.2 in respect of such claim;

49.3.6 if the Indemnifier pays to the Beneficiary an amount in respect of an indemnity and the Beneficiary subsequently recovers (whether by payment, discount, credit, saving, relief or other benefit or otherwise) a sum which is directly referable to the fact, matter, event or circumstances giving rise to the claim under the indemnity, the Beneficiary shall forthwith repay to the Indemnifier whichever is the lesser of:

(a) an amount equal to the sum recovered (or the value of the saving or benefit obtained) less any out of pocket costs and expenses properly incurred by the Beneficiary in recovering the same; and

(b) the amount paid to the Beneficiary by the Indemnifier in respect of the claim under the relevant indemnity,

49.3.7 provided that there shall be no obligation on the Beneficiary to pursue such recovery and that the Indemnifier is repaid only to the extent that the amount of such recovery aggregated with any sum recovered from the Indemnifier exceeds any loss sustained by the Beneficiary (including for this purpose indirect or consequential losses or claims for loss of profits which are excluded by this Agreement from being recovered from the Indemnifier); and

49.3.8 any person taking any of the steps contemplated by Clauses 49.3.1 to 49.3.5 shall comply with the requirements of any insurer who may have an obligation to provide an indemnity in respect of any liability arising under this Agreement.

Mitigation – indemnity claims

49.4 To avoid doubt the provisions of Clause 60 (Mitigation) apply to any indemnity given under this Agreement and any such indemnity shall not apply to the extent that such part or parts of Direct Losses could have been reduced or avoided by the Beneficiary complying with the provisions of such Clause 60 (Mitigation).
MALICIOUS DAMAGE

50.1 Remit of Clause

This Clause 50 (Malicious Damage) specifies the respective obligations of the parties in relation to malicious damage to the Facilities during the Operational Term.

50.2 Notification

50.2.1 As soon as possible after a Service Event has been notified to the Helpdesk or after Project Co has itself or by a Service Provider become aware of a Service Event, if it considers that the Service Event was caused by malicious damage by a person other than a Project Co Party, Project Co must verbally inform the Helpdesk and the [Authority's Representative] (a "Malicious Damage Report"). Where it is reasonably practicable for it to do so without prejudicing its ability to achieve Rectification of the Service Event within the Rectification Period and subject to any immediate steps that it requires to take to make the Facilities safe, it must allow the [Authority's Representative] an opportunity to inspect the evidence it relies on to support its claim that malicious damage caused the Service Event concerned before carrying out Rectification and, where this is not reasonably practicable, Project Co must take reasonable steps to preserve or record in a suitable manner any such evidence and forthwith make that record available to the Authority.

50.2.2 Provided Project Co has complied with the requirements of Clause 50.2.1, unless within [[*] hours] of receipt of a Malicious Damage Report or within [[*] hours] of the start of the next Core Times where the Malicious Damage Report is made outside Core Times, or, if applicable, within [one (1)] Business Day of receipt of the evidence or record of the alleged malicious damage concerned the [Authority's Representative] notifies Project Co that he agrees that the Service Event referred to in the relevant Malicious Damage Report was caused by malicious damage by a person other than a Project Co Party, the [Authority's Representative] will be deemed to have disagreed that the Service Event concerned was caused by malicious damage by a person other than a Project Co Party.

50.3 Rectification of Malicious Damage

50.3.1 In relation to any Service Event referred to in a Malicious Damage Report, Project Co shall always take such steps as are necessary in accordance with its obligations under this Agreement to make the Facilities safe.

50.3.2 If the [Authority's Representative] agrees in accordance with Clause 50.2 (Notification) that a Service Event was caused by malicious damage by a person other than a Project Co Party, except when Clause 50.3 (Rectification of Malicious Damage) applies, Project Co shall not Rectify
the Service Event beyond what is required by Clause 50.3.1 unless instructed by the Authority to do so as an Authority Change under Schedule 16 (Change Protocol).

50.3.3 If, in the reasonable opinion of Project Co, the Service Event referred to in a Malicious Damage Report, if not Rectified, will or is likely to result in the costs of performing the Services and in particular the costs of Maintenance Works and Lifecycle Replacement being materially increased, it may notify the [Authority's Representative] to that effect and shall be entitled to proceed with Rectification in accordance with its obligations under this Agreement.

50.3.4 If the [Authority's Representative] does not agree accordance with Clause 50.2 (Notification) that the Service Event referred to in a Malicious Damage Report was caused by malicious damage by a person other than a Project Co Party, Project Co shall be entitled to proceed with Rectification in accordance with its obligations under this Agreement.

50.4 Costs of rectifying malicious damage

Project Co will be entitled to include all reasonable costs incurred with any Service Provider or third party:

50.4.1 to make the Facilities safe pursuant to Clause 50.3.1 if it is agreed by the Authority or subsequently determined under the Dispute Resolution Procedure that the Service Event was caused by malicious damage by a person other than a Project Co Party; or

50.4.2 to carry out Rectification pursuant to Clause 50.3.3; or

50.4.3 to carry out Rectification pursuant to Clause 50.3.4 if it is subsequently determined under the Dispute Resolution Procedure that the Service Event was caused by malicious damage by a person other than a Project Co Party,

in a Monthly Invoice in accordance with Clause 35.2.1(c). In deciding what a reasonable cost is, regard may be had to prices and rates in the Catalogue (as defined in Schedule 16 (Change Protocol)).

50.5 Project Co to Provide Information

Project Co must provide the Authority with such information as the Authority reasonably requests for the purpose of making claims for losses due to malicious damage, under the Operational Insurances.

50.6 Disputes
Any dispute under this Clause 50.6 (Disputes) shall be determined under the Dispute Resolution Procedure.

51 TAX ON INDEMNITY PAYMENTS

If any payment by one party under an indemnity in this Agreement is subject to income tax or corporation tax (or any tax replacing them) in the hands of the recipient, the recipient may demand in writing to the party making the payment that the payment shall be increased by such amount as would ensure that, after taking into account any such tax payable in respect of such additional amount, the recipient receives and retains a net sum equal to the amount it would have otherwise received had the payment not been subject to such tax. In relation to any such additional amount payable to Project Co, Project Co and the Authority shall have the same rights and obligations as would apply to a Relevant Tax Liability under Clause 46.6.3 and Clauses 46.5 to 46.10 (Tax equalisation) (inclusive) shall apply mutatis mutandis to the payment of the additional amount. The party making the payment shall pay such additional amount within ten (10) Business Days of receipt of such demand.

52 EXCUSING CAUSES

52.1 If an Excusing Cause interferes adversely with, or causes or contributes to a failure of, the performance of the Project Operations by Project Co and/or causes or contributes to the occurrence of an Availability Failure and/or a Performance Failure and provided that the effect of such Excusing Cause is claimed within ten (10) Business Days of the date on which Project Co became aware (or ought reasonably to have become so aware) of the occurrence of the Excusing Cause, then (subject to Clauses 52.3 (Insured Exposure) and 52.4 (Mitigation of Excusing Causes)) to the extent such failure or interference or occurrence of an Availability Failure and/or a Performance Failure arises as a result of such Excusing Cause:

52.1.1 such failure by Project Co to perform or interference or occurrence, and any poor performance of, any affected Service shall not constitute a breach of the provisions of this Agreement by Project Co;

52.1.2 such failure by Project Co to perform or interference or occurrence shall not be taken account of in measuring the performance of any affected Service in accordance with the Service Level Specification, which shall be operated as though the relevant Service had been performed free from such adverse interference; and

52.1.3 any such Availability Failure and/or Performance Failure shall be deemed not to have occurred,

so that Project Co shall be entitled to payment under this Agreement as if there had been no such interference with, or failure in the performance of, the Project Operations and no such occurrence of an Availability Failure and/or Performance Failure.

52.2 For the purpose of Clause 52 (Excusing Causes), an Excusing Cause means:

37 Refer to Health and Education Sector Specific Guidance in the User Guide, if applicable.
52.2.1 any breach of any express provision of this Agreement by the Authority or any Authority Party (unless, and to the extent, caused or contributed to by Project Co or any Project Co Party);

52.2.2 any deliberate act or omission of the Authority or of any Authority Party or any failure by the Authority or Authority Party (having regard always to the interactive nature of the activities of the Authority and of Project Co) to take reasonable steps to carry out its activities in a manner which minimises undue interference with Project Co’s performance of the Project Operations, save where (and to the extent):

(a) caused or contributed to by Project Co or any Project Co Party;

(b) the Authority or Authority Party is acting in accordance with a recommendation or instruction of Project Co or any Project Co Party;

(c) any such act or omission giving rise to such failure was within the contemplation of the parties or was otherwise provided for in this Agreement;

(d) the consequences of any such deliberate act or omission or other acts or omissions giving rise to such failure would have been prevented by the proper performance of Project Co’s obligations under this Agreement; or

(e) [the same arises from an act of the Authority or an Authority Party compliant with the Contractor’s Site Rules and other requirements of the Contractor as referred to in Clause 13.1 (Access to Site) or 17.9 (Commissioning prior to Completion Date);]

52.2.3 the implementation of any action taken by the Authority or any Authority Party, or any suspension of Project Co’s obligation to deliver any or any part of the Services or the compliance by Project Co with instructions given by the Authority, in each case in the circumstances referred to in Clauses 26.6 to 26.9 (Authority’s remedial rights) (inclusive);

52.2.4 the carrying out of any Low Value Change in accordance with the terms of this Agreement during the period of time agreed between the Authority and Project Co;

52.2.5 the carrying out of planned preventative maintenance in accordance with the Schedule of Programmed Maintenance; or

52.2.6 the occurrence of a Service Event that the [Authority's Representative] has agreed pursuant to Clause 50.3.2 or that it has been determined pursuant to the Dispute Resolution Procedure has been caused by malicious damage by a person other than a Project Co Party, but only
until such time as either (i) the Authority has instructed Project Co to Rectify the Service Event as an Authority Change and the time period for implementation of such Authority Change has expired or (ii) Project Co has Rectified the Service Event pursuant to Clause 50.3.3; [or]

52.2.7 [the occurrence of a matter referred to in Clause 10.4 (Responsibility for Ground Conditions and Contamination) during the Operational Term][.]

Insured exposure

52.3 Without prejudice to Clause 54 (Insurance), Project Co shall not be entitled to any payment which would not have been due under this Agreement but for Clause 52 (Excusing Causes) to the extent that Project Co is or should be able to recover under any policy of insurance required to be maintained by Project Co or any Project Co Party in accordance with this Agreement (whether or not such insurance has in fact been effected or, if effected, has been vitiated as a result of any act or omission of Project Co (or any Project Co Party), including but not limited to non-disclosure or under insurance) or any other policy of insurance which Project Co has taken out and maintained.

Mitigation of Excusing Cause

52.4 Project Co shall take all reasonable steps to mitigate the consequences of an Excusing Cause on Project Co’s ability to perform its obligations under this Agreement. To the extent that Project Co does not take such steps, Project Co shall not be entitled to, and shall not receive, the relief specified in Clause 52.1 (Excusing Causes).

52.5 To avoid doubt, Clause 52.2.2 shall not impose a general obligation on the Authority to take (or to procure that any Authority Party takes) such steps and shall apply (and be construed) solely for the purpose of establishing whether an Excusing Cause has occurred.

53 WARRANTIES

53.1 Tax Compliance

53.1.1 Project Co represents and warrants to the Authority that at the date of this Agreement, it has notified the Authority in writing of any Occasions of Tax Non-Compliance and any litigation in connection with any Occasions of Tax Non-Compliance that it or, so far as it is aware having made reasonable enquiries, any of the Shareholders (other than [♦] 38) is involved in.

38 Reference to be made to the Welsh Government shareholder entity, under the Shareholders’ Agreement.
53.1.2 If at any time an Occasion of Tax Non-Compliance occurs in relation to it or any Shareholder other than [♦] (a "Non-Compliant Shareholder"), Project Co shall:

(a) notify the Authority in writing of such fact within five (5) Business Days of it becoming aware of that occurrence; and

(b) provide to the Authority:

(i) promptly, and in any event within twenty (20) Business Days of its becoming aware of that occurrence, details of the steps which it, or as the case may be, the Non-Compliant Shareholder is taking to address the Occasion of Tax Non-Compliance and to prevent the same from recurring, together with any mitigating factors that it considers relevant (together 'Proposed Mitigating Measures'); and

(ii) such other information in relation to the Occasion of Tax Non-Compliance as the Authority may reasonably require within five (5) Business Days of receipt of notice from the Authority to do so.

53.1.3 The Authority will notify Project Co in writing if the Proposed Mitigating Measures are acceptable to it, in its reasonable opinion, within fifteen (15) Business Days of receipt of all information required to be provided in accordance with Clause 53.1.2.

53.1.4 Where the Authority notified Project Co that the Proposed Mitigating Measures are not acceptable, the Authority may, in that notice, request that Project Co provides details of further measures it, or as the case may be, the Non-Compliant Shareholder, would take to prevent the same from recurring, together with any further mitigating factors that it considers relevant. Within twenty (20) Business Days of receipt of a notice from the Authority requesting further measures, Project Co will either provide details of the further measures it, or as the case may be, the Non-Compliant Shareholder, is willing to take or notify the Authority that it is not willing to take further measures. The Authority will consider any further measures proposed by Project Co and notify Project Co within fifteen (15) Business Days if those further measures, taken together with the Proposed Mitigating Measures, are acceptable to the Authority acting reasonably.

53.1.5 If:

(a) the warranty by Project Co contained in Clause 53.1.1 is untrue and Proposed Mitigating Measures are not agreed in accordance with Clauses 53.1.2 to 53.1.4 (inclusive); and/or

(b) Project Co commits a material breach of its obligation to notify the Authority of any Occasion of Tax Non-Compliance and/or Project Co fails to provide details of Proposed Mitigating Measures each as required by Clause 53.1.2; and/or

(c) the Authority otherwise becomes aware that an Occasion of Tax Non-Compliance has occurred in relation to Project Co or a Shareholder (other than [♦]) and Project Co fails to provide

40 Reference to be made to the Welsh Government shareholder entity, under the Shareholders’ Agreement.
details of Proposed Mitigating Measures within twenty (20) Business Days of its being required by the Authority to do so; and/or

(d) the Authority notifies Project Co under Clause 53.1.4 that the Proposed Mitigating Measures are not acceptable and, if Project Co is requested to provide details of further measures pursuant to Clause 53.1.4 the further measures (if any) are not acceptable to the Authority, in its reasonable opinion and the Authority notifies Project Co to that effect; and/or

(e) in any such case Project Co fails to implement, or procure the implementation by a Non-Compliant Shareholder of, any Proposed Mitigating Measures agreed to by the Authority in any material respect (including as to timetable),

then the Authority shall be entitled to give to Project Co:

(i) where the Occasion of Tax Non-Compliance has occurred in relation to Project Co, a notice under Clause 40.3.4 (Authority’s Options); and

(ii) where the Occasion of Tax Non-Compliance has occurred in relation to a Shareholder, a notice under Clause 53.1.6 (Shareholder Tax Non-Compliance Notice).

53.1.6 Where the Occasion of Tax Non-Compliance applies to a Non-Compliant Shareholder, the Authority may by written notice (a "Shareholder Tax Non-compliance Notice") require that the Non Compliant Shareholder transfers all its shares and Shareholder loan notes in Project Co or Hold Co to a person who is not a Restricted Person within one hundred and eighty (180) days commencing on the date the Shareholder Tax Non-compliance Notice is served. If the Non Compliant Shareholder does not effect such transfer of shares and Shareholder loan notes in Project Co or Hold Co to a person who is not a Restricted Person within such one hundred and eighty (180) day period (or such longer period as may be agreed by the Authority in its absolute discretion) then the Authority will be entitled to give a notice to Project Co under Clause 40.3.4 (Authority’s Options).

If Project Co fails to implement, or procure the implementation by a Non-Compliant Shareholder of, any Proposed Mitigating Measures agreed to by the Authority in any material respect (including as to timetable) following an Occasion of Tax Non-Compliance which applies to a Non-Compliant Shareholder, the Authority may by written notice (a "Shareholder Tax Mitigation Measures Non-Compliance Notice") require that the Non-Compliant Shareholder transfers all its shares and Shareholder loan notes in Project Co or Hold Co to a person who is not an Restricted Person within ninety (90) days commencing on the date the Shareholder Tax Mitigation Measures Non-Compliance Notice is served. If the Non-Compliant Shareholder does not effect such transfer of shares and Shareholder loan notes to a person who is not an Restricted Person within such ninety (90) day period (or such longer period as may be agreed by the Authority in its absolute discretion) then the Authority will be entitled to give a notice to Project Co under Clause 40.3.4 (Authority’s Options).
Project Co Insurances

54.1 Project Co shall procure that the Insurances, details of which are set out in Section 1 (Policies to be taken out by Project Co and maintained during the Design and Construction Phase) of Schedule 15 (Insurance Requirements), are taken out prior to the commencement of the Works and are maintained for the periods specified in Section 1 (Policies to be taken out by Project Co and maintained during the Design and Construction Phase) of Schedule 15 (Insurance Requirements).

54.2 Project Co shall procure that the Insurances, details of which are set out in Section 2 (Policies to be taken out by Project Co and maintained from the Actual Completion Date) of Schedule 15 (Insurance Requirements), are taken out from the [relevant Phase Actual Completion Date] and are maintained for the periods specified in Section 2 (Policies to be taken out by Project Co and maintained from the Actual Completion Date) of Schedule 15 (Insurance Requirements).

54.3 Without prejudice to the other provisions of this Clause 54 (Insurance), Project Co shall, at all relevant times, at its own cost, effect and maintain in full force those insurances which it is required to effect by any applicable Law.

54.4 All Insurances referred to in Clauses 54.1 and 54.2 (Project Co Insurances) shall:

54.4.1 be maintained in the names of the parties specified in Schedule 15 (Insurance Requirements) and shall be composite policies of insurance (and not joint) unless stated otherwise in Schedule 15 (Insurance Requirements);

54.4.2 be placed with insurers who are acceptable to the Authority (such acceptance not to be unreasonably withheld or delayed);

54.4.3 in so far as they relate to damage to assets (including the Facilities), cover the same for the full reinstatement value;

54.4.4 comply with the relevant provisions of Section 1 (Policies to be taken out by Project Co and maintained during the Design and Construction Phase) and Section 2 (Policies to be taken out by Project Co and maintained from the Actual Completion Date) of Schedule 15 (Insurance Requirements);

54.4.5 provide for thirty (30) days prior written notice of their cancellation, non-renewal or amendment to be given to the Authority in accordance with Endorsement 1 in Section 3 (Endorsements) of Schedule 15 (Insurance Requirements);
in respect of the Physical Damage Policies provide for payment of any proceeds received by Project Co to be applied in accordance with Clause 54.22 (Reinstatement);

in the case of the Operational Insurances only, be reviewed and renewed in accordance with Section 4 (Insurance Arrangements) of Schedule 15 (Insurance Requirements);

the limit of indemnity and maximum deductible for each of the Operational Insurances shall, where such values are specified as being indexed under Section 2 (Policies to be taken out by Project Co and Maintained from the Actual Completion Date) of Schedule 15 (Insurance Requirements) be indexed provided that the limit of indemnity or maximum deductible (as appropriate) shall only be increased where the indexed sum is equal to or exceeds the next whole insurable amount or deductible (as the case may be) available in the insurance market.

Project Co shall ensure that its brokers give the Authority a letter of undertaking substantially in the form set out in Section 5 (Broker's Letter of Undertaking) of Schedule 15 (Insurance Requirements) at Financial Close and subsequently on the renewal of each of the Insurances.

Subrogation and Vitiation

Project Co shall in respect of the insurances referred to in Clauses 54.1 and 54.2 (Project Co Insurances):

[procure that all policies of insurance to be effected by it pursuant to this Clause shall contain a provision to the effect that the insurers have agreed to waive all rights of subrogation against the Authority (and all Authority Parties other than contractors and sub-contractors) in accordance with Endorsement 2 in Section 3 (Endorsements) of Schedule 15 (Insurance Requirements)]; and

[provide for non-vitiation protection in respect of any claim made by the Authority as co-insured in accordance with Endorsement 2 in Section 3 (Endorsements) of Schedule 15 (Insurance Requirements)];

provided that, to avoid doubt, this Clause 54.6 (Subrogation and Vitiation) shall not by itself prevent Project Co from claiming against the Authority (or any Authority Party) under an express provision of this Agreement for any loss or damage not covered because of the level of deductibles under such insurance permitted by this Agreement or to the extent such loss or damage exceeds the maximum of such insurance required by this Agreement.

Neither party shall take any action or fail to take any reasonable action or (in so far as it is reasonably within its power) permit or allow others to take or fail to take any action (including failure to disclose any fact) as a result of which any of the Insurances may be rendered void, voidable, unenforceable or suspended or
impaired in whole or in part or which may otherwise render any sum paid out under any relevant policy repayable in whole or in part.

Evidence of Project Co Insurance

54.8 Not less than twenty (20) Business Days prior to the amendment or expiry of any relevant insurance policy (other than the expiry of any of the Operational Insurances in respect of which Project Co must comply with the provisions of Section 4 (Insurance Arrangements) of Schedule 15 (Insurance Requirements)), Project Co shall submit to the Authority a request for approval from the Authority of the insurer and the principal terms and conditions of such insurance policy (and any revision to such terms and conditions or change in identity of such insurer), such approval not to be unreasonably withheld or delayed.

54.9 Project Co shall provide to the Authority:

54.9.1 copies on request of all insurance policies referred to in Clauses 54.1 to 54.3 (Project Co Insurances) (together with any other information reasonably requested by the Authority relating to such insurance policies) and the Authority shall be entitled to inspect them during ordinary business hours; and

54.9.2 evidence that the premiums payable under all insurance policies have been paid and that the Insurances are in full force and effect in accordance with the requirements of this Clause 54 (Insurance) and Schedule 15 (Insurance Requirements).

54.10 Renewal certificates or other such evidence of renewal in relation to the Insurances shall be obtained as and when necessary and copies (certified in a manner acceptable to the Authority) shall be forwarded to the Authority as soon as possible but in any event within twenty (20) Business Days of the Renewal Date.

54.11 If Project Co defaults in insuring or continuing to maintain the Insurances, the Authority may insure against any risk in respect of which such default has occurred and recover any premiums from Project Co as a debt provided that if the default occurs during the Operational Term the amount recoverable from Project Co shall be the difference between the premiums had Project Co continued to maintain the Insurances and the premiums paid by the Authority to take out and maintain the Insurances.

Acceptance and compliance

54.12 The supply to the Authority of any draft insurance policy or certificate of insurance or other evidence of compliance with this Clause 54 (Insurance) shall not imply acceptance by the Authority (or the Authority’s Representative) that:

54.12.1 the extent of insurance cover is sufficient and its terms are satisfactory; or
54.12.2 in respect of any risks not insured against, that the same were Uninsurable.

54.13 Neither failure to comply, nor full compliance, with the insurance provisions of this Agreement shall relieve Project Co of its liabilities and obligations under this Agreement.

54.14 **Uninsurable Risks**

54.14.1 If a risk usually covered by [contractors' 'all risks' insurance, property damage insurance, third party liability insurance, delay in start up and business interruption insurance (but not loss of profits) or statutory insurances] in each case required under this Agreement becomes Uninsurable then:

(a) Project Co shall notify the Authority of any risk becoming Uninsurable within five (5) Business Days of becoming aware of the same and in any event at least five (5) Business Days before expiry or cancellation of any existing insurance in respect of that risk; and

(b) if both parties agree, or it is determined in accordance with the Dispute Resolution Procedure that the risk is Uninsurable and that:

(i) the risk being Uninsurable is not caused by the actions of Project Co or any sub-contractor of Project Co (of any tier); and

(ii) Project Co has demonstrated to the Authority that Project Co and a prudent board of directors of a company operating the same or substantially similar businesses in the United Kingdom to that operated by Project Co would in similar circumstances (in the absence of the type of relief envisaged by this Clause) be acting reasonably and in the best interests of the company if they resolved to cease to operate such businesses as a result of that risk becoming Uninsurable, taking into account inter alia (and without limitation) the likelihood of the Uninsurable risk occurring (if it has not already occurred), the financial consequences for such company if such Uninsurable risk did occur (or has occurred) and other mitigants against such consequences which may be available to such company,

the parties shall meet to discuss the means by which the risk should be managed or shared (including considering the issue of self-insurance by either party).
54.14.2 If the requirements of Clause 54.14.1 are satisfied, but the parties cannot agree as to how to manage or share the risk, then:

(a) where such requirements are satisfied in respect of such third party liability insurance the Authority shall (at the Authority's option) either pay to Project Co an amount equal to the amount calculated in accordance with Section 3 (Compensation on Termination for Force Majeure) of Schedule 17 (Compensation on Termination) and this Agreement will terminate, or elect to allow this Agreement to continue and Clause 54.14.2(b) below shall thereafter apply in respect of such risk; and

(b) where such requirements are satisfied in respect of contractors' 'all risks' insurance, property damage insurance, third party liability insurance (if the Authority elects to allow this Agreement to continue in accordance with Clause 54.14.2(a)), delay in start up and business interruption insurance (but not loss of profits) or statutory insurances] this Agreement shall continue and on the occurrence of the risk (but only for as long as such risk remains Uninsurable) the Authority shall (at the Authority's option) either pay to Project Co an amount equal to insurance proceeds that would have been payable had the relevant insurance continued to be available and this Agreement will continue, or an amount equal to the amount calculated in accordance with Section 3 (Compensation on Termination for Force Majeure) of Schedule 17 (Compensation on Termination) plus (in relation to third party liability insurance only) the amount of insurance proceeds that would have been payable whereupon this Agreement will terminate; and

(c) where pursuant to Clauses 54.14.2(a) and/or 54.14.2(b) this Agreement continues then the Annual Service Payment shall be reduced in each year for which the relevant insurance is not maintained by an amount equal to the premium paid (or which would have been paid) by Project Co in respect of the relevant risk in the year prior to it becoming Uninsurable (index linked from the date that the risk becomes Uninsurable) save to the extent that such reduction is otherwise reflected in a reduction in the payments claimed by Project Co pursuant to paragraph 3.1 of Section 6 (Other Costs) of Schedule 14 (Payment Mechanism). Where the risk is Uninsurable for part of a year only the reduction in the Annual Service Payment shall be proportioned to the number of months for which the risk is Uninsurable;

(d) where pursuant to Clauses 54.14.2(a) and/or 54.14.2(b) this Agreement continues Project Co shall approach the insurance market at least every four (4) months to establish whether the risk remains Uninsurable. As soon as Project Co is aware (and, the parties agree or it is determined pursuant to the Dispute Resolution Procedure) that the risk is no longer Uninsurable, Project Co shall take out and maintain or procure the taking out and maintenance of insurance (to be incepted as soon as is reasonably practicable) for such risk in accordance with this Agreement;
in respect of any period between the Authority receiving notification in accordance with Clause 54.14.1(a) that a TPL Risk has become Uninsurable and the Authority's notification to the Project Co in accordance with Clause 54.14.2(a) in respect of such risk then, provided it is ultimately agreed or determined that the requirements of Clause 54.14.1(b) are satisfied in respect of the Uninsurable TPL Risk and subject to Clause 54.14.2(f) below, Clause 54.14.2(b) shall apply in respect of occurrences of the Uninsurable TPL Risk during such period unless the parties otherwise agree how to manage the risk during this period; and

Clause 54.14.2(e) shall only apply provided the Project Co does not unreasonably materially delay (a) agreement and/or determination in accordance with the Dispute Resolution Procedure as to whether the requirements of Clause 54.14.1(b) are satisfied in respect of the Uninsurable TPL Risk and/or (b) meeting with the Authority to discuss the means by which the risk should be managed.

Where this Clause 54.14.2 applies and this Agreement continues, Project Co shall, subject to Clause 54.14.2(c), be relieved of its obligations to maintain insurance in respect of the relevant Uninsurable Risk.

If, pursuant to Clause 54.14.1(b), the Authority elects to make payment of compensation to Project Co (such that this Agreement will terminate)(the "Relevant Payment"), Project Co shall have the option (exercisable in writing within twenty (20) Business Days of the date of such election by the Authority (the "Option Period")) to pay to the Authority on or before the end of the Option Period, an amount equal to the insurance proceeds that would have been payable had the relevant risk not become Uninsurable, in which case this Agreement will continue (and the Relevant Payment will not be made by the Authority), and Project Co's payment shall be applied for the same purpose and in the same manner as insurance proceeds would have been applied had the relevant risk not become Uninsurable.

During the Operational Term, the Authority shall be entitled to notify Project Co that a risk has become Uninsurable under paragraph (b) of the definition of "Uninsurable". Following such notification Clauses 54.14.1(b) to 54.14.3 (except Clause 54.14.1(b)(ii)) shall apply as if Project Co has issued a notice under Clause 54.14.1(a).

54.15 **Unavailability of terms**

54.15.1 If, upon the renewal of any of the Insurances:

(a) any Insurance Term is not available to Project Co in the worldwide insurance market with reputable insurers of good standing; and/or
(b) the insurance premium payable for Insurance incorporating such Insurance Term is such that the Insurance Term is not generally being incorporated in insurance procured in the worldwide insurance market with reputable insurers of good standing by contractors in the United Kingdom, other than, in each case by reason of one or more actions of Project Co and/or any sub-contractor of Project Co (of any tier) then Clause 54.15.2, shall apply.

54.15.2 If it is agreed or determined that Clause 54.15.1 applies then the Authority shall waive Project Co's obligations in Clauses 54.1 to 54.3 and/or Schedule 15 (Insurance Requirements) in respect of that particular Insurance Term and Project Co shall not be considered in breach of its obligations regarding the maintenance of insurance pursuant to this Agreement as a result of the failure to maintain insurance incorporating such Insurance Term for so long as the relevant circumstances described in Clause 54.15.1 continue to apply to such Insurance Term.

54.15.3 To the extent that the parties agree (acting reasonably), or it is determined pursuant to the Dispute Resolution Procedure, that an alternative or replacement term and/or condition of insurance is available to Project Co in the worldwide insurance market with reputable insurers of good standing which if included in the relevant insurance policy would fully or partially address Project Co's inability to maintain or procure the maintenance of insurance with the relevant Insurance Term, at a cost which contractors in the UK are (at such time) generally prepared to pay, Project Co shall maintain or procure the maintenance of insurance including such alternative or replacement term and/or condition.

54.15.4 Project Co shall notify the Authority as soon as reasonably practicable and in any event within five (5) days of becoming aware that Clause 54.15.1(a) and/or Clause 54.15.1(b) are likely to apply or (on expiry of the relevant insurance then in place) do apply in respect of an Insurance Term (irrespective of the reason for the same). During the Operational Term the Authority shall be entitled to notify Project Co that Clause 54.15.1(b) is likely to apply or (on expiry of the relevant insurance then in place) does apply in respect of an Insurance Term (irrespective of the reason for the same). Project Co shall provide the Authority with such information as the Authority reasonably requests regarding the unavailability of the Insurance Term and the parties shall meet to discuss the means by which such unavailability should be managed as soon as is reasonably practicable.

54.15.5 In the event that Clause 54.15.1(a) and/or Clause 54.15.1(b) apply in respect of an Insurance Term, (irrespective of the reasons for the same) Project Co shall approach the insurance market at least every four (4) months to establish whether Clause 54.15.1(a) and/or Clause 54.15.1(b) remain applicable to the Insurance Term. As soon as Project Co is aware that Clause 54.15.1(a) and/or Clause 54.15.1(b) has ceased to apply to the Insurance Term and the parties agree or it is determined pursuant to the Dispute Resolution Procedure, Project Co shall take out and maintain or procure the taking out and maintenance of insurance (to be incepted
as soon as is reasonably practicable) incorporating such Insurance Term in accordance with this Agreement.

Risk Management

54.16 With effect from the date of this Agreement, the Authority and Project Co shall each designate or appoint an insurance and risk manager and notify details of the same to the other party. Such person shall:

54.16.1 be responsible for dealing with all risk management matters on behalf of its appointing or designating party including (without limitation) ensuring compliance by that party with this Clause 54.16 (Risk Management);

54.16.2 advise and report to that party on such matters; and

54.16.3 ensure that any report or survey conducted by any insurer of any relevant procedures in relation to the Project (or where such report or survey cannot be made available, any recommendation or requirement following that survey) is disclosed to the parties.

54.17 Without prejudice to the provisions of Clause 54.16 (Risk Management), the parties shall notify one another, and in Project Co's case the relevant insurer, of any circumstances which may give rise to a claim of a value equal to or in excess of [♦] pounds (£[♦]) (index linked) under the Insurances within [♦] Business Days of becoming aware of the same (or earlier, if so requested by the terms of the relevant insurance policy). If any insurer disputes any such claim, Project Co shall provide the Authority with full details of any disputed claim and the parties shall liaise with one another to ensure that the relevant claim is preserved or pursued.

Application of Proceeds

54.18 All insurance proceeds received by Project Co under the Physical Damage Policies shall be paid into the Insurance Proceeds Account and shall be applied in accordance with this Agreement and in accordance with the Insurance Proceeds Account Agreement.

54.19 Subject to the provisions of the Funders' Direct Agreement and Clause 54.22 (Reinstatement), Project Co shall apply any proceeds of any policies of Insurance:

54.19.1 in the case of third party legal liability or employers' liability insurance, in satisfaction of the claim, demand, proceeding or liability in respect of which such proceeds are payable; and

54.19.2 in the case of any other insurance other than delay in start up or business interruption insurance, so as to ensure the performance by Project Co of its obligations under this Agreement, including where necessary the reinstatement, restoration or replacement of the Facilities,
assets, materials or goods affected by the event giving rise to the insurance claim and consequent payment of proceeds.

54.20 Where reinstatement monies are required to be released from the Insurance Proceeds Account Project Co shall obtain the Authority’s consent in accordance with the Insurance Proceeds Account Agreement. The Authority shall give its consent (or confirm that it is withholding its consent) to the release of monies from the Insurance Proceeds Account within one (1) Business Day of a request from Project Co (provided that such consent must not be unreasonably withheld).

54.21 If the proceeds of any insurance claim are insufficient to cover the settlement of such claims, Project Co will make good any deficiency forthwith.

54.22 Reinstatement

54.22.1 All insurance proceeds received under any Physical Damage Policy shall be applied to repair, reinstate and replace each part or parts of the Facilities in respect of which the proceeds were received.

54.22.2 Where a claim is made or proceeds of insurance are received or are receivable under any Physical Damage Policy in respect of a single event (or a series of related events) (the “Relevant Incident”) in an amount in excess of [●] pounds (£[●]) (index-linked):

(a) Project Co shall deliver as soon as practicable and in any event within twenty-eight (28) days after the making of the claim a plan prepared by Project Co for the carrying out of the works necessary (the “Reinstatement Works”) to repair, reinstate or replace (the “Reinstatement Plan”) the assets which are the subject of the relevant claim or claims in accordance with Clause 54.22.2(b)(iv) below. The Reinstatement Plan shall set out:

(i) if not the Contractor, the identity of the person proposed to effect the Reinstatement Works, which shall be subject to the prior written approval of the Authority; and

(ii) the proposed terms and timetable or, if not then established, the reasonably anticipated terms and timetable upon which the Reinstatement Works are to be effected (including the date that the Project will become fully operational), the final terms of which shall be subject to the prior written approval of the Authority, which approval shall not be unreasonably delayed;

(b) provided that the Authority is satisfied that the Reinstatement Plan will enable Project Co to comply with Clause 54.22.2(b)(iv) below within a reasonable timescale:
(i) The Reinstatement Plan will be adopted and carried out by Project Co;

(ii) Project Co shall enter into contractual arrangements to effect the Reinstatement Works with the person identified in the Reinstatement Plan approved by the Authority;

(iii) Prior to the earlier to occur of the Termination Date or the Expiry Date, any amounts standing to the credit of the Insurance Proceeds Account (the "Relevant Proceeds") (together with any interest accrued) may be withdrawn by Project Co from the Insurance Proceeds Account as required to enable it to make payments in accordance with the terms of the contractual arrangements referred to in Clause 54.22.2(b)(ii) above, and to meet any other reasonable costs and expenses of Project Co for the sole purposes of funding the Reinstatement Works and the parties shall operate the signatory requirements of the Insurance Proceeds Account in order to give effect to such payments. Following the earlier to occur of the Termination Date and the Expiry Date, the Authority may withdraw amounts standing to the credit of the Insurance Proceeds Account for the purposes of funding any Reinstatement Works;

(iv) The Authority agrees and undertakes that, subject to compliance by Project Co with its obligations under this Clause, and provided that Project Co procures that the Reinstatement Works are carried out and completed in accordance with the contractual arrangements referred to in Clause 54.22.2(b)(ii), it shall not exercise any right which it might otherwise have to terminate this Agreement by virtue of the event which gave rise to the claim for the Relevant Proceeds;

(v) The Authority undertakes to use reasonable endeavours to assist Project Co in the carrying out of the Reinstatement Plan;

(vi) After the Reinstatement Plan has been implemented to the reasonable satisfaction of the Authority and in accordance with Clause 54.22.3 below the Authority shall permit withdrawal by Project Co of any Relevant Proceeds then held in the Insurance Proceeds Account that have not been paid under Clause 54.22.2(b)(iii) above, in respect of the Relevant Incident, together with any interest accrued; and
subject to the provisions of Clause 49.1 (*Project Co Indemnities to Authority*) Project Co shall be solely responsible for the payment of any deficiency.

54.22.3 Where insurance proceeds are to be used, in accordance with this Agreement, to repair, reinstate or replace any Facility, Project Co shall carry out the work in accordance with the Authority's Construction Requirements so that on completion of the work, the provisions of this Agreement are complied with.

54.22.4 If and to the extent that a breach by Project Co of its obligations under Clause 54.22.2(b) leads to a delay in the completion of the Reinstatement Works, any entitlement that Project Co has to relief under Clause 31 (*Relief Events*) shall be suspended.

55 **EXCLUSIONS AND LIMITATIONS ON LIABILITY**

Exclusions

55.1 The indemnities under this Agreement shall not apply and (without prejudice to the Authority's rights under the Payment Mechanism) there shall be no right to claim damages for breach of this Agreement, in tort or on any other basis whatsoever to the extent that any loss claimed by either party is for loss of profits, loss of use, loss of production, loss of business or loss of business opportunity or is a claim for consequential loss or for indirect loss of any nature (“*Indirect Losses*”) suffered or allegedly suffered by either party. The Authority agrees that, notwithstanding the foregoing, any losses of Project Co arising under the Construction Contract and the Service Contracts as originally executed (or as amended in accordance with and subject to Clause 4.1 (*Ancillary Documents*)) which are not Indirect Losses shall not be excluded from such a claim solely by reason of this Clause 55.1 (*Exclusions*).

55.2 The Authority shall not be liable in tort to Project Co or any Project Co Party in respect of any negligent act or omission of the Authority or any Authority Party relating to or in connection with this Agreement and Project Co shall procure that no Project Co Party shall bring such a claim against the Authority. Project Co has accepted this on the basis that it and each Project Co Party will cover the risk of negligent acts or omissions by insurance or in such other manner as it (or they) may think fit.

No Double Recovery

55.3 Subject to:

55.3.1 any other express right of the Authority pursuant to this Agreement; and

55.3.2 the Authority's right to claim, on or after termination of this Agreement, the amount of its reasonable costs, losses, damages and expenses suffered or incurred by it as a result of rectifying or mitigating the effects
of any breach of this Agreement by Project Co save to the extent that the same has already been recovered by the Authority pursuant to this Agreement or has been taken into account to reduce any compensation payable by the Authority pursuant to Clause 46 (Compensation on Termination),

the sole remedy of the Authority in respect of a failure to provide the Services in accordance with this Agreement shall be the operation of the Payment Mechanism.

55.4 Subject to Clause 39 (Authority Events of Default) and any other express right of Project Co pursuant to this Agreement, Project Co's sole remedy in respect of any breach of this Agreement which is a Compensation Event shall be pursuant to Clause 30 (Delay Events).

55.5 Nothing in Clause 55.3 (No Double Recovery) shall prevent or restrict the right of the Authority to seek interdict or a decree of specific implement or other discretionary remedies of the court.

55.6 Notwithstanding any other provision of this Agreement, neither party shall be entitled to recover compensation or make a claim under this Agreement or any other agreement in relation to the Project in respect of any loss that it has incurred (or any failure of the other party) to the extent that it has already been compensated in respect of that loss or failure pursuant to this Agreement or otherwise.

55.7 Neither party shall have the right to terminate this Agreement for breach of contract save as expressly set out in this Agreement.
PART 12: MISCELLANEOUS

INTELLECTUAL PROPERTY

Project Data

56.1 Project Co shall make available to the Authority free of charge (and hereby irrevocably licences the Authority to use) all Project Data that might reasonably be required by the Authority and Project Co shall ensure that it can make the Project Data available to the Authority on these terms, for the purposes of:

56.1.1 the Authority carrying out the Authority Services (and its operations relating to the performance of the Authority Services), its duties under this Agreement and/or any statutory duties that the Authority may have; and

56.1.2 following termination of this Agreement, the design or construction of the Facilities, the operation, maintenance or improvement of the Facilities and/or the carrying out of operations the same as, or similar to, the Project Operations,

(together the "Approved Purposes") and in this Clause "use" shall include the acts of copying, modifying, adapting and translating the material in question and/or incorporating them with other materials and the term "the right to use" shall be construed accordingly.

Intellectual Property Rights

56.2 Project Co:

56.2.1 hereby grants to the Authority, free of charge, an irrevocable, non-exclusive and transferable (but only to any assignee or transferee of any rights or benefits under this Agreement or upon or at any time following termination of this Agreement) licence (carrying the right to grant sublicences) to use the Intellectual Property Rights which are or become vested in Project Co; and

56.2.2 shall, where any Intellectual Property Rights are or become vested in a third party, use all reasonable endeavours to procure the grant of a like licence to that referred to in Clause 56.2.1 above to the Authority,

in both cases, solely for the Approved Purposes.

Project Co shall use all reasonable endeavours to ensure that any Intellectual Property Rights created, brought into existence or acquired during the term of this Agreement vest, and remain vested throughout the term of this Agreement, in Project Co and Project Co shall enter into appropriate agreements with any Project
Co Party (or other third parties) that may create or bring into existence, or from which it may acquire, any Intellectual Property Rights.

**Maintenance of data**

56.3 To the extent that any of the data, materials and documents referred to in this Clause are generated by or maintained on a computer or similar system, Project Co shall use all reasonable endeavours to procure for the benefit of the Authority, at no charge or at the lowest reasonable fee, the grant of a licence or sub-licence for any relevant software to enable the Authority or its nominee to access and otherwise use (subject to the payment by the Authority of the relevant fee, if any) such data for such purposes as the Authority may at its sole discretion require. As an alternative, Project Co may provide such data, materials or documents in a format which may be read by software generally available in the market at the relevant time or in hard copy format.

56.4 Project Co shall ensure the back-up and storage in safe custody of the data, materials and documents referred to in Clause 56.3 (Maintenance of data) in accordance with Good Industry Practice. Without prejudice to this obligation, Project Co shall submit to the Authority's Representative for approval its proposals for the back-up and storage in safe custody of such data, materials and documents and the Authority shall be entitled to object if the same is not in accordance with Good Industry Practice. Project Co shall comply, and shall cause all Project Co Parties to comply, with all procedures to which the Authority's Representative has given its approval. Project Co may vary its procedures for such back-up and storage subject to submitting its proposals for change to the Authority's Representative, who shall be entitled to object on the basis set out above.

**Claims**

56.5 Where a claim or proceeding is made or brought against the Authority which arises out of the infringement of any rights in or to any Intellectual Property (other than any Disclosed Data) or because the use of any materials, Plant, machinery or equipment in connection with the Project Operations infringes any rights in or to any Intellectual Property of a third party then, unless such infringement has arisen out of the use of any Intellectual Property by or on behalf of the Authority otherwise than in accordance with the terms of this Agreement, Project Co shall indemnify the Authority at all times from and against all such claims and proceedings and the provisions of Clause 49.3 (Conduct of Claims) shall apply.

**DISPUTE RESOLUTION PROCEDURE**

Except where expressly provided otherwise in this Agreement, any dispute arising out of or in connection with this Agreement shall be resolved in accordance with the procedure set out in Schedule 20 (Dispute Resolution Procedure).

**SUB-CONTRACTING AND ASSIGNMENT**

Sub-contractors
58.1 Project Co shall, without prejudice to Clause 58.8 (Assignment), procure that none of the persons listed below shall sub-contract all (or substantially all) of their obligations under or in the agreement set out next to its name:

<table>
<thead>
<tr>
<th>Person</th>
<th>Contract</th>
</tr>
</thead>
<tbody>
<tr>
<td>Contractor</td>
<td>Construction Contract</td>
</tr>
<tr>
<td>Service Provider</td>
<td>Service Contract</td>
</tr>
</tbody>
</table>

without, in each case, the prior written consent of the Authority (such consent not to be unreasonably withheld or delayed). To avoid doubt, (i) any failure to comply with Clause 58.3 (Sub-contractors) shall be a reasonable ground for withholding consent and (ii) consent shall, without prejudice to the other provisions of Clause 58.1 (Sub-contractors), not be required in respect of the appointment of any party currently approved by the Authority as a suitable replacement.

58.2 If the contract set out next to the name of any person referred to in Clause 58.1 (Sub-contractors) shall at any time lapse, terminate or otherwise cease to be in full force and effect (whether by reason of expiry or otherwise), with the effect that such person shall cease to act in relation to the Project, Project Co shall forthwith appoint a replacement (subject to compliance with Clause 58.1 (Sub-contractors)).

58.3 Project Co shall procure that any replacement for any person referred to in Clause 58.1 (Sub-contractors) [or any Key Sub-Contractor] shall enter into a contract upon the same or substantially similar terms as the person so replaced and shall also enter into a collateral agreement on the same or substantially the same terms as the Collateral Agreement entered into by the person so replaced.

58.4 Where Project Co enters into a contract with a sub-contractor for the purposes of carrying out the Project Operations or any part of the Project Operations under this Agreement, Project Co shall cause a term to be included in such contract:

58.4.1 which requires payment to be made to the sub-contractor within a specified period not exceeding thirty (30) days from receipt of a valid invoice as defined by the contract requirements and in the case of the provision of Services provides that, for the purpose of payment alone, where the Authority has made payment to Project Co and the sub-contractor's invoice includes Project Operations in relation to which payment has been made by the Authority then, to the extent that it relates to such Project Operations, the invoice shall be treated as valid and payment shall be made to the sub-contractor without deduction (but without prejudice to any right to deduct or set off validly arising under the terms of the contract with the sub-contractor); and

58.4.2 which notifies the sub-contractor that the contract forms part of a larger contract for the benefit of the Authority and that should the sub-contractor have any difficulty in securing the timely payment of an invoice that matter may be referred by the sub-contractor to the Authority's Representative; and
58.4.3 in the same terms as this Clause 58.4 (Sub-contractors) (including for the avoidance of doubt this Clause 58.4.3) subject only to modification to refer to the correct designation of the equivalent party as the supplier and recipient of the relevant Project Operations as the case may be.

Replacement of a non-performing Sub-Contractor

58.5 On the substitution or replacement of a Service Provider due to a breach or default under a Service Contract, Project Co may elect, subject to Clause 58.7 (Replacement of a non-performing Sub-Contractor) and provided that at the time of making such election no notice of termination has been served under this Agreement, that for the purposes of Clause 40.1.8 (Deductions) and Clause 40.1.9 (Warning Notices) only, all Deductions incurred and Warning Notices served prior to the date of such substitution or replacement shall be disregarded by virtue of Clause 58.6 (Replacement of a non-performing Sub-Contractor) below.

58.6 If Project Co makes an election pursuant to Clause 58.5 (Replacement of a non-performing Sub-Contractor) above then, with effect from the date of substitution or replacement of the Service Provider, all Deductions incurred and Warning Notices served prior to that date shall be disregarded for the purposes of Clause 40.1.8 (Deductions) and Clause 40.1.9 (Warning Notices). For the avoidance of doubt, the Authority shall retain the right to make Deductions in accordance with Schedule 14 (Payment Mechanism) in respect of the Availability Failures and/or Performance Failures to which the Deductions and/or Warning Notices are attributable.

58.7 Project Co shall be entitled to make an election pursuant to Clause 58.5 (Replacement of a non-performing Sub-Contractor) on a maximum of two (2) occasions during the Project Term.

Assignment

58.8 This Agreement and any other agreement in connection with the Project to which both the Authority and Project Co are a party shall be binding on, and shall enure to the benefit of, Project Co and the Authority and their respective statutory successors and permitted transferees and assignees. [In the case of the Authority, its successors shall include any person to whom the Welsh Ministers, in exercising their statutory powers to transfer property, rights and liabilities of the Authority upon the Authority ceasing to exist, transfers the property, rights and obligations of the Authority under this Agreement and such other agreements in connection with the Project to which the Authority and Project Co are both a party.]

58.9 Subject to Clause 58.10 (Assignment), Project Co shall not, without the prior written consent of the Authority, assign, novate, transfer, sub-contract or otherwise dispose of any interest in this Agreement, [the Independent Tester Contract,] the Construction Contract, the Service Contract and [any other contract] entered into by Project Co for the purposes of performing its obligations under this Agreement.

41 Refer to Health and Education Sector Specific Guidance, in the User Guide.
58.10 The provisions of Clause 58.9 (Assignment) do not apply to the grant of any security, in a form approved by the Authority prior to its grant (such approval not to be unreasonably withheld or delayed), for any loan made to Project Co under the Initial Funding Agreements provided that any assignee shall enter into the Funders' Direct Agreement in relation to the exercise of its rights, if the Authority so requires.

59 OWNERSHIP INFORMATION AND CHANGES IN CONTROL

59.1 Project Co represents and warrants to the Authority that at the date of this Agreement the legal and beneficial ownership of Project Co and Hold Co is as set out in Schedule 21 (Project Co Information) and that, other than any security granted to the Senior Funders under the Senior Funding Agreements [and other than any Shareholder pre-emption rights], no arrangements are in place that have or may have or result in any sale, transfer or disposal of any legal, beneficial, equitable or other interest in any or all of the shares in Project Co or Hold Co.

59.2 Project Co shall inform the Authority of any proposed Change in Control in Project Co and/or Hold Co prior to its occurrence, or, if it does not have any prior information, as soon as reasonably practicable (and in any event, within thirty (30) days) of any Change in Control occurring in respect of Project Co and/or Hold Co.

59.3 The Authority may, not more than [twice] in any Contract Year, or at any time when a Project Co Event of Default is outstanding, require Project Co to inform it, as soon as reasonably practicable and in any event within thirty (30) days of receipt of the Authority's request for details, of any Change in Control in respect of Project Co and/or Hold Co.

59.4 Project Co's obligations under Clauses 59.1 and 59.2 (Ownership Information and Changes in Control) above shall, except where a legal transfer of shares has occurred be limited to the extent of Project Co's awareness having made all reasonable enquiry.

59.5 Subject to Clause 59.6 (Ownership Information and Changes in Control), prior to the expiry of a period of twelve (12) months commencing on the [final Phase] Actual Completion Date, no Change in Control in any or all of the shares in Project Co and/or Hold Co shall be permitted without the prior written approval of the Authority. Any Change in Control arising as a consequence of either:

59.5.1 the grant or enforcement of security in favour of the Senior Funders over or in relation to any of the shares of the Project Co, provided that any document conferring security over any shares has been approved by the Authority (such approval not to be unreasonably withheld or delayed);

59.5.2 any transfer by a Shareholder to an [Associate] of such transferor;

59.5.3 any change in beneficial or legal ownership of any shares that are listed on a recognised investment exchange (as defined in section 285 of the Financial Services and Markets Act 2000); or
59.5.4 where the Change of Control arises as a consequence of any change in legal or beneficial ownership of any interest in shares owned at the date of this Agreement by the [♦], shall be disregarded for the purpose of this Clause 59.5 (Ownership Information and Changes in Control) above.

Where Clause 59.5.2 applies and subsequent to any such transfer (the "Original Transfer") the transferee ceases to be an [Associate] of the original transferor, it shall be a breach of this Clause 59.5 (Ownership Information and Changes in Control) if the shares or interests which were the subject of the Original Transfer are not [within twenty (20) Business Days] of the transferee ceasing to be an Associate of the original transferor, transferred to the original transferor or any Associate of such transferor.

59.6 No Change in Control (at any time) in any or all of the shares in Project Co or Hold Co (or any company (other than a public quoted company whose equity securities are listed on a recognised investment exchange, as defined in section 285 of the Financial Services and Markets Act 2000) holding shares in Hold Co, Project Co or in any company (or its shareholders) holding shares in such a company (or its shareholders)) shall be permitted without the prior written approval of the Authority where the person acquiring control is a Restricted Person.

60 MITIGATION

Each of the Authority and Project Co shall at all times take all reasonable steps to minimise and mitigate any loss for which the relevant party is entitled to bring a claim against the other party pursuant to this Agreement.

61 DATA PROTECTION

61.1 For the purpose of the following Clauses, the term "personal data" shall have the meaning given to it in the Data Protection Act 1998.

61.2 Project Co undertakes to the Authority that it shall comply with the obligations of a "data controller" under the provisions of the Seventh Data Protection Principle as set out in Schedule 1 of the Data Protection Act 1998. In addition, Project Co:

61.2.1 warrants that it has, or will have at all material times, (and it shall use best endeavours to procure that all Sub-Contractors (and their agents and sub contractors of any tier have or will have at all material times) the appropriate technical and organisational measures in place against unauthorised or unlawful processing of personal data and against accidental loss or destruction of, or damage to, personal data held or processed by it and that it has taken, or will take at all material times, all

reasonable steps to ensure the reliability of any of its staff which will have access to personal data processed as part of the Project Operations;

61.2.4 undertakes to allow the Authority access to any relevant premises on reasonable notice to inspect its procedures described at Clause 61.2.1 above.

62 CONFIDENTIALITY

62.1 The Authority shall, subject to Clause 62.2 (Confidentiality) be entitled to make the documents and information listed in this Clause 62.1 (Confidentiality) freely available to the public (which may include, without limitation, publication on the Authority’s website):

62.1.1 this Agreement;

62.1.2 the Independent Tester Contract;

62.1.3 the Collateral Agreements;

62.1.4 the Monthly Service Report; and

62.1.5 the Financial Model (as updated from time to time in accordance with this Agreement),

and Project Co acknowledges and agrees that, subject to the exclusion of information referred to in Clause 62.2.2, the provision or publication of the documents and information listed in this Clause 62.1 (Confidentiality) shall not give rise to any liability under the terms of this Agreement or otherwise. The Authority shall notify Project Co in writing not less than ten (10) Business Days prior to any intended provision or publication of information pursuant to this Clause 62.1 (Confidentiality).

62.2
62.2.1 The parties agree that the provisions of this Agreement, the Financial Model and each Ancillary Document shall, subject to Clause 62.2.2 below, not be treated as Confidential Information and may be disclosed without restriction and Project Co acknowledges that the Authority shall, subject to Clause 62.2.2 below, be entitled to make this Agreement and each Ancillary Document available in the public domain.

62.2.2 Clause 62.2.1 above shall not apply to provisions of this Agreement, the Financial Model or an Ancillary Document designated as Commercially Sensitive Information and listed in Schedule 26 (Commercially Sensitive Information) to this Agreement which shall, subject to Clause 62.3 (Permitted Disclosure) be kept confidential for the periods specified in that Schedule 26 (Commercially Sensitive Information).

62.2.3 The parties shall keep confidential all Confidential Information received by one party from the other party relating to this Agreement and Ancillary Documents or the Project and shall use all reasonable endeavours to prevent their employees and agents from making any disclosure to any person of any such Confidential Information.

Permitted Disclosure

62.3 Clauses 62.2.2 and 62.2.3 shall not apply to:

62.3.1 any disclosure of information that is reasonably required by any person engaged in the performance of their obligations under this Agreement for the performance of those obligations;

62.3.2 any matter which a party can demonstrate is already or becomes generally available and in the public domain otherwise than as a result of a breach of this Clause;

62.3.3 any disclosure to enable a determination to be made under Schedule 20 (Dispute Resolution Procedure) or in connection with a dispute between Project Co and any of its subcontractors;

NO LIQUID MARKET

4.1 At any time during the Required Period the Agent may issue a written notice (the "No Liquid Market Notice") to the Authority setting out the reasons why the Agent does not believe that a Liquid Market exists.

4.2 On or before the date falling fourteen (14) Business Days after the date on which a No Liquid Market Notice is received by the Authority, the Authority shall notify the Agent of its opinion as to whether or not a Liquid Market exists. Where the Authority believes that a Liquid Market does exist, such notice shall set out the reasons for the Authority's belief. If the parties do not agree whether or not a Liquid Market exists, then either party may refer the dispute to be determined in accordance with Clause 17 (Disputes) below.

4.3 If the parties agree or it is determined in accordance with Clause 57 (Dispute Resolution Procedure) of the Design Build Finance and Maintain Agreement that no Liquid Market exists, the Design Build Finance and Maintain Agreement shall automatically terminate and the provisions of Clause 4 (No Retendering Procedure) of Section 2 (Compensation for Project Co Default) of Schedule 17 (Compensation on Termination) to the Design Build Finance and Maintain Agreement shall apply.

4.4 If any dispute relating to this Clause 4 (No Liquid Market) is determined pursuant to Clause 17 (Disputes), the Required Period shall be extended by the period of time spent determining such dispute pursuant to Clause 17 (Disputes).

REPRESENTATIVE

5.1 Subject to Clause 5.2 (Representative) and without prejudice to the Agent's rights under the Security Documents, the Agent may give the Authority a Step-In Notice at any time:

5.1.1 during which a Project Co Event of Default or an Enforcement Event is subsisting (whether or not a Termination Notice has been served); or

5.1.2 during the Required Period.

5.2 The Agent shall give the Authority not less than five (5) Business Days prior notice of:

5.2.1 its intention to issue a Step-In Notice; and

---

71 If Senior Funders are taking enforcement action, then there is no objection to there being a right of step-in, although in practice funders may not wish to step in if there is no Project Co Event of Default (and therefore no threat of termination of the Design Build Finance and Maintain Agreement).
5.2.2 the identity of the proposed Appointed Representative.

5.3 On the issue of the Step-In Notice, the Appointed Representative shall assume jointly with Project Co the rights of Project Co under the Authority Project Documents and thereafter, until the end of the Step-In Period the Authority shall deal with the Appointed Representative and not Project Co.

6 STEP-IN PERIOD

6.1 Notwithstanding Clause 3 (No Termination Without Notice) above, the Authority may terminate the Design Build Finance and Maintain Agreement if:

6.1.1 any amount referred to in Clause 3.2.2(a) above has not been paid to the Authority on or before the Step-In Date; or

6.1.2 any amount referred to in Clause 3.2.2(b) above has not been paid on or before the last day of the Required Period;

6.1.3 amounts, of which the Authority was not aware (having made proper enquiry) at the time of the Termination Notice, subsequently become payable and are not discharged on or before the date falling twenty (20) Business Days after the date on which the liability of Project Co for these amounts is notified to the Agent or if later the Step-In Date; or

6.1.4 grounds arise after the Step-In Date in accordance with the terms of the Design Build Finance and Maintain Agreement provided that Deductions and/or Warning Notices that arose pursuant to Schedule 14 (Payment Mechanism) to the Design Build Finance and Maintain Agreement prior to the Step-In Date shall not be taken into account during the Step-In Period but such Deductions and/or Warning Notices (to the extent applicable under the terms of the Design Build Finance and Maintain Agreement) shall be taken into account after the Step-Out Date.

6.2 The Authority shall not terminate the Design Build Finance and Maintain Agreement during the Step-In Period on grounds:

6.2.1 that the Agent has served a Step-In Notice or enforced any Security Document; or

6.2.2 arising prior to the Step-In Date of which the Authority was aware (having made proper enquiry) and whether or not continuing at the Step-In Date unless:
(a) the grounds arose prior to the Actual Completion Date, and the Actual Completion Date does not occur on or before the date twelve (12) months after the date on which the Authority would have been entitled to terminate the Design Build Finance and Maintain Agreement for non-completion of the Works under Clause 40.1.2 (Long stop) of the Design Build Finance and Maintain Agreement; or

(b) the grounds arose after the Actual Completion Date, and neither the Appointed Representative nor Project Co is using all reasonable endeavours (including implementation of any remedial programme) to remedy any breach of the Design Build Finance and Maintain Agreement which:

(i) arose prior to the Step-In Date; and

(ii) is continuing (and capable of remedy); and

(iii) would have entitled the Authority to terminate the Design Build Finance and Maintain Agreement; or

(c) the grounds (whenever they first arose) did not give rise to any right to terminate until after the Step-In Notice; or

6.2.3 arising solely in relation to Project Co

7 STEP-OUT

7.1 The Appointed Representative may at any time during the Step-In Period deliver to the Authority a Step-Out Notice which shall specify the Step-Out Date.

7.2 On expiry of the Step-In Period:

7.2.1 the Appointed Representative will be released from all of its obligations and liabilities to the Authority under the Authority Project Documents arising prior to the end of the Step-In Period and rights of the Appointed Representative against the Authority will be cancelled;[72] and

[72] The effect of this provision is that rights and obligations which are outstanding from the Step-in Period are preserved and will be reflected in the amount of compensation payable by the Authority on early termination of the Design Build Finance and Maintain Agreement. It is not therefore necessary for the Authority to retain rights of action against the Appointed Representative after the end of the Step-in Period.
7.2.2 the Authority shall no longer deal with the Appointed Representative and shall deal with Project Co in connection with the Authority Project Documents.

7.3 Project Co shall continue to be bound by the terms of the Design Build Finance and Maintain Agreement, notwithstanding the occurrence of a Step-In Notice, a Step-In Period, a Step-Out Notice, Step-Out Date, any action by the Agent or Appointed Representative or the Senior Funders and/or any provision of this Agreement.

8 NOVATION

8.1 Subject to Clause 8.2 (Novation), at any time:

8.1.1 after an Enforcement Event has occurred; or

8.1.2 during the Step-In Period,

the Agent may, subject to Clause 8.2 (Novation), on not less than twenty (20) Business Days' prior notice to the Authority and any Appointed Representative, procure the transfer of Project Co's rights and liabilities under the Authority Project Documents to a Suitable Substitute Contractor in accordance with the provisions of Clause 8.4 (Novation).

8.2 The Authority shall notify the Agent as to whether any person to whom the Agent proposes to transfer Project Co's rights and liabilities under the Authority Project Documents is a Suitable Substitute Contractor, on or before the date falling twenty (20) Business Days after the date of receipt from the Agent of all information reasonably required by the Authority to decide whether the proposed transferee is a Suitable Substitute Contractor.

8.3 The Authority shall not unreasonably withhold or delay its decision on whether the proposed transferee is a Suitable Substitute Contractor and it shall, without limitation, be reasonable for the Authority to withhold its consent if there are unremedied breaches under the Authority Project Documents and there is no rectification plan reasonably acceptable to the Authority in respect of the breaches.

8.4 Upon the transfer referred to in Clause 8.1 (Novation) becoming effective:

8.4.1 Project Co, the Appointed Representative and the Authority will be released from their obligations under the Authority Project Documents to each other (the "discharged obligations");

8.4.2 the Suitable Substitute Contractor and the Authority will assume obligations towards each other which differ from the discharged obligations only insofar as they are owed to or assumed by the
Suitable Substitute Contractor instead of Project Co or the Appointed Representative;

8.4.3 the rights of Project Co and the Appointed Representative against the Authority under the Authority Project Documents and vice versa (the "discharged rights") will be cancelled;

8.4.4 the Suitable Substitute Contractor and the Authority will acquire rights against each other which differ from the discharged rights only insofar as they are exercisable by or against the Suitable Substitute Contractor instead of Project Co or the Appointed Representative;

8.4.5 any then subsisting ground for termination of the Design Build Finance and Maintain Agreement by the Authority shall be deemed to have no effect and any subsisting Termination Notice shall be automatically revoked;

8.4.6 the Authority shall enter into a direct agreement with the Suitable Substitute Contractor and a representative of Senior Funders lending to the Suitable Substitute Contractor on substantially the same terms as this Agreement; and

8.4.7 any Deductions and/or Warning Notices that arose pursuant to Schedule 14 (Payment Mechanism) [or due to [unavailability]] prior to that time shall, without prejudice to the rights of the Authority to make financial deductions, not be taken into account in determining whether a Project Co Event of Default has occurred.

9 MISCELLANEOUS

9.1 The Authority shall at Project Co's expense, take whatever action the Agent, an Appointed Representative or a Suitable Substitute Contractor taking a transfer in accordance with Clause 8.1 (Novation) may require for perfecting any transfer or release under Clause 5 (Representative) above, Clause 7 (Step-Out) above and Clause 8 (Novation) above including the execution of any transfer or assignment, and the giving of any notice, order or direction and the making of any registration which, in each case, the Agent or Appointed Representative or Suitable Substitute Contractor reasonably requires.

9.2 The Authority shall not take any action to wind up, appoint an administrator, seek an interim order appointee under paragraph 13(1)(d) of Schedule B1 of the Insolvency Act 1986 (as amended) or sanction a voluntary arrangement (or similar) or take any other similar or analogous step in relation to Project Co.

9.3 Subject to Clause 16 (Survivorship), this Agreement shall remain in effect until the earlier of:
9.3.1 the Final Payment Date;

9.3.2 the date of termination of the Design Build Finance and Maintain Agreement; or

9.3.3 the date of transfer of Project Co's rights and liabilities under the Authority Project Documents to a Suitable Substitute Contractor pursuant to Clause 8.1 (Miscellaneous) above.

9.4 The Agent, in respect of Clauses 9.4.1, 9.4.2 and 9.4.3, and Project Co, in respect of Clause 9.4.4 shall promptly notify the Authority of:

9.4.1 any Enforcement Event and any action taken in connection with such Enforcement Event, any decisions to accelerate the maturity of any amounts owing by Project Co to the Senior Funders under the Senior Funding Agreements and/or any decisions to demand repayment;

9.4.2 the date referred to in Clause 9.3.1 above on or before the date falling twenty (20) Business Days after its occurrence:

9.4.3 the details and amount of any proposed Additional Permitted Borrowing including:

(a) the circumstances giving rise to it and reasons for it; and

(b) the terms on which it will be borrowed;

9.4.4 on the first Business Day of each calendar month during which any Additional Permitted Borrowing is, or may be, subsisting, the amount outstanding under the Senior Funding Agreements (as the same may be amended (whether or not with the approval of the Authority)) and, to the extent it is aware (having made reasonable and proper enquiry):

(a) the amount of any [Distribution] made by Project Co; and

(b) the amount of any credit balance on any account of Project Co.\(^3\)

\(^3\) For a Bond Transaction, 9.4.4 may be replaced by a new clause as follows if the Authority thinks this is appropriate:

(a) on each [Payment Date] during which any Additional Permitted Borrowing is, or may be, subsisting, the amount outstanding under the Senior Funding Agreements and to the extent it is aware (having made reasonable and proper enquiry);

(b) on each [Payment Date] and the first Business Day of each calendar month following a Distribution made by Project Co the amount of any Distribution made; and
9.5 Project Co joins in this Agreement to acknowledge and consent to the arrangements set out and agrees not knowingly to do or omit to do anything that may prevent any party from enforcing its rights under this Agreement.

9.6 For the avoidance of doubt, if there is any conflict or inconsistency between the provisions of this Agreement and the Design Build Finance and Maintain Agreement, the provisions of this Agreement shall prevail.

9.7 Notwithstanding any provision in the Collateral Agreements to the contrary, the Authority agrees that, subject to Clauses 9.8 and 9.9 (Miscellaneous), it will not, in respect of any particular Collateral Agreement, exercise or seek to exercise any of its step-in rights or other rights (other than design, Intellectual Property or similar rights) under such Collateral Agreement until the earliest of:

9.7.1 the Senior Debt Discharge Date; or

9.7.2 the date on which the Agent has given its written consent to such exercise; or

9.7.3 the time when in respect of any such Collateral Agreement either:

(a) the Senior Funders have failed to exercise any corresponding right to such Collateral Agreement under their own Security Documents and the time for exercising such right has ended in accordance with the terms thereof; or

(b) the Agent has confirmed in writing to the Authority (following any request from the Authority for such confirmation, to which the Agent shall be obliged to respond promptly) that it does not intend to exercise any of its rights under the relevant Security Document or that it has no further claim thereunder; or

(c) the Senior Funders have stepped in to or otherwise directly or indirectly taken control over the rights of Project Co under the relevant Sub-Contract (in accordance with their rights under their Security Documents) and then stepped out from, or otherwise relinquished control of such rights under or in connection with such Sub-Contract; or

9.7.4 the date falling [●] months after the date on which the Design Build Finance and Maintain Agreement has been terminated in accordance with its terms and the terms of this Agreement.

(c) on each [Payment Date] and on the first Business Day of each calendar month following five (5) Business Days written notice from the Authority the amount of any credit balance on any account of Project Co.
9.8 In addition to its rights under Clause 9.7 (*Miscellaneous*), where the Design Build Finance and Maintain Agreement has not been terminated but a counterparty has a right to terminate its Sub-Contract for breach by Project Co of the terms of such Sub-Contract the Authority may pay directly, or undertake to make a payment directly to the counterparty concerned, amounts due pursuant to the Sub-Contract and may set off any such sums against any payments payable by the Authority to Project Co under the Design Build Finance and Maintain Agreement so as to satisfy them pro tanto, provided always that the Authority shall not exercise its rights under this Clause 9.8 (*Miscellaneous*) in respect of any particular Sub-Contract in circumstances where the Senior Funders have stepped in to or otherwise directly or indirectly taken control over the relevant Sub-Contract and have not stepped out of it or otherwise relinquished such control unless the Authority reasonably believes that the Senior Funders are not seeking to preserve continuity of service or build obligation (as relevant) under the relevant Sub-Contract with reasonable diligence (or under any equivalent service or build obligation under the Sub-Contract).

9.9 In addition to its rights under Clause 9.7 (*Miscellaneous*), where the Design Build Finance and Maintain Agreement has been terminated, the Authority shall from the Termination Date be able to exercise any of its step-in rights or other rights under or in respect of any of the Collateral Agreements; however notwithstanding the terms of the Collateral Agreements or any other provisions of this Clause 9.9 (*Miscellaneous*), each of the relevant Sub-Contractors (and any guarantors thereof as relevant) shall remain responsible, and be liable, to Project Co in respect of all costs, claims, damages, losses and liabilities which shall have arisen out of or in connection with the relevant Sub-Contracts in respect of the period prior to the Termination Date in relation to which the Agent acting on behalf of Project Co and the Senior Funders shall retain the benefit of all and any rights to all such costs, claims, damages, losses and liabilities.

9.10 Except in accordance with the provisions of Clauses 9.7 to 9.9 (*Miscellaneous*) (inclusive) the Authority shall not, prior to the Senior Debt Discharge Date:

9.10.1 claim, recover, retain or receive (or seek to claim, recover, retain or receive) any amount under the Collateral Agreements;

9.10.2 take any action to wind-up, appoint an administrator, seek an interim order appointee (under paragraph 1.3(1)(d) of Schedule B1 of the Insolvency Act 1986 (as amended)) or sanction a voluntary arrangement (or similar) in relation to any Sub-Contractors; or

9.10.3 save with the prior written consent of the Agent, compete on grounds (whether in whole or in part) relating to the Project (by virtue of a claim under any of the Collateral Agreements, the Design Build Finance and Maintain Agreement or any other Project Document or otherwise) with the rights of the Senior Funders on any formal insolvency of any Sub-Contractor or Project Co, nor claim to be subrogated to the rights of any Senior Funders.
9.11 The Authority agrees and undertakes that if it receives any amount in contravention of the provisions of Clause 9.10 (Miscellaneous) above it will promptly turn the same over to the Agent and pending such payment hold the same on trust for the Agent and the Senior Funders.

9.12 Notwithstanding the terms of the Design Build Finance and Maintain Agreement and Security Documents, the Agent agrees that the Authority may exercise its rights to have transferred to it or its nominee any Unrestricted Assets following the Termination Date and the Agent will not exercise or seek to exercise any enforcement rights and shall on or before the date any Unrestricted Assets are transferred to the Authority or its nominee, as the case may be, release its security over them.

9.13 Notwithstanding the terms of any Senior Funding Agreements, the parties agree and shall, to the extent it is within their power, direct that all insurance proceeds receivable or received by Project Co under the insurances referred to in Clause 54 (Insurance) of the Design Build Finance and Maintain Agreement shall be paid directly into the Insurance Proceeds Account and applied in accordance with the Design Build Finance and Maintain Agreement.

10 ASSIGNMENT

10.1 No party to this Agreement may assign or transfer any part of its rights or obligations under this Agreement save as provided in this Clause 10.1(Assignment).

10.2 The Agent may assign, novate or transfer its rights and obligations under this Agreement and in respect of the Security Documents to a successor Agent in accordance with the Senior Funding Agreements without the consent of the Authority and any such assignment novation or transfer shall not constitute a Change of Control for the purposes of Clause 59.6 of the Design Build Finance and Maintain Agreement. The Authority also agrees that any enforcement by the Agent of the security referred to in Clause 2.4 (Consent to Security) above (and any subsequent transfer of share capital in Project Co) following an Enforcement Event shall not constitute a Project Co Event of Default under Clause 40.1.6 (Change in Control) of the Design Build Finance and Maintain Agreement.

10.3 Any Senior Funder may assign or transfer its rights under the [Senior Funding Agreements] in accordance with the terms of the [Senior Funding Agreements].

1.3 If the Authority's Representative raises comments on any Submitted Item in accordance with paragraph 3 (Grounds for Objection) he shall state the ground upon which such comments are based and the evidence or other information necessary to substantiate that ground. To the extent that the Authority's Representative comments on a Submitted Item other than on the basis set out in this Schedule 8 (Review Procedure), or fails to comply with the provisions of this paragraph, Project Co may, in its discretion, either:

1.3.1 request written clarification of the basis for such comments and, if clarification is not received within [●] Business Days of such request by Project Co, refer the matter for determination in accordance with Schedule 20 (Dispute Resolution Procedure); or

1.3.2 in the case of a Submitted Item comprising Reviewable Design Data only, at its own risk, and without prejudice to Clause 12 (The Design, Construction and Commissioning Process), proceed with further design or construction disregarding such comments pending the outcome of any reference to the Dispute Resolution Procedure that may be made by either party.

1.4 In the case of any Submitted Item of the type referred to in paragraph 3.10, a failure by the Authority's Representative to endorse and return such Submitted Item within the period specified in paragraph 1.2.2 shall be deemed to constitute an objection by the Authority's Representative to such Submitted Item. If the parties fail to agree the form and content of such Submitted Item, within [●] Business Days following the expiry of the period specified in paragraph 1.2.2, the matter shall be determined in accordance with Schedule 20 (Dispute Resolution Procedure).

2 FURTHER INFORMATION

Project Co shall submit any further or other information, data and documents that the Authority's Representative reasonably requires in order to determine whether he has a basis for raising comments or making objections to any Submitted Item in accordance with this Schedule 8 (Review Procedure). If Project Co does not submit any such information, data and documents, the Authority's Representative shall be entitled to:

2.1 comment on the Submitted Item on the basis of the information, data and documents which have been provided; or

2.2 object to the Submitted Item on the grounds that insufficient information, data and documents have been provided to enable the Authority's Representative to determine whether he has a legitimate basis for commenting or objecting in accordance with this Schedule 8 (Review Procedure).
The expression "raise comments" in this paragraph shall be construed to mean "raise comments or make objections" unless the contrary appears from the context. The Authority’s Representative may raise comments in relation to any Submitted Item on the grounds set out in paragraph 2 (Further Information) above or on the ground that the Submitted Item would (on the balance of probabilities) breach any Law but otherwise may raise comments in relation to a Submitted Item only as follows:

3.1 in relation to any Submitted Item if:

3.1.1 Project Co's ability to perform its obligations under this Agreement would (on the balance of probabilities) be adversely affected by the implementation of the Submitted Item; or

3.1.2 the implementation of the Submitted Item would (on the balance of probabilities) adversely affect any right of the Authority under this Agreement or its ability to enforce any such right;

3.2 in relation to any Submitted Item submitted pursuant to Clause 4.1 (Ancillary Documents) if:

3.2.1 the Authority's ability to perform its obligations under this Agreement would be adversely affected by the proposed course of action;

3.2.2 the Authority's ability to provide the relevant Authority Services or to carry out any of its statutory functions would (on the balance of probabilities) be adversely affected by the proposed course of action;

3.2.3 the proposed course of action would be likely to result in an increase to the Authority's liabilities or potential or contingent liabilities under this Agreement;

3.2.4 the proposed course of action would adversely affect any right of the Authority under this Agreement or its ability to enforce any such right; or

3.2.5 Project Co's ability to perform its obligations under this Agreement would be materially adversely affected by the proposed course of action;

3.3 in relation to Reviewable Design Data submitted pursuant to Clause 12.6 (Authority design approval):
3.3.1 which does not comprise 1:50 scale Room Layout Drawings the Authority's Representative may raise comments, subject to and in accordance with paragraph 4 (Effect of Review) on the ground that the Submitted Item is not in accordance with:

(a) the Authority's Construction Requirements; and/or

(b) Project Co's Proposals;

3.3.2 which comprises a 1:50 scale Room Layout Drawing in respect of which there is a corresponding generic 1:50 scale Room Layout Drawing for the relevant room type (which has previously been reviewed and commented upon by the Authority's Representative in accordance with this Schedule 8 (Review Procedure)), the Authority's Representative may raise comments, subject to and in accordance with paragraph 4 (Effect of Review), on the ground that the Submitted Item does not conform to the generic 1:50 scale Room Layout Drawing; and

3.3.3 which comprises a 1:50 scale Room Layout Drawing in respect of which there is no corresponding generic 1:50 scale Room Layout Drawing for the relevant room type (which has previously been reviewed and commented upon by the Authority's Representative in accordance with this Schedule 8 (Review Procedure)), the Authority's Representative may raise comments, subject to and in accordance with paragraph 4 (Effect of Review), on the grounds that the Submitted Item is not in accordance with the Authority's Construction Requirements and/or Project Co's Proposals;

3.4 in relation to a proposal to amend Project Co's Proposals and rectify (part of) the Works submitted pursuant to Clause 12.8 (Rectification of Project Co's Proposals), on the grounds that, following the amendment and rectification proposed:

3.4.1 Project Co's Proposals would not satisfy the Authority's Construction Requirements; and/or

3.4.2 the structural, mechanical and/or electrical performance of the Facilities would not be of an equivalent standard of performance to that set out in Project Co's Proposals prior to their amendment or rectification (for the purpose of this comparison disregarding the fault which required the amendment or rectification to be made);

3.5 in relation to Finishes:

3.5.1 which have the effect of making a selection from the Range of Finishes (or any alternative range or selection of Finishes
submitted by Project Co to the Authority’s Representative) pursuant to Clause 12.6.1; or

3.5.2 where the Submitted Item does not comply with the relevant provisions of the Authority’s Construction Requirements and/or Project Co’s Proposals;

3.6 in relation to the submission of any revised Programme pursuant to Clause 14 (Programme and Dates for Completion) on the ground that the revised Programme would not (on the balance of probabilities) enable the Works to be completed by the Completion Date;

3.7 in relation to the submission of any Quality Plan or part of a Quality Plan or any changes to any Quality Plan pursuant to Clause (Quality Plans and Systems) 20.4 or Clause 20.7 (Quality Plans and Systems) or any quality manual or procedure in accordance with Clause 20.9 (Quality Manuals and Procedures), on the grounds that such Quality Plans, or parts of or changes to such Quality Plans, quality manuals or procedures, or the quality management systems which they reflect, would not comply with:

3.7.1 in the case of the Design Quality Plan and the Construction Quality Plan referred to in Clause 20.8 (Quality Plans and Systems), the requirements referred to in Section 8 (Quality Plans (Design and Construction)) of Schedule 6 (Construction Matters); and

3.7.2 in the case of the Services Quality Plan referred to in Clause 20 (Quality Assurance), the requirements referred to in Section 3 (Services Quality Plan) of Schedule 12 (Service Requirements);

3.8 in relation to the submission of any proposed revision or substitution for the Method Statements or any part of any Method Statement (as the case may be) pursuant to Clause 22.4 (Project Co Services Changes), on the grounds that:

3.8.1 the proposed revision or substitution is not in accordance with Good Industry Practice;

3.8.2 the performance of the Services in accordance with the proposed revision or substitution would (on the balance of probabilities):

(a) be materially different from the performance of the Services in accordance with the Method Statement prior to such proposed revision or substitution; or

(b) be less likely to achieve compliance with the Service Level Specification; or
(c) have an adverse effect on the provision by the Authority of the relevant Authority Services at, or on the safety or enjoyment of any users of, the Facilities; or

3.8.3 the proposed revision or substitution would (on the balance of probabilities) result in an inferior standard of performance of the Services to the standard of performance in accordance with the Method Statement prior to such proposed revision or substitution and or, as relevant, result in a probable failure of the Handback Requirements; and

3.9 in relation to the submission of any Schedule of Programmed Maintenance pursuant to Clause 23.1 (Programmed Maintenance Works), any revision to any Schedule of Programmed Maintenance pursuant to Clause 23.4 (Programmed Maintenance Works), any submission of Unprogrammed Maintenance Work pursuant to Clause 23.8 (Programmed and Unprogrammed Maintenance), or any written statement regarding deferral of Lifecycle Replacement and revision of the Lifecycle Schedule (forming part of the Schedule of Programmed Maintenance) pursuant to Clause 24.2 (Lifecycle Replacement), on the grounds that:

3.9.1 carrying out the Programmed Maintenance, Lifecycle Replacement or the Unprogrammed Maintenance Work in the period or at the times suggested would (on the balance of probabilities) interfere with the operations of the Authority and such interference could be avoided or mitigated by Project Co rescheduling the Programmed Maintenance, Lifecycle Replacement or the Unprogrammed Maintenance Work; or

3.9.2 in relation to the Schedule of Programmed Maintenance, the proposed hours for carrying out the Programmed Maintenance, Lifecycle Replacement are not consistent with the principles set out in Appendix 2, Table B to this Schedule 8 (Review Procedure); or

3.9.3 the proposed method of performance of the Programmed Maintenance, Lifecycle Replacement or the Unprogrammed Maintenance Work would not be in accordance with the Service Level Specification; or

3.9.4 the enjoyment and/or safety of users of the Facilities would (on the balance of probabilities) be adversely affected; or

3.9.5 the period for carrying out the Programmed Maintenance, Lifecycle Replacement or the Unprogrammed Maintenance Work would (on the balance of probabilities) exceed the period reasonably required for the relevant works.

3.10 In relation to the submission of Project Co's proposals for the Handback Works, the Handback Programme and the Handback Amount pursuant to Schedule 18 (Handback Procedure), on the grounds that:
3.10.1 in the case of the Handback Works, Project Co’s proposals will not (on the balance of probabilities) ensure that the Handback Requirements are achieved by the Expiry Date;

3.10.2 in the case of the Handback Programme, performance of the Handback Works in accordance with the programme is not (on the balance of probabilities) capable of achieving satisfaction of the Handback Requirements by the Expiry Date; and/or

3.10.3 in the case of the Handback Amount, it does not represent the cost of carrying out the Handback Works according to the Handback Programme and the provisions of Schedule 18 (Handback Procedure).

4 EFFECT OF REVIEW

4.1 Any Submitted Item which is returned or deemed to have been returned by the Authority's Representative endorsed "no comment" (and in the case of Reviewable Design Data, endorsed "Level A - no comment") shall be complied with or implemented (as the case may be) by Project Co.

4.2 In the case of any Submitted Item other than Reviewable Design Data, if the Authority's Representative returns the Submitted Item to Project Co endorsed "comments", Project Co shall comply with such Submitted Item after amendment in accordance with the comments unless Project Co disputes that any such comment is on grounds permitted by this Agreement, in which case Project Co or the Authority's Representative may refer the matter for determination in accordance with Schedule 20 (Dispute Resolution Procedure) and Project Co shall not act on the Submitted Item until such matter is so determined or otherwise agreed.

4.3 In the case of a Submitted Item comprising Reviewable Design Data, if the Authority's Representative returns the Submitted Item endorsed other than "Level A - no comment", Project Co shall:

4.3.1 where the Authority's Representative has endorsed the Submitted Item "Level B - proceed subject to amendment as noted", either proceed to construct or proceed to the next level of design of the part of the Works to which the Submitted Item relates but take into account any amendments required by the Authority's Representative in his comments;

4.3.2 where the Authority's Representative has endorsed the Submitted Item "Level C - subject to amendment as noted" not act upon the Submitted Item, amend the Submitted Item in accordance with the Authority's Representative's comments and re-submit the same to the Authority's Representative in accordance with paragraph 4.4; or
4.3.3 where the Authority's Representative has endorsed the Submitted Item "Level D - rejected" not act upon the Submitted Item, amend the Submitted Item and re-submit the Submitted Item to the Authority's Representative in accordance with paragraph 4.4,

unless Project Co disputes that any such comment or proposed amendment is on grounds permitted by this Agreement, in which case Project Co or the Authority's Representative may refer the matter for determination in accordance with Schedule 20 (Dispute Resolution Procedure) and Project Co shall not act on the Submitted Item until such matter is so determined or otherwise agreed except at its own risk in accordance with paragraph 1.3.2.

4.4 Within ten (10) Business Days of receiving the comments of the Authority's Representative on any Submitted Item comprising Reviewable Design Data, Project Co shall (except in the case contemplated in paragraph 4.3.1) send a copy of the Submitted Item as amended to the Authority's Representative pursuant to paragraph 4.3 and the provisions of paragraphs 1.2.1, 4.1 and 4.3 shall apply (changed according to context) to such re-submission.

4.5 The return or deemed return of any Submitted Item endorsed "no comment" (or in the case of Reviewable Design Data endorsed "Level A - no comment" or otherwise endorsed in accordance with paragraph 4.3.1 or 4.3.2) shall mean that the relevant Submitted Item may be used or implemented for the purposes for which it is intended but, save to the extent expressly stated in this Agreement including, without limitation, as specified in Appendix 1 Table A to this Schedule 8 (Review Procedure), such return or deemed return of any Submitted Item shall not otherwise relieve Project Co of its obligations under this Agreement nor is it an acknowledgement by the Authority that Project Co has complied with such obligations.

5 DOCUMENTATION MANAGEMENT

5.1 Project Co shall issue [one (1)] paper copy and [one (1)] electronic copy of all Submitted Items to the Authority and compile and maintain a register of the date and contents of the submission of all Submitted Items.

5.2 Project Co shall compile and maintain a register of the date of receipt and content of all Submitted Items that are returned or deemed to be returned by the Authority's Representative.

5.3 Save to the extent set out in Appendix 1, Table A to this Schedule 8 (Review Procedure) or elsewhere in this Schedule 8 (Review Procedure), no review, comment or approval by the Authority shall operate to exclude or limit Project Co's obligations or liabilities under this Agreement (or the Authority's rights under this Agreement).
6.1 No approval or comment or any failure to give or make an approval or comment under this Schedule 8 shall constitute a Change save to the extent provided in this Schedule 8 (Review Procedure).

6.2 If, having received comments from the Authority's Representative, Project Co considers that compliance with those comments would amount to a Change, Project Co shall, before complying with the comments, notify the Authority of the same and, if it is agreed by the parties or determined pursuant to Schedule 20 (Dispute Resolution Procedure) that a Change would arise if the comments were complied with, the Authority may, if it wishes, implement the Change and it shall be dealt with in accordance with Schedule 16 (Change Protocol). Any failure by Project Co to notify the Authority that it considers compliance with any comments of the Authority's Representative would amount to a Change shall constitute an irrevocable acceptance by Project Co that any compliance with the Authority's comments shall be without cost to the Authority and without any extension of time.

6.3 No alteration or modification to the design, quality and quantity of the Works arising from the development of detailed design or from the co-ordination of the design shall be construed or regarded as a Change.

2.1 Contractor’s Warranties and Undertakings

The Contractor warrants and undertakes to the Authority that it has complied with and fulfilled and shall continue to comply with and fulfill its duties and obligations arising under or by virtue of the Construction Contract, provided that the Authority shall only be entitled to make a claim against the Contractor under this Clause 2.1 (Contractor’s Warranties and Undertakings) if the Design Build Finance and Maintain Agreement has terminated and shall not be entitled to do so during the Step-in Period or after the Construction Contract has been novated under Clause 4 (Novation).
2.2 Liability of Contractor

Any liability arising from any claim for breach of the warranty under or pursuant to Clause 2.1 (Contractor's Warranties and Undertakings) shall be in addition to and without prejudice to any other present or future liability of the Contractor to the Authority (including, without prejudice to the generality of the foregoing, any liability in negligence) and shall not be released, diminished or in any other way be affected by any independent enquiry into any relevant matter which may be made or carried out by or on behalf of the Authority by any person nor by any action or omission of any person whether or not such action or omission might give rise to an independent liability of such person to the Authority provided always that the Contractor shall owe no greater duties or obligations to the Authority under this Agreement than it owes or would have owed to Project Co under the Construction Contract. Without prejudice to Clause 12 (Aggregate Liability), the Contractor shall be entitled in any action or proceedings brought by the Authority under this Agreement to rely on any limitation or exclusion of liability in the Construction Contract and to raise equivalent rights in defence of liability (but excluding set-offs and counterclaims) as it would have against Project Co under the Construction Contract.

Any such notice, other than one given in circumstances where there is no default under the Construction Contract by Project Co or the Contractor, shall for the purposes of this Agreement also be a Termination Notice and the provisions of this Agreement shall apply accordingly.

(a) where the event giving rise to termination of the Design Build Finance and Maintain Agreement is a Contractor Event of Default (as that term is defined in the Construction Contract) whether or not at the relevant time there has been notice to terminate the Construction Contract for such Contractor Event of Default;

(b) until the Security Trustee has released its security over the Construction Contract; or

(c) until the Security Trustee has confirmed to the Authority in writing that it has no further claims or interest in the claims of Project Co or any Suitable Substitute Contractor (as such term is defined in the Funders’ Contractor Direct Agreement) against the Contractor whether pursuant to the Security Documents, the Construction Contract or the enforcement of any rights under the Security Documents or the Funders’ Contractor Direct Agreement.

3 STEP-IN AND STEP-OUT

3.1 Step-in Notice

3.1.1 If the Authority has terminated the Design Build Finance and Maintain Agreement in accordance with the terms of the Design Build Finance and Maintain Agreement or if the Authority has received a Termination Notice, then subject to the provisions of this Agreement, the Authority may give written notice to the Contractor (copied to the Security Trustee) (a "Step-in Notice") of the intention of the Authority to issue a Step-in Undertaking on a specified date (the "Proposed Step-in Date") provided that such Proposed Step-in Date shall be:

(a) no later than [five (5)] Business Days after termination of the Design Build Finance and Maintain Agreement where this has been terminated by the Authority; and
(b) no earlier than the date falling five (5) Business Days prior to the date of expiry of the Termination Notice and no later than the date of expiry of the Termination Notice where a Termination Notice has been given by the Contractor.

3.1.2 Unless the Contractor otherwise consents, only one (1) Step-in Notice may be given during the period of this Agreement. Subject to Clause 5.1 (Rights of Termination) below, the Contractor shall not be entitled to terminate the Construction Contract until after the Proposed Step-in Date.

3.2 Notice of Obligations and Step-in Undertaking

3.2.1 Within [three (3)] Business Days of receipt of any Step-in Notice, the Contractor shall give written notice to the Authority of any sums of which the Contractor has actual knowledge which are due and payable but unpaid by Project Co and of any other material obligations or liabilities, of which the Contractor has actual knowledge, which should have been performed or discharged by Project Co under the Construction Contract, in each case, as at the date of the Step-in Notice.

3.2.2 The Contractor shall inform the Authority in writing as soon as reasonably practicable of:

(a) any change in such sums, obligations or liabilities referred to in Clause 3.2.1; and

(b) any further sums, obligations or liabilities thereafter falling due and payable but unpaid or falling due for performance or discharge and unperformed or undischarged (as the case may be);

in each case of which the Contractor has actual knowledge, before the Step-in Date.

3.2.3 The Contractor shall give the Authority the information referred to in Clauses 3.2.1 and 3.2.2 in good faith and may not give any further notifications pursuant to Clause 3.2.2 less than [two (2)] Business Days prior to the Proposed Step-in Date. The Authority shall not be required to assume any liability under a Step-in Undertaking for any outstanding obligations or liabilities of Project Co to the Contractor which are not notified to the Authority pursuant to Clauses 3.2.1 or 3.2.2.

3.2.4 Not later than the Proposed Step-in Date the Authority shall decide if it is prepared to issue a Step-in Undertaking. If it does so decide, the Authority shall promptly give the Contractor written notification of such decision and, at the same time,
provide a copy of such notification to the Senior Funder. The Authority shall deliver to the Contractor on the Proposed Step-in Date, a written undertaking in form and substance agreed with the Contractor (both the Authority and the Contractor acting reasonably) (the “Step in Undertaking”), incorporating a clause in terms similar to Clause 11 (Default Interest) (but only to the extent that there will not be double counting of default interest accruing under the Construction Contract and this Agreement), and undertaking to the Contractor:

(a) to pay or procure the payment to the Contractor, within [fifteen (15)] Business Days of demand by the Contractor, of any sum due and payable but unpaid by Project Co to the Contractor under the Construction Contract before the Step-in Date and which has been notified by the Contractor to the Authority in accordance with Clause 3.2.1 or 3.2.2;

(b) to perform or discharge or procure the performance or discharge of any unperformed or undischarged obligations of Project Co under the Construction Contract which shall have fallen due for performance or discharge before the Step-in Date and which have been notified by the Contractor to the Authority in accordance with Clause 3.2.1 or 3.2.2 within such period as the Contractor may reasonably require;

(c) to pay or procure the payment of any sum due and payable by Project Co under the Construction Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after the Step-in Date (but subject to Clauses 3.4 (Step-Out) and 4.5.3(b)) but not, to avoid doubt, any sum due in respect of any Works carried out before the Step-in Date; and

(d) to perform or discharge or procure the performance or discharge of any obligations of Project Co under the Construction Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after the Step-in Date (but subject to Clauses 3.4 (Step-Out) and 4.5.3(b)) but not, to avoid doubt, to perform or discharge or to procure the performance or discharge of any obligations in respect of any Works carried out before the Step-in Date.

3.2.5 Following notification of the Authority's decision pursuant to Clause 3.2.4, the Security Trustee shall, on or before the Proposed Step-in Date, take any action which is necessary unconditionally and irrevocably to release the Construction Contract and the Parent Company Guarantee from the security constituted by the Security Documents.
3.2.6 Upon release by the Security Trustee of its security over the Parent Company Guarantee in accordance with Clause 3.2.5, Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority in accordance with Clause [insert reference] of the same.

3.2.7 If the Authority shall not have issued the Step-in Undertaking on or before the Proposed Step-in Date the Step-in Notice shall be deemed to have been withdrawn and the rights and obligations of the Parties shall be construed as if the Step-in Notice had not been given.

3.3 Restriction of Right of Termination

During or in respect of the Step-in Period, the Contractor confirms to the Authority that it shall continue to observe and perform its duties and obligations under the Construction Contract and shall, without prejudice to Clause 5.1 (Rights of Termination), only be entitled to exercise its rights of termination under the Construction Contract:

3.3.1 by reference to an Event of Project Co Default arising during the Step-in Period provided that no event of default by Project Co under the Design Build Finance and Maintain Agreement (whether resulting in termination of the Design Build Finance and Maintain Agreement or otherwise, and notwithstanding that it has occurred during the Step-in Period) shall entitle the Contractor to exercise such rights of termination during the Step-in Period; or

3.3.2 if the Authority, in breach of the terms of the Construction Contract, fails to pay when due any amount owed to the Contractor or fails to perform or discharge when falling due for performance or discharge any obligation under the Step-in Undertaking or fails to procure such payment or performance or discharge; or

3.3.3 if such rights of termination arise in circumstances where there is no default under the Construction Contract by the Authority or the Contractor.

3.4 Step-Out

3.4.1 the Authority may, at any time, give the Contractor at least [thirty (30)] days’ prior written notice to terminate the Step-in Period on a date specified in the notice (the “Step-out Date”);

3.4.2 the Authority shall give the Contractor at least [thirty (30)] days’ prior written notice that (subject to Clause 4.4.2) the Step-in Period will end due to the occurrence (subject to Clause 4.7 (Extension of Step-in Period) of the first anniversary of the Step-in Date;
provided that:

(a) the Authority has performed and discharged in full or procured the performance and discharge in full of any obligations of Project Co under the Construction Contract in relation to the maintenance of records and the provision of reports during the Step-in Period so as to permit the Contractor to monitor the performance of Project Co's other obligations under the Construction Contract; and

(b) all liability under the Step-in Undertaking pursuant to any claims made up to the date specified in either Clause 3.4.1 or Clause 3.4.2 (as the case may be) shall have been fully and unconditionally discharged,

the Authority shall be released from the Step-in Undertaking on the expiry of the Step-in Period in accordance with Clauses 3.4.1 and 3.4.2. Such release shall not affect the continuation of Project Co's obligations towards the Contractor under the Construction Contract.

4 NOVATION

4.1 Proposed Substitute

At any time that the Authority is entitled to give a Step-in Notice pursuant to Clause 3.1 (Step-in Notice) or at any time during the Step-in Period the Authority may give notice (copied to the Security Trustee) (a "Proposed Novation Notice") to the Contractor that it wishes itself or another person (a "Proposed Substitute") to assume, by way of sale, transfer or other disposal, the rights and obligations of Project Co under the Construction Contract and specifying a date (the "Proposed Novation Date"):

4.1.1 falling not later than [fifteen (15)] Business Days after termination of the Design Build Finance and Maintain Agreement where this has been terminated by the Authority;

4.1.2 falling not later than the expiry of the Termination Notice where a Proposed Novation Notice is given by the Authority at a time when it is entitled to give a Step-in Notice pursuant to Clause 3.1 (Step-in Notice); and

4.1.3 falling not later than [twenty-eight (28)] Business Days after the date of the Proposed Novation Notice, where a Proposed Novation Notice is given during a Step-in Period.

Save as provided in Clause 4.4 (Consent Withheld), only one (1) Proposed Novation Notice may be given during the period of this
Agreement. Without prejudice to Clauses 3.3 (Restriction of Right of Termination) and 5.1 (Rights of Termination), the Contractor shall not be entitled to terminate the Construction Contract during the notice period specified in a Proposed Novation Notice.

4.2 Information for Consent to Novation

If the Proposed Novation Notice specifies the Authority as the Proposed Substitute, the Contractor’s consent to the novation shall be deemed to have been given automatically. Where the Proposed Substitute is not the Authority, a novation in accordance with a Proposed Novation Notice shall only be effective if the Contractor consents to that novation in writing in accordance with Clause 4.3 (Grant of Consent) and the Authority shall (as soon as practicable) supply the Contractor with the following information (copied to the Security Trustee):

4.2.1 the name and registered address of the Proposed Substitute;

4.2.2 the names of the shareholders in the Proposed Substitute and the share capital owned by each of them;

4.2.3 the names of the directors and the secretary of the Proposed Substitute;

4.2.4 details of the means by which it is proposed to finance the Proposed Substitute (including the extent to which such finance is committed and any conditions precedent as to its availability for drawing); and

4.2.5 the resources (including contractual arrangements) which are to be available to the Proposed Substitute to enable it to perform its obligations under the Construction Contract.

4.3 Grant of Consent

The Contractor may withhold or delay consent to a novation only where the Proposed Substitute is not the Authority and the Authority has failed to show to the Contractor’s satisfaction (acting reasonably) that:

4.3.1 the Proposed Substitute has the legal capacity, power and authorisation to become a party to and perform the obligations of Project Co under the Construction Contract; and

4.3.2 the technical competence and financial standing of and the technical and financial resources available to the Proposed Substitute are sufficient to perform the obligations of Project Co under the Construction Contract.
The Contractor shall notify the Authority in writing, within [five (5)] Business Days of the later of receipt of a Proposed Novation Notice and all information required under Clause 4.2 (Information for Consent to Novation), as to whether or not it has decided to grant such consent (together with an explanation of its reasons if it has decided to withhold its consent).

4.4 Consent withheld

If, in accordance with Clause 4.3 (Grant of Consent), the Contractor withholds its consent to a Proposed Novation Notice, the Authority shall be entitled to give one or more subsequent Proposed Novation Notices, pursuant to the provisions of Clause 4.1 (Proposed Substitute), containing changed particulars relating to the same Proposed Substitute or particulars relating to another Proposed Substitute which (where the replacement Proposed Substitute is not the Authority) the Authority has good cause to believe would fulfil the requirements of Clauses 4.3.1 and 4.3.2, provided that only one Proposed Novation Notice may be outstanding at any one time, and provided further that:

4.4.1 where a Step-in-Notice has not been issued, any revised Proposed Novation Date shall be a date falling no later than the date specified in Clause 4.1.1 or 4.1.2 as appropriate; and

4.4.2 if the Proposed Novation Notice was served during the Step-in Period, any revised Proposed Novation Date shall be a date falling not later than [twenty-eight (28)] Business Days after the date of the revised Proposed Novation Notice.

4.5 Implementation of Novation

4.5.1 If the Contractor consents to a novation pursuant to a Proposed Novation Notice (whether automatically or otherwise), then on the Proposed Novation Date and without prejudice to Clause 5.1 (Rights of Termination),

(a) following notification pursuant to Clause 4.1 (Proposed Substitute) and in the absence of any prior release in accordance with Clause 3.2.5, the Security Trustee shall, on or before the Proposed Novation Date, take any action which is necessary unconditionally and irrevocably to release the Construction Contract and the Parent Company Guarantee from the security constituted by the Security Documents; and

(b) Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority or other Proposed Substitute in accordance with clause [insert reference] of the same and on the Proposed Novation Date and without prejudice to Clause 5.1 (Rights of Termination).
4.5.2 Subject to the prior performance by the Security Trustee and Project Co of their respective obligations under Clause 4.5.1(a) and Clause 4.5.1(b) the Proposed Substitute shall become a party to the Construction Contract in place of Project Co and, thereafter, shall be treated as if it was and had always been named as a party to the Construction Contract in place of Project Co; and

(a) the Contractor, Project Co and the Proposed Substitute shall enter into a novation agreement (the "Novation Agreement") and any other requisite agreements, in form and substance satisfactory to the Contractor (acting reasonably), pursuant to which:

(i) the Proposed Substitute shall be granted all of the rights of Project Co under the Construction Contract (including those arising prior to the end of the Step-in Period);

(ii) subject to the Contractor giving to the Proposed Substitute within [three (3)] Business Days of receipt of the Proposed Novation Notice such notice as is referred to in Clause 3.2.1 and to the provisions of Clauses 3.2.2 and 3.2.3, mutatis mutandis, the Proposed Substitute shall assume all of the obligations and liabilities of Project Co under the Construction Contract (including those arising prior to the end of any Step-in Period and those arising during the period of the Proposed Novation Notice);

provided that the Contractor will not be in breach of any of its obligations under this Agreement if the Proposed Substitute does not enter into one or other of such agreements.

4.5.3 On and after the Novation Effective Date:

(a) the Contractor shall owe its obligations under the Construction Contract (whether arising before, on or after such date) to the Proposed Substitute and the receipt, acknowledgement or acquiescence of the Proposed Substitute shall be a good discharge; and

(b) if the Authority shall have entered into a Step-in Undertaking, the Authority will be released from the Step-in Undertaking, provided that:

(i) all obligations of the Authority under the Step-in Undertaking which have accrued up to the Novation Effective Date and are identifiable
as at that date shall have been fully and unconditionally discharged; and

(ii) the Authority has performed and discharged in full or procured the performance and discharge in full of the obligations of Project Co under the Construction Contract in relation to the maintenance of records and the provision of reports during the Step-in Period up to the Novation Effective Date so as to permit the Contractor to monitor the performance of Project Co’s other obligations under the Construction Contract.

4.5.4 the Authority and the Contractor shall use all reasonable endeavours to agree and the Authority shall use reasonable endeavours to procure that the Proposed Substitute agrees any amendments to the Construction Contract necessary to reflect Clause 3.2.2 and the fact that the Design Build Finance and Maintain Agreement may have terminated at the time of the Novation Effective Date.

4.6 Termination After Novation

After the Novation Effective Date the Contractor shall only be entitled to exercise its rights of termination under the Construction Contract:

4.6.1 in respect of any Event of Project Co Default arising after that date in accordance with the Construction Contract; or

4.6.2 if the Proposed Substitute does not discharge the obligations and liabilities assumed by it under Clause 4.5.2(a) which relate to matters arising prior to the end of the Step-in Period within [fifteen (15)] Business Days following the Novation Effective Date.

4.7 Extension of Step-In Period

As at the date of the first anniversary of the Step-in Date, if the Step-in Period has not previously ended, and:

4.7.1 the Authority is in the course of conducting discussions in good faith with a Proposed Substitute (the novation to whom has been approved by the Contractor whether automatically or otherwise in accordance with Clause 4.3 (Grant of Consent)), the Step-in Period shall be extended and shall continue until such date as is proposed by the Authority and agreed by the Contractor; or
4.7.2 a contract has been entered into between the Authority and a Proposed Substitute (which has been approved by the Contractor in accordance with Clause 4.3 (Grant of Consent)) as at such date, the Step-in Period shall be extended and shall continue until the date such contract comes into force, provided that such date shall not be later than [thirty (30)] Business Days after the last date of execution of such contract.

2 TERMINATION NOTICE AND AUTHORITY TERMINATION

2.1 Service Provider’s Warranties and Undertakings

The Service Provider warrants and undertakes to the Authority that it has complied with and fulfilled and shall continue to comply with and fulfill its duties and obligations arising under or by virtue of the Service Contract, provided that the Authority shall only be entitled to make a claim against the Service Provider under this Clause 2.1 (Service Provider’s Warranties and Undertakings) if the Design Build Finance and Maintain Agreement has terminated and shall not be entitled to do so during the Step-in Period or after the Service Contract has been novated under Clause 4 (Novation).

2.2 Liability of Service Provider

Any liability arising from any claim for breach of the warranty under or pursuant to Clause 2.1 (Service Provider's warranties and Undertakings) shall be in addition to and without prejudice to any other present or future liability of the Service Provider to the Authority (including, without prejudice to the generality of the foregoing, any liability in negligence) and shall not be released, diminished or in any other way be affected by any independent enquiry into any relevant matter which may be made or
carried out by or on behalf of the Authority by any person nor by any
action or omission of any person whether or not such action or omission
might give rise to an independent liability of such person to the Authority
provided always that the Service Provider shall owe no greater duties or
obligations to the Authority under this Agreement than it owes or would
have owed to Project Co under the Service Contract. Without prejudice to
Clause 12 (Aggregate Liability), the Service Provider shall be entitled in
any action or proceedings brought by the Authority under this Agreement
to rely on any limitation or exclusion of liability in the Service Contract and
to raise equivalent rights in defence of liability (but excluding set-offs and
counterclaims) as it would have against Project Co under the Service
Contract.

2.3 [Retained Employee Indemnity]

If the Design Build Finance and Maintain Agreement is terminated
because of a Project Co default then the Service Provider shall indemnify
and keep indemnified the Authority against all Direct Losses relating to
any contractual claims made by Retained Employees as a consequence of
their redundancy resulting from the early termination of the Design Build
Finance and Maintain Agreement and/or the Service Contract. The
Authority will use reasonable endeavours to mitigate such Direct Losses.

2.4 Termination Notice

2.4.1 The Service Provider undertakes not to terminate the Service
Contract on account of an Event of Project Co Default without
first giving the Authority not less than [fifteen (15)] Business
Days’ prior written notice specifying the grounds for that
termination. Subject to Clause 2.4.2 below any such notice shall
be a “Termination Notice”.

2.4.2 Where the Service Provider’s right to terminate is subject to the
terms of the Funders’ Service Provider Direct Agreement then
the Service Provider shall notify the Authority of the same as
soon as reasonably practicable upon becoming aware of the
provisions of the Funders’ Service Provider Direct Agreement
applying. Thereafter as soon as the Service Provider becomes
entitled to terminate the Service Contract free from the
constraints contained in the Funders’ Service Provider Direct
Agreement, whether upon the expiry of the Step-in Period (as
such term is defined in the Funders’ Service Provider Direct
Agreement) or otherwise, then the Service Provider undertakes
to the Authority not to terminate the Service Contract on account
of an Event of Project Co Default (whether occurring before or
after the Service Provider’s right to terminate the Service
Contract was free from the constraints of the Funders’ Service
Provider Direct Agreement) without first giving the Authority not
less than [fifteen (15)] Business Days’ prior notice specifying the
grounds for that termination and noting that the Service
Provider’s right of termination is not subject to the Funders’
Service Provider Direct Agreement. Any such notice, other than
given in circumstances where there is no default under the
Service Contract by Project Co or the Service Provider, shall for

258
the purposes of this Agreement also be a Termination Notice and the provisions of this Agreement shall apply accordingly.

2.4.3 Notwithstanding any provision of the Service Contract to the contrary, on termination of the Design Build Finance and Maintain Agreement by the Authority, the Parties agree that the Service Contract shall not come to an end except in accordance with the terms of this Agreement.

2.4.4 The Authority acknowledges that it shall not be entitled to exercise its rights under Clauses 3 (Step-in and Step-out) and 4 (Novation):

where the event giving rise to termination of the Design Build Finance and Maintain Agreement is a Service Provider Event of Default (as that term is defined in the Service Contract) whether or not at the relevant time there has been notice to terminate the Service Contract for such Service Provider Event of Default;

(a) until the Security Trustee has released its security over the Service Contract; or

(b) until the Security Trustee has confirmed to the Authority in writing that it has no further claims or interest in the claims of Project Co or any Suitable Substitute Contractor (as such term is defined in the Funders’ Service Provider Direct Agreement) against the Service Provider whether pursuant to the Security Documents, the Service Contract or the enforcement of any rights under the Security Documents or the Funders’ Service Provider Direct Agreement.

3 STEP-IN AND STEP-OUT

3.1 Step-in Notice

3.1.1 If the Authority has terminated the Design Build Finance and Maintain Agreement in accordance with the terms of the Design Build Finance and Maintain Agreement or if the Authority has received a Termination Notice, then subject to the provisions of this Agreement, the Authority may give written notice to the Service Provider (copied to the Security Trustee) (a “Step-in Notice”) of the intention of the Authority to issue a Step-in Undertaking on a specified date (the “Proposed Step-in Date”) provided that such Proposed Step-in Date shall be:

(a) no later than [five (5)] Business Days after termination of the Design Build Finance and Maintain Agreement where this has been terminated by the Authority; and
(b) no earlier than the date falling five (5) Business Days prior to the date of expiry of the Termination Notice and no later than the date of expiry of the Termination Notice where a Termination Notice has been given by the Service Provider.

3.1.2 Unless the Service Provider otherwise consents, only one (1) Step-in Notice may be given during the period of this Agreement. Subject to Clause 5.1 (Rights of Termination) below, the Service Provider shall not be entitled to terminate the Service Contract until after the Proposed Step-in Date.

3.2 Notice of Obligations and Step-in Undertaking

3.2.1 Within [three (3)] Business Days of receipt of any Step-in Notice, the Service Provider shall give written notice to the Authority of any sums of which the Service Provider has actual knowledge which are due and payable but unpaid by Project Co and of any other material obligations or liabilities, of which the Service Provider has actual knowledge, which should have been performed or discharged by Project Co under the Service Contract, in each case, as at the date of the Step-in Notice.

3.2.2 The Service Provider shall inform the Authority in writing as soon as reasonably practicable of:

(a) any change in such sums, obligations or liabilities referred to in Clause 3.2.1; and

(b) any further sums, obligations or liabilities thereafter falling due and payable but unpaid or falling due for performance or discharge and unperformed or undischarged (as the case may be); in each case of which the Service Provider has actual knowledge, before the Step-in Date.

3.2.3 The Service Provider shall give the Authority the information referred to in Clauses 3.2.1 and 3.2.2 in good faith and may not give any further notifications pursuant to Clause 3.2.2 less than [two (2)] Business Days prior to the Proposed Step-in Date. The Authority shall not be required to assume any liability under a Step-in Undertaking for any outstanding obligations or liabilities of Project Co to the Service Provider which are not notified to the Authority pursuant to Clauses 3.2.1 or 3.2.2.

3.2.4 Not later than the Proposed Step-in Date the Authority shall decide if it is prepared to issue a Step-in Undertaking. If it does so decide, the Authority shall promptly give the Service Provider written notification of such decision and, at the same time,
provide a copy of such notification to the Senior Funder. The Authority shall deliver to the Service Provider on the Proposed Step-in Date, a written undertaking in form and substance agreed with the Service Provider (both the Authority and the Service Provider acting reasonably) (the "Step in Undertaking"), incorporating a clause in terms similar to Clause 11 (Default Interest) (but only to the extent that there will not be double counting of default interest accruing under the Service Contract and this Agreement), and undertaking to the Service Provider:

(a) to pay or procure the payment to the Service Provider, within [fifteen (15)] Business Days of demand by the Service Provider, of any sum due and payable but unpaid by Project Co to the Service Provider under the Service Contract before the Step-in Date and which has been notified by the Service Provider to the Authority in accordance with Clause 3.2.1 or 3.2.2;

(b) to perform or discharge or procure the performance or discharge of any unperformed or undischarged obligations of Project Co under the Service Contract which shall have fallen due for performance or discharge before the Step-in Date and which have been notified by the Service Provider to the Authority in accordance with Clause 3.2.1 or 3.2.2 within such period as the Service Provider may reasonably require;

(c) to pay or procure the payment of any sum due and payable by Project Co under the Service Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after the Step-in Date (but subject to Clauses 3.4 (Step-Out) and 4.5.3(b)) but not, to avoid doubt, any sum due in respect of any Services provided before the Step-in Date; and

(d) to perform or discharge or procure the performance or discharge of any obligations of Project Co under the Service Contract as a result of any act or omission occurring during the Step-in Period which shall arise from any act or omission occurring after the Step-in Date (but subject to Clauses 3.4 (Step-Out) and 4.5.3(b)) but not, to avoid doubt, to perform or discharge or to procure the performance or discharge of any obligations in respect of any Services provided before the Step-in Date.

3.2.5 Following notification of the Authority's decision pursuant to Clause 3.2.4, the Security Trustee shall, on or before the Proposed Step-in Date, take any action which is necessary unconditionally and irrevocably to release the Service Contract and the Parent Company Guarantee from the security constituted by the Security Documents.
3.2.6 Upon release by the Security Trustee of its security over the Parent Company Guarantee in accordance with Clause 3.2.5 Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority in accordance with clause [insert reference] of the same.

3.2.7 If the Authority shall not have issued the Step-in Undertaking on or before the Proposed Step-in Date the Step-in Notice shall be deemed to have been withdrawn and the rights and obligations of the Parties shall be construed as if the Step-in Notice had not been given.

3.3 Restriction of Right of Termination

During or in respect of the Step-in Period, the Service Provider confirms to the Authority that it shall continue to observe and perform its duties and obligations under the Service Contract and shall, without prejudice to Clause 5.1 (Rights of Termination), only be entitled to exercise its rights of termination under the Service Contract:

3.3.1 by reference to an Event of Project Co Default arising during the Step-in Period provided that no event of default by Project Co under the Design Build Finance and Maintain Agreement (whether resulting in termination of the Design Build Finance and Maintain Agreement or otherwise, and notwithstanding that it has occurred during the Step-in Period) shall entitle the Service Provider to exercise such rights of termination during the Step-in Period; or

3.3.2 if the Authority, in breach of the terms of the Service Contract, fails to pay when due any amount owed to the Service Provider or fails to perform or discharge when falling due for performance or discharge any obligation under the Step-in Undertaking or fails to procure such payment or performance or discharge; or

3.3.3 if such rights of termination arise in circumstances where there is no default under the Service Contract by the Authority or the Service Provider.

3.4 Step-Out

3.4.1 the Authority may, at any time, give the Service Provider at least [thirty (30)] days’ prior written notice to terminate the Step-in Period on a date specified in the notice (the “Step-out Date”);

3.4.2 the Authority shall give the Service Provider at least [thirty (30)] days’ prior written notice that (subject to Clause 4.4.2) the Step-in Period will end due to the occurrence (subject to Clause 4.7 (Extension of Step-In Period) of the first anniversary of the Step-in Date;
provided that:

(a) the Authority has performed and discharged in full or procured the performance and discharge in full of any obligations of Project Co under the Service Contract in relation to the maintenance of records and the provision of reports during the Step-in Period so as to permit the Service Provider to monitor the performance of Project Co's other obligations under the Service Contract; and

(b) all liability under the Step-in Undertaking pursuant to any claims made up to the date specified in either Clause 3.4.1 or Clause 3.4.2 (as the case may be) shall have been fully and unconditionally discharged,

the Authority shall be released from the Step-in Undertaking on the expiry of the Step-in Period in accordance with Clauses 3.4.1 and 3.4.2. Such release shall not affect the continuation of Project Co's obligations towards the Service Provider under the Service Contract.

4 NOVATION

4.1 Proposed Substitute

At any time that the Authority is entitled to give a Step-in Notice pursuant to Clause 3.1 (Step-in Notice) or at any time during the Step-in Period the Authority may give notice (copied to the Security Trustee) (a "Proposed Novation Notice") to the Service Provider that it wishes itself or another person (a "Proposed Substitute") to assume, by way of sale, transfer or other disposal, the rights and obligations of Project Co under the Service Contract and specifying a date (the "Proposed Novation Date"):

4.1.1 falling not later than [fifteen (15)] Business Days after termination of the Design Build Finance and Maintain Agreement where this has been terminated by the Authority;

4.1.2 falling not later than the expiry of the Termination Notice where a Proposed Novation Notice is given by the Authority at a time when it is entitled to give a Step-in Notice pursuant to Clause 3.1 (Step-in Notice); and

4.1.3 falling not later than [twenty-eight (28)] Business Days after the date of the Proposed Novation Notice, where a Proposed Novation Notice is given during a Step-in Period.

Save as provided in Clause 4.4 (Consent withheld), only one (1) Proposed Novation Notice may be given during the period of this Agreement.
Without prejudice to Clauses 3.3 (Restriction of Right of Termination) and 5.1 (Rights of Termination), the Service Provider shall not be entitled to terminate the Service Contract during the notice period specified in a Proposed Novation Notice.

4.2 Information for Consent to Novation

If the Proposed Novation Notice specifies the Authority as the Proposed Substitute, the Service Provider's consent to the novation shall be deemed to have been given automatically. Where the Proposed Substitute is not the Authority, a novation in accordance with a Proposed Novation Notice shall only be effective if the Service Provider consents to that novation in writing in accordance with Clause 4.3 (Grant of Consent) and the Authority shall (as soon as practicable) supply the Service Provider with the following information (copied to the Security Trustee):

4.2.1 the name and registered address of the Proposed Substitute;

4.2.2 the names of the shareholders in the Proposed Substitute and the share capital owned by each of them;

4.2.3 the names of the directors and the secretary of the Proposed Substitute;

4.2.4 details of the means by which it is proposed to finance the Proposed Substitute (including the extent to which such finance is committed and any conditions precedent as to its availability for drawing); and

4.2.5 the resources (including contractual arrangements) which are to be available to the Proposed Substitute to enable it to perform its obligations under the Service Contract.

4.3 Grant of Consent

The Service Provider may withhold or delay consent to a novation only where the Proposed Substitute is not the Authority and the Authority has failed to show to the Service Provider's satisfaction (acting reasonably) that:

4.3.1 the Proposed Substitute has the legal capacity, power and authorisation to become a party to and perform the obligations of Project Co under the Service Contract; and

4.3.2 the technical competence and financial standing of and the technical and financial resources available to the Proposed Substitute are sufficient to perform the obligations of Project Co under the Service Contract.
The Service Provider shall notify the Authority in writing, within [five (5)] Business Days of the later of receipt of a Proposed Novation Notice and all information required under Clause 4.2 (Information for Consent to Novation), as to whether or not it has decided to grant such consent (together with an explanation of its reasons if it has decided to withhold its consent).

4.4 Consent withheld

If, in accordance with Clause 4.3 (Grant of Consent), the Service Provider withholds its consent to a Proposed Novation Notice, the Authority shall be entitled to give one or more subsequent Proposed Novation Notices, pursuant to the provisions of Clause 4.1 (Proposed Substitute), containing changed particulars relating to the same Proposed Substitute or particulars relating to another Proposed Substitute which (where the replacement Proposed Substitute is not the Authority) the Authority has good cause to believe would fulfil the requirements of Clauses 4.3.1 and 4.3.2, provided that only one (1) Proposed Novation Notice may be outstanding at any one time, and provided further that:

4.4.1 where a Step-in-Notice has not been issued, any revised Proposed Novation Date shall be a date falling no later than the date specified in Clause 4.1.1 or 4.1.2 as appropriate; and

4.4.2 if the Proposed Novation Notice was served during the Step-in Period, any revised Proposed Novation Date shall be a date falling not later than [twenty-eight (28)] Business Days after the date of the revised Proposed Novation Notice.

4.5 Implementation of Novation

4.5.1 If the Service Provider consents to a novation pursuant to a Proposed Novation Notice (whether automatically or otherwise), then on the Proposed Novation Date and without prejudice to Clause 5.1 (Rights of Termination):

(a) following notification pursuant to Clause 4.1 (Proposed Substitute) and in the absence of any prior release in accordance with Clause 3.2.5, the Security Trustee shall, on or before the Proposed Novation Date, take any action which is necessary unconditionally and irrevocably to release the Service Contract and the Parent Company Guarantee from the security constituted by the Security Documents; and

(b) Project Co shall immediately assign all its rights and powers under the Parent Company Guarantee to the Authority or other Proposed Substitute in accordance with Clause [insert reference] of the same, and on the Proposed Novation Date and without prejudice to Clause 5.1 (Rights of Termination).
4.5.2 Subject to the prior performance by the Security Trustee and Project Co of their respective obligations under Clause 4.5.1(a) and Clause 4.5.1(b) the Proposed Substitute shall become a party to the Service Contract in place of Project Co and, thereafter, shall be treated as if it was and had always been named as a party to the Service Contract in place of Project Co; and

(a) the Service Provider, Project Co and the Proposed Substitute shall enter into a novation agreement (the "Novation Agreement") and any other requisite agreements, in form and substance satisfactory to the Service Provider (acting reasonably), pursuant to which:

(i) the Proposed Substitute shall be granted all of the rights of Project Co under the Service Contract (including those arising prior to the end of the Step-in Period);

(ii) subject to the Service Provider giving to the Proposed Substitute within [three (3)] Business Days of receipt of the Proposed Novation Notice such notice as is referred to in Clause 3.2.1 and to the provisions of Clauses 3.2.2 and 3.2.3 mutatis mutandis, the Proposed Substitute shall assume all of the obligations and liabilities of Project Co under the Service Contract (including those arising prior to the end of any Step-in Period and those arising during the period of the Proposed Novation Notice);

provided that the Service Provider will not be in breach of any of its obligations under this Agreement if the Proposed Substitute does not enter into one or other of such agreements.

4.5.3 On and after the Novation Effective Date:

(a) the Service Provider shall owe its obligations under the Service Contract (whether arising before, on or after such date) to the Proposed Substitute and the receipt, acknowledgement or acquiescence of the receipt, acknowledgement or acquiescence of the Proposed Substitute shall be a good discharge; and

(b) if the Authority shall have entered into a Step-in Undertaking, the Authority will be released from the Step-in Undertaking, provided that:
(i) all obligations of the Authority under the Step-in Undertaking which have accrued up to the Novation Effective Date and are identifiable as at that date shall have been fully and unconditionally discharged; and

(ii) the Authority has performed and discharged in full or procured the performance and discharge in full of the obligations of Project Co under the Service Contract in relation to the maintenance of records and the provision of reports during the Step-in Period up to the Novation Effective Date so as to permit the Service Provider to monitor the performance of Project Co's other obligations under the Service Contract.

4.5.4 the Authority and the Service Provider shall use all reasonable endeavours to agree and the Authority shall use reasonable endeavours to procure that the Proposed Substitute agrees any amendments to the Service Contract necessary to reflect Clause 3.2.2 and the fact that the Design Build Finance and Maintain Agreement may have terminated at the time of the Novation Effective Date.

4.6 Termination After Novation

After the Novation Effective Date the Service Provider shall only be entitled to exercise its rights of termination under the Service Contract:

4.6.1 in respect of any Event of Project Co Default arising after that date in accordance with the Service Contract; or

4.6.2 if the Proposed Substitute does not discharge the obligations and liabilities assumed by it under Clause 4.5.2(a) which relate to matters arising prior to the end of the Step-in Period within [fifteen (15)] Business Days following the Novation Effective Date.

4.7 Extension of Step-In Period

As at the date of the first anniversary of the Step-in Date, if the Step-in Period has not previously ended, and:

4.7.1 the Authority is in the course of conducting discussions in good faith with a Proposed Substitute (the novation to whom has been approved by the Service Provider whether automatically or otherwise in accordance with Clause 4.3 (Grant of Consent)), the Step-in Period shall be extended and shall continue until such
date as is proposed by the Authority and agreed by the Service Provider; or

4.7.2 a contract has been entered into between the Authority and a Proposed Substitute (which has been approved by the Service Provider in accordance with Clause 4.3 (Grant of Consent)) as at such date,

the Step-in Period shall be extended and shall continue until the date such contract comes into force, provided that such date shall not be later than [thirty (30)] Business Days after the last date of execution of such contract.

5 RIGHTS AND OBLIGATIONS UNDER THE SERVICE CONTRACT

5.1 Rights of Termination

If:

5.1.1 no Step-in Notice or Proposed Novation Notice is given before a Termination Notice expires or within [fifteen (15)] Business Days after termination of the Design Build Finance and Maintain Agreement by the Authority; or

5.1.2 a Step-in Undertaking is not issued on the Proposed Step-in Date; or

5.1.3 the Step-in Notice is withdrawn or, pursuant to Clause 3.2.7, deemed to have been withdrawn; or

5.1.4 the Step-in Period ends before the occurrence of the Novation Effective Date; or

5.1.5 in the absence of a Step-in Undertaking, the Service Provider withholds its consent to a novation pursuant to a Proposed Novation Notice, in accordance with Clause 4.3 (Grant of Consent), and does not subsequently grant consent to a novation in accordance with Clause 4.4 (Consent Withheld) on or before the Proposed Novation Date; or

5.1.6 in the absence of a Step-in Undertaking, the obligations of the Proposed Substitute set out in Clause 4.5 (Implementation of Novation) are not performed on the Proposed Novation Date; or

5.1.7 the Service Provider is entitled to terminate the Service Contract under Clause 3.3 (Restriction of Right of Termination) or 4.6 (Termination after Novation); or
5.1.8 the Authority exercises its right to Step-out under Clause 3.4.1,

remedies against Project Co.

Novation) (unless the terms of such novation expressly preserve an
obligation or liability of Project Co), Project Co shall continue to be liable
for all its obligations and liabilities, whenever occurring, under or arising
from the Service Contract notwithstanding:

5.2.1 the service of a Step-in Notice or the issue of a Step-in
Undertaking or the expiry of the Step-in Period or the release of
a Step-in Undertaking; or

INTERFACE PROTOCOL

1.1 Project Co and the Authority have a duty to cooperate and recognise the interactive nature of the activities of both parties, and the need to avoid interference with each other's activities. The parties recognise that there is a need to clearly identify and document the points of interface and the responsibilities of each party.

1.2 Project Co will provide help and assistance to the Authority to ensure that the Services are fully integrated with the Authority Services. This will include training, attendance at Site meetings, and provision of support to the Authority to manage its operations.

1.3 The Authority and Project Co have agreed an Interface Protocol which sets out the allocation of responsibilities between the Authority and Project Co. The Interface Protocol identifies the Authority Services and the interfaces between Project Co and the Authority in respect of the delivery of the Authority Services and the Services respectively.

1.4 Project Co shall, or shall procure that the Project Co Parties shall carry out the services listed in column [♦] of Table [♦] of Section 4 (Interface Protocol) of this Schedule 12 (Service Requirements), in accordance with its terms.

1.5 The Authority shall, or shall procure that the Authority Parties shall carry out the services listed in column [♦] of Table [♦] of Section 4 (Interface Protocol) of this Schedule 12 (Service Requirements), in accordance with its terms. Subject always to paragraph 1.4 above, it is acknowledged and agreed by the parties that failure on the part of the Authority to satisfy any of the dependencies identified as "[Authority Responsibility] in column [♦] of Table [♦] of Section 4 (Interface Protocol) of this Schedule 12 (Service Requirements) (save for any minor failures that do not directly cause or contribute to the occurrence of an Availability Failure and/or Performance Failure) shall be treated as a breach of the Agreement by the Authority for the purposes of Clause 52.2.1 only and in no other respect.
SCHEDULE 13

INDEPENDENT TESTER CONTRACT

AGREEMENT

AMONG:

(1) [AUTHORITY] (the "Authority");
(2) [PROJECT CO] ("Project Co");
(3) [INDEPENDENT TESTER] (the "Independent Tester");
(4) [FUNDER] (in its capacity as "Agent" on behalf of the Senior Funders);
(5) [CONTRACTOR] (the "Contractor"); and
(6) [EQUIPMENT SERVICES PROVIDER] (the "Equipment Services Provider");

WHEREAS:

(A) Project Co and the Authority have entered into an agreement for the financing, design and construction of and the provision of certain services in connection with [details of facilities] at the Site (the "Project") (the "Design Build Finance and Maintain Agreement") under the terms of which they have jointly agreed to appoint an independent tester.

(B) Project Co has entered into the Construction Contract with the Contractor for the development of [details of facilities] at the Site.

(C) Project Co has entered into the [Senior Funding Agreements] with the Senior Funders.

(D) The Independent Tester is an independent adviser willing to provide services to Project Co and the Authority and for the benefit of the Senior Funders.

(E) Project Co and the Authority have jointly agreed to engage the Independent Tester to carry out the duties and obligations ascribed to the Independent Tester in the Design Build Finance and Maintain Agreement upon the terms of this Agreement.

IT IS AGREED as follows:

1 INTERPRETATION

1.1 Unless the context otherwise requires, words and expressions defined in the Design Build Finance and Maintain Agreement have the same meanings in this Agreement as in the Design Build Finance and Maintain Agreement.

1.2 The headings in this Agreement do not affect its interpretation.

1.3 Unless the context otherwise requires, all references to Clauses and Appendices are references to clauses of and appendices to this Agreement.

2 APPOINTMENT
2.1 Project Co and the Authority jointly appoint the Independent Tester to perform the obligations and tasks which are ascribed to the Independent Tester under the Design Build Finance and Maintain Agreement and which are set out in Appendix 1 upon the terms and conditions set out below. The Contractor [and the Equipment Services Provider] is a party [are parties] to this Agreement solely to make the commitments on its part [their respective parts] as expressly made in this Agreement and, for the avoidance of doubt, the Independent Tester shall have no liability to the Contractor [and the Equipment Services Provider].

2.2 The Independent Tester shall provide the services under Clause 2.1 (Appointment) above (the "Services") independently, fairly and impartially to and as between Project Co and the Authority in relation to the Design Build Finance and Maintain Agreement at such times and at such locations as the parties shall agree from time to time. In performing the Services, the Independent Tester shall have regard to the interest of the Senior Funders. Whilst the Independent Tester shall take account of any representations made by Project Co and the Authority and the Contractor (as appropriate) [and the Senior Funders' Technical Adviser] the Independent Tester shall not be bound to comply with any representations made by any of them in connection with any matter on which the Independent Tester is required to exercise his professional judgement.

2.3 The Independent Tester shall, as far as it is in its reasonable control, ensure that the Services and Varied Services are carried out by the Key Personnel listed in Appendix 3 only (the "Key Personnel"). In the event that, due to matters outwith the Independent Tester's control, it is necessary for there to be a change in any Key Personnel, the Independent Tester shall by written notice to the Authority and Project Co propose a suitable substitute for approval, taking into account the experience of the Key Personnel. Such appointment shall be subject to the approval of Project Co and the Authority (not to be unreasonably withheld or delayed).

3 SERVICES AND VARIED SERVICES

3.1 Subject to the prior written agreement of the Authority and Project Co to the costs thereof, the Independent Tester shall carry out and perform any additional and/or varied services required for the implementation of the Project reasonably required by the Authority and Project Co which are not included in, or which are omitted from, the Services (the "Varied Services") on the same terms as required for the Services pursuant to Clause 2.2 (Appointment). If the Independent Tester shall at any time be required to perform Varied Services, it shall give to the Authority and Project Co a written quote of the cost thereof (taking into account any reduction in work or other expense which might also occur as a result of the circumstances giving rise to the Varied Services) pursuant to Clause 5.7 (Fee).

3.2 The written agreement by the Authority and Project Co pursuant to Clause 3.1 (Services and Varied Services) shall state whether (and where applicable in what proportions) the Authority and/or Project Co will be responsible for the payment of the fee agreed for the Varied Services. The Independent Tester acknowledges

---

97 It has been suggested on some projects that the Contractor should receive the benefit of a duty of care from the Independent Tester (whether under this agreement or through a collateral warranty). Authorities should consider the implications fully and seek advice from their legal advisers on this point. Authorities' interests are likely to be prejudiced as a result. Issues that need to be considered include: whether this would increase the fee; whether the financial liability of the IT would be diluted (e.g. consider any cap on liability); whether the IT's liability to the Authority may be prejudiced as a result of a claim made by the Contractor; whether there could be any adverse impact on the resources of the IT; whether the Contractor's remedy should lie against Project Co in the event of any claim; and other project-specific considerations.
that the liability of Project Co and the Authority to pay the Independent Tester for the Varied Services shall be several and not joint.

3.3 Where a change to the Project occurs pursuant to the terms of the Design Build Finance and Maintain Agreement (whether by virtue of a Delay Event, Change, change to the Programme or otherwise) which may materially impact on the Services or otherwise on the Independent Tester, the Authority and Project Co shall promptly notify the Independent Tester of such change. The Independent Tester shall within [●] Business Days of receiving such notification, notify the Authority and Project Co of the impact of such change, if any, on the Services or otherwise, including whether such change gives rise to any Varied Services and the provisions of this Clause 3 (Services and Varied Services) shall apply accordingly.

3.4 The Independent Tester shall promptly and efficiently provide the Services and the Varied Services:

3.4.1 with the reasonable care, skill and diligence to be expected of a properly qualified and competent professional adviser who has held itself out as competent and experienced in rendering such services for projects of a similar size, nature, scope and complexity to the Project; and

3.4.2 in accordance with all applicable Law.

3.5 All instructions to the Independent Tester must be signed and given jointly by the Authority's Representative and Project Co's Representative or such other person appointed pursuant to Clause 8 (Representatives) of the Design Build Finance and Maintain Agreement and, for the avoidance of doubt, the Independent Tester shall not act in accordance with any instructions given to him by either the Authority or Project Co (or any other person) not given in accordance with the provisions of this Clause 3.5 (Services and Varied Services).

3.6 The Independent Tester shall comply with all reasonable instructions given to it by Project Co and the Authority pursuant to Clause 3.5 (Services and Varied Services) except and to the extent that the Independent Tester reasonably considers that any such instructions vary or might vary the Services or its authority or responsibilities under this Agreement or prejudices or might prejudice the exercise by the Independent Tester of its professional judgement in accordance with Clauses 2.2 (Appointment) and 3.4 (Services and Varied Services) above. The Independent Tester shall promptly confirm in writing to Project Co and the Authority whether or not it shall comply with any such instruction setting out the grounds upon which the decision is made.

3.7 The Authority, Project Co[,] the Equipment Services Provider] and the Contractor agree to co-operate with and provide reasonable assistance to the Independent Tester to familiarise the Independent Tester with all necessary aspects of the Project to enable the Independent Tester to carry out its obligations under this Agreement.

3.8 The Independent Tester shall be deemed to have full knowledge of the provisions of the Design Build Finance and Maintain Agreement, the Construction Contract,
the Service Contract, the Senior Funding Agreements and the [Sub-Contractor Co-operation Agreement (as defined in the Construction Contract)] such as relates to the Services or Varied Services and shall be deemed to be aware of and to have taken full account of all the undertakings and warranties, both expressed and implied, on the part of Project Co and the Authority which are set out in the Design Build Finance and Maintain Agreement provided always that true and accurate copies have been delivered to the Independent Tester.

3.9 Subject to Clause 3.10 (Services and Varied Services), the Independent Tester shall use the following partners, directors or employees: [insert names of individuals] in connection with the performance of the Services and any Varied Services and such persons’ services shall be available when necessary and for so long as may be necessary to ensure the proper performance by the Independent Tester of the Services and any Varied Services. Such persons shall have full authority to act on behalf of the Independent Tester for all purposes in connection with the Services and any Varied Services.

3.10 The Independent Tester may by written notice to the Authority and Project Co replace the staff identified in Clause 3.9 (Services and Varied Services) taking into account the need for liaison, continuity, level of qualification and availability of personnel in respect of the Project. Such replacement shall be subject to approval in writing by Project Co and the Authority (not to be unreasonably withheld or delayed).

4 DURATION

4.1 The Services shall commence on the date of this Agreement.

4.2 The parties hereby agree that this Agreement governs all of the Services (including the Varied Services, if any) provided by the Independent Tester in relation to the Project whether before or after the date hereof.

5 FEE

5.1 Project Co shall pay to the Independent Tester a fee of [INSERT FEE] for the Services provided under this Agreement. The fee is exclusive of value added tax and inclusive of disbursements. The Independent Tester shall issue an invoice to Project Co on a monthly basis in accordance with Appendix 2 Section 1 (Schedule of Drawdown of Fees) (the "Application for Payment"). The date on which the Application for Payment is received by Project Co shall constitute the due date (the "Due Date"). The final date for payment by Project Co shall be thirty (30) days after the Due Date (the "Final Date"). If Varied Services are provided then they shall be paid for in accordance with the agreement between the Independent Tester and the Authority and Project Co pursuant to Clause 3.1 and 3.2 (Services and Varied Services) and paid for in accordance with the provisions of this Clause 5 (Fee).

98 Authorities to amend according to specific requirements.
99 This drafting assumes that Project Co is responsible for paying the Independent Tester. Authorities should consider whether this will be the case as it may be better value for money for the Authority to pay an element of the fee itself, although the Authority must ensure that it is able to meet such a commitment. Consider fee in the context of the scope of service and how regular inspections are to be carried out.
5.2 Not later than five (5) days after the Due Date is ascertained in accordance with Clause 5.1 (Fee), Project Co shall give written notice to the Independent Tester stating the amount which Project Co considers to be or have been due at the Due Date and the basis on which the amount is calculated (the "Payment Notice"). It is immaterial that the sum referred to in this notice may be zero. If Project Co fails to give a Payment Notice in accordance with this Clause 5.2 (Fee) and the Independent Tester has given an Application for Payment in accordance with Clause 5.1 (Fee), subject to any Pay Less Notice given under Clause 5.3 (Fee), the sum to be paid to the Independent Tester shall be the sum specified in the Application for Payment.

5.3 Where Project Co intends to pay less than the sum stated as due pursuant to this Agreement, Project Co shall, not later than two (2) days before the relevant Final Date, give a written notice to the Independent Tester (a "Pay Less Notice"). Such Pay Less Notice shall specify both the sum that Project Co considers to be due to the Independent Tester at the date the notice is given and the basis on which that sum is calculated. It is immaterial that the sum referred to in this Clause 5.3 (Fee) may be zero. Where any Pay Less Notice is given, the payment to be made on or before the relevant Final Date shall be not less than the amount stated as due in such notice.

5.4 If Project Co fails to pay a sum, or any part of it, due to the Independent Tester under this Agreement by the relevant Final Date, Project Co shall, in addition to any unpaid amount that should properly have been paid, pay the Independent Tester simple interest on that amount from the Final Date until the actual date of payment at the Default Interest Rate.

5.5 If Project Co fails to pay any amount properly due pursuant to this Agreement by the relevant Final Date and the failure continues for twenty-one (21) days after the Independent Tester has given notice to Project Co of its intention to suspend performance of all or any of the Services or Varied Services and the ground or grounds on which it is intended to suspend performance, the Independent Tester may suspend performance of any or all of its obligations until payment is made in full. [Any period of suspension of the Services or Varied Services in accordance with this Clause 5.5 (Fee) shall be disregarded in computing any contractual time limit to complete work directly or indirectly affected by the exercise of the rights conferred by this Clause 5.5 (Fee), or as the case may be and the time for completion of such work shall be extended by a period equal to the period of suspension.]100

Where the Independent Tester exercises its right of suspension under this Clause 5.5 (Fee), it shall be entitled to a reasonable amount in respect of costs and expenses reasonably incurred by it as a result of the exercise of that right. Any such costs and expenses shall be included in the Independent Tester's next Application for Payment and the Independent Tester shall, with its application, submit such details of the costs and expenses as are reasonably necessary to enable the Independent Tester's entitlement to be ascertained.

5.6 Without prejudice to Clause 3.5 (Services and Varied Services), neither the Authority nor Project Co shall issue instructions or do anything which does or is reasonably likely materially to increase the fees payable to the Independent Tester

without the prior approval of the other (such approval not to be unreasonably withheld or delayed).

5.7 As soon as the Independent Tester becomes aware of the same and before acting on the same the Independent Tester shall inform the Authority and Project Co of any instructions given to him pursuant to Clause 3.5 (Services and Varied Services) which will or could reasonably be expected to increase the fees payable to the Independent Tester under the terms of this Agreement. The Independent Tester shall if requested by either Project Co or the Authority provide both the Authority and Project Co with as detailed an estimate as is reasonably practicable of the increase to the fees payable to it if it carries out such instructions. The estimate of increased fees shall be based upon the rates contained in Appendix 2, Section 2 (Schedule of Daily Rates).

6 LIMITATIONS ON AUTHORITY

6.1 The Independent Tester shall not:

6.1.1 make or purport to make any alteration or addition to or omission from the design of the Facilities (including, without limitation, the setting of performance standards) or issue any instruction or direction to any contractor or professional consultant employed or engaged in connection with the Project; or

6.1.2 (unless both Project Co and the Authority consent in writing) consent or agree to any waiver or release of any obligation of Project Co or the Authority under the Design Build Finance and Maintain Agreement or of any contractor or professional consultant employed or engaged in connection with the Project.

6.2 For the avoidance of doubt, the Independent Tester shall not express an opinion on and shall not interfere with or give any advice, opinion or make any representation in relation to any matters which are beyond its role and responsibilities under this Agreement.

7 TERMINATION

7.1 Project Co and the Authority may by joint notice in writing (a "Joint Notice") immediately terminate this Agreement if the Independent Tester:

7.1.1 is in breach of any of the terms of this Agreement which, in the case of a breach capable of remedy, shall not have been remedied by the Independent Tester within twenty-one (21) days of receipt by the Independent Tester of a Joint Notice specifying the breach and requiring its remedy;

7.1.2 is incompetent, guilty of gross misconduct and/or any material failure, negligence or delay in the provision of the Services and/or its other duties under this Agreement;
7.1.3 fails or refuses after written warning to provide the Services and/or its other duties under this Agreement reasonably and as properly required of him; or

7.1.4 is subject to an event analogous to any of the events set out in Clause 40.1.1 (Insolvency) of the Design Build Finance and Maintain Agreement.

7.2 If the Design Build Finance and Maintain Agreement is rescinded, terminated or repudiated for any reason and, notwithstanding that the validity of such rescission, termination or repudiation may be disputed, this Agreement may be terminated by Joint Notice and with immediate effect.

7.3 Following any termination of this Agreement, but subject to any set-off or deductions which Project Co or the Authority may be entitled properly to make as a result of any breach of this Agreement by the Independent Tester, the Independent Tester shall be entitled to be paid in full and final settlement of any valid claim which the Independent Tester may have in consequence thereof for any fees due under Clause 5 (Fee) above in respect of the Services or Varied Services carried out in accordance with this Agreement prior to the date of termination.

7.4 Termination of this Agreement shall be without prejudice to any accrued rights and obligations under this Agreement as at the date of termination (including the right of Project Co and the Authority to recover damages from the Independent Tester).

7.5 If this Agreement is terminated in accordance with Clause 7.1 (Termination), Project Co and the Authority shall use reasonable endeavours to engage an alternative Independent Tester within thirty (30) days, subject to Law and public procurement rules. If within such period Project Co and the Authority are unable to procure the appointment of an alternative Independent Tester on reasonable commercial terms, the Independent Tester shall pay to Project Co and/or the Authority, as the case may be, any reasonable incremental loss, damage or extra costs suffered by each of them.

7.6 If Project Co fails to make a payment of any undisputed sum to the Independent Tester within [♦] Business Days of the expiry of any notice issued pursuant to Clause 5.5 (Fee) in respect of such sum, the Independent Tester may issue a further written notice to the Authority and Project Co specifying that the payment remains outstanding (the "Second Notice") and if payment is not made within [♦] Business Days of receipt of the Second Notice the Independent Tester may issue a further written notice terminating this Agreement with immediate effect. Failure by Project Co to pay, following receipt of a Second Notice pursuant to this Clause 7.6 (Termination), shall be the Independent Tester's sole ground for terminating this Agreement by reason of breach of this Agreement by the Authority and/or Project Co.

7.7 Termination of this Agreement shall not affect the continuing rights and obligations of Project Co, the Authority and the Independent Tester under Clauses 6 (Limitations on Authority), 8 (Confidential Information and Copyright), 9 (Professional Indemnity Insurance), 18 (Dispute Resolution Procedure) and this Clause or under any other Clause which is expressed to survive termination or
which is required to give effect to such termination or the consequences of such termination.

8 CONFIDENTIAL INFORMATION AND COPYRIGHT

8.1 The Independent Tester shall treat as secret and confidential and shall not at any time for any reason disclose or permit to be disclosed to any person or otherwise make use of or permit to be made use of any unpublished information relating to Project Co's or the Authority's or the Contractor's (if appropriate) technology or other know-how business plans or finances or any such information relating to a subsidiary, supplier, customer or client of Project Co or the Authority or the Contractor (if appropriate) where the information was received during the period of this Agreement except as may be reasonably necessary in the performance of the Services or Varied Services. Upon termination of this Agreement for whatever reasons the Independent Tester shall offer to deliver up to Project Co or the Authority (as appropriate) all working papers, computer disks and tapes or other material and copies provided to or prepared by him pursuant either to this Agreement or to any previous obligation owed to Project Co or the Authority provided always that the Independent Tester shall be entitled to retain copies of all such items where such offer is accepted.

8.2 The obligation to maintain confidentiality does not apply to any information or material to the extent that the Independent Tester is compelled to disclose any such information or material by law or any regulatory or Government authority.

8.3 The copyright in all reports, and other documents produced by the Independent Tester in connection with the Project shall remain vested in the Independent Tester but the Independent Tester grants to Project Co and Authority and their nominees with full title guarantee a non-exclusive irrevocable royalty free licence to copy and use such reports, and other documents and to reproduce the information contained in them for any purpose related to the Project including (but without limitation) the construction, completion, maintenance, letting, promotion, advertisement, reinstatement, extension and repair of the Project. Such licence shall include a licence to grant sub-licences and to transfer the same to third parties.

8.4 The Independent Tester shall not be liable for use by any person of the documents, (including reports, details, plans, specifications, schedules, computer programs, software, consents and any other papers, works, reports and inventions produced by the Independent Tester) for any purpose other than that for which the same were prepared by or on behalf of the Independent Tester.

9 PROFESSIONAL INDEMNITY INSURANCE

9.1 Without prejudice to its obligations under this Agreement, or otherwise at law, the Independent Tester shall maintain professional indemnity insurance with a limit of indemnity of not less than [\[\bullet\] (£\[\bullet\])]\(^{101}\) for any one (1) claim in respect of any neglect, error or omission on the Independent Tester's part in the performance of its obligations under this Agreement for the period commencing on the date of this Agreement and expiring twelve (12) years after:

---

\(^{101}\) Authorities to take advice from insurance advisers on appropriate level of PII cover for the scheme. The minimum level is £10 million.

9.1.2 the termination of this Agreement,

whichever is the earlier, provided that such insurance is available in the market place at commercially reasonable rates.

9.2 The Independent Tester shall maintain such insurance with reputable insurers carrying on business in the United Kingdom.

9.3 Any increased or additional premium required by insurers by reason of the Independent Tester's own claims record or other acts, omissions, matters or things particular to the Independent Tester shall be deemed to be within commercially reasonable rates.

9.4 The Independent Tester shall as soon as reasonably practicable inform Project Co and the Authority if such insurance ceases to be available at commercially reasonable rates in order that the Independent Tester and Project Co and the Authority can discuss means of best protecting the respective positions of Project Co and the Authority and the Independent Tester in respect of the Project in the absence of such insurance.

9.5 The Independent Tester shall fully co-operate with any measures reasonably required by Project Co and the Authority including (without limitation) completing any proposals for insurance and associated documents and maintaining such insurance at rates above commercially reasonable rates if Project Co and the Authority undertake in writing to reimburse the Independent Tester in respect of the net cost of such insurance to the Independent Tester above commercially reasonable rates.

9.6 The Independent Tester shall, prior to commencing the provision of the Services and as soon as reasonably practicable following Renewal Dates, produce for inspection by Project Co and the Authority documentary evidence that such insurance is being properly maintained.

9.7 The above obligations in respect of professional indemnity insurance shall continue notwithstanding termination of this Agreement for any reason whatsoever, including (without limitation) breach by Project Co and the Authority.

10 LIMITATION OF LIABILITY

10.1 With the exception of liability for death, personal injury and/or any other liability that cannot lawfully be excluded or limited, the Independent Tester's maximum [aggregate] liability to all parties, under or in connection with this Agreement,
whether in contract or in tort, or for breach of statutory duty is limited to £\[\text{102}\] million.

10.2 [Notwithstanding anything to the contrary stated elsewhere in this Agreement, the parties hereby expressly agree that the Independent Tester shall have no liability to any party under or in connection with this Agreement for any claim or claims related to terrorism, asbestos or toxic mould.]

10.3 No action or proceedings under or in connection with this Agreement shall be commenced against the Independent Tester after the expiry of twelve (12) years from the earlier of: (a) the date of final certification of the Works; and (b) the termination of this Agreement.

11 SUB-CONTRACTOR LOSSES AND NO LOSS AVOIDANCE

11.2 Where the Independent Tester would otherwise be liable to make a payment by way of compensation to Project Co including amounts which, in turn, comprise compensation to any Sub-Contractor which is payable by Project Co and/or which would be payable by way of compensation to any Sub-Contractor by Project Co the Independent Tester shall not be entitled to withhold, reduce or avoid any such payment to Project Co in reliance (in whole or in part) on the fact that payment of the amount which is or would be due from Project Co to the Sub-Contractor or the entitlement of the Sub-Contractor to receive payment of such amount (as a result of the circumstances giving rise to the Independent Tester's obligation to pay such compensation) is conditional on receipt by Project Co of such amount from the Independent Tester.

1.1 If at any time after the Payment Commencement Date an Availability Failure or a Performance Failure occurs the Authority will be entitled, subject to paragraphs 1.2 and 1.4 of this Section 3 (Deductions from Monthly Service Payments) and paragraph 1 of Section 4 (Temporary Repairs), to make Deductions in calculating the Monthly Service Payment in respect of that Availability Failure or Performance Failure, calculated in accordance with this Section 3 (Deductions from Monthly Service Payments) of Schedule 14 (Payment Mechanism).

1.2 In calculating the Monthly Service Payment for Contract Month "n", the maximum aggregate of all Deductions that the Authority may make in respect of Contract Month "n-2" is the Gross Monthly Availability Deduction for Contract Month "n-2".

1.3 In any Contract Month where the value of $\sum D_{n-2}$ exceeds the value of ASP$_n$/12, the Monthly Service Payment due by the Authority shall be an amount equal to PTC for that Contract Month but the Authority shall, in calculating the Monthly Service Payment in respect of the following and (to the extent necessary) any subsequent Contract Months, be entitled to carry forward and set off the amount of such excess against the amount by which the value of ASP$_n$/12 exceeds the value of $\sum D_{n-2}$ (as such values are calculated in the following Contract Month and (to the extent necessary) any subsequent Contract Months) for a period of up to twelve Contract Months, or, if earlier, until the amount of such excess has been set-off in full.

1.4 To the extent that an Availability Failure or a Performance Failure:

1.4.1 is the result of an Excusing Cause; or

1.4.2 [is the result of an External Utility Failure,]

the Authority shall not be entitled to make Deductions.

1.5 To the extent that an Availability Failure or a Performance Failure is the result of:

1.5.1 a Relief Event; or

1.5.2 an event of Force Majeure,

the Authority shall be entitled to make Deductions but any such Deductions shall be disregarded for the purposes of Clause 26.3 (Grounds for Warning Notices) and Clause 40.1.8.
DEDUCTIONS FOR PERFORMANCE FAILURES

2.1 Subject to paragraphs 1 (Entitlement to make Deductions), 2.3 (Deductions for Performance Failures), 2.4 (Deductions for Performance Failures), 5 (Repeated Failures) and 7 (Effect of Unavailability on Other Deduction) of this Section 3 (Deductions from Monthly Service Payments), the amount of the Deduction in respect of a Performance Failure is calculated using the following formula:

\[ D = PFD \times DP \]

where:

D means the amount (in Pounds Sterling) of the Deduction in respect of the Performance Failure; and

PFD means:

(a) in the case of a Minor Performance Failure, the sum of £[♦], index linked;

(b) in the case of a Medium Performance Failure, the sum of £[♦], index linked; and

(c) in the case of a Major Performance Failure, the sum of £[♦], index linked.

2.2 In the case of a Service Event for which no Rectification Period is specified in the Performance Standard, a Performance Failure occurs immediately upon the occurrence of the Service Event and, if it is not Remedied within the relevant Remedial Period, it will reoccur at the expiry of the Remedial Period and the Remedial Period shall recommence and so on until such time as the Performance Failure has been Remedied.

2.3 No Deduction may be made by the Authority from the Monthly Service Payment for the relevant Contract Month in respect of any Minor Performance Failure if the total number of Minor Performance Failures which have occurred in the relevant Contract Month is not more than [♦].

2.4 Where two (2) or more Performance Failures occur in a Functional Area during a Day, only the Performance Failure that results in the highest Deduction will apply.

3 DEEMED PERFORMANCE FAILURES

If Project Co fails to monitor or accurately report a Service Event, a Performance Failure or an Availability Failure then, without prejudice to the Deduction to be made in respect of the
relevant Performance Failure or Availability Failure (if any), the failure to monitor or report the Service Event, Performance Failure or Availability Failure will be deemed to be a new Medium Performance Failure unless the circumstances set out in paragraph 6 of Section 5 (Failure by Project Co to Monitor or Report) apply, in which case there shall be deemed to be a new Major Performance Failure.

4 DEDUCTIONS FOR AVAILABILITY FAILURES

4.1 Subject to paragraphs 1 (Entitlement to make Deductions) and 5 (Repeated Failures) of this Section 3 (Deductions from Monthly Service Payments), and subject also to paragraph 4.2 [and paragraph 4.3] below where applicable, the amount of the Deduction in respect of an Availability Failure is the higher of:

4.1.1 the Minimum Availability Deduction; and

4.1.2 an amount calculated in accordance with the following formula:

\[ D = SUA \times SUR \times DP \]

where:

\[ D \] means the amount (in Pounds Sterling) of the Deduction in respect of the Availability Failure

4.2 Where the relevant Functional Area is Unavailable but Used the Deduction for the Availability Failure shall be reduced by 50%.

4.3 [If on the relevant day any of the Whole Facilities Unavailability Conditions are met then, for the purpose of the formula in paragraph 4.1 above the SUA will be deemed to be equal to SUF.]

5 REPEATED FAILURES

Subject to paragraph 1 (Entitlement to make Deductions) of this Section 3 (Deductions from Monthly Service Payments) if:

5.1 a Performance Failure in respect of the same Performance Standard; or

5.2 an Availability Failure in respect of the same Availability Standard,

occurs \([\bullet]\) or more times in a rolling period of \([\bullet]\) consecutive Contract Months, then the Deduction calculated pursuant to paragraph 2 (Deductions for Performance Failures) or paragraph 4 (Deductions for Availability Failures) of this Section 3 (Deductions from Monthly Service Payments) for the \([\bullet]\) and each subsequent such Performance Failure and/or the \([\bullet]\)
and each subsequent such Availability Failure during the relevant period of [●] consecutive Contract Months shall be multiplied by [1.5].

6 REPEATED RECTIFICATION

If four (4) or more Service Events occur in any rolling seven (7) day period and:

6.1 each such Service Event is in connection with the same Performance Standard or Availability Standard;

6.2 each such Service Event affects the same Functional Area; and

6.3 there is good reason to believe that the root cause of each such Service Event is the same,

then, notwithstanding paragraph 2.3 and notwithstanding that Project Co achieves Rectification of the Service Events within the relevant Rectification Period, there will be deemed to be a Major Performance Failure.

7 EFFECT OF UNAVAILABILITY ON OTHER DEDUCTIONS

7.1 Subject to paragraphs 7.2 and 7.3, if a Performance Failure occurs affecting a Functional Area and the Service Event giving rise to the Performance Failure also gives rise to an Availability Failure affecting that Functional Area, only the deductions for the Availability Failure apply.

7.2 If an Availability Failure affects a Functional Area and the Authority does not continue to use that Functional Area, the Authority shall not, until Rectification of that Availability Failure, be entitled to make further Deductions in respect of that Functional Area other than in respect of the Availability Failure.

7.3 If a Functional Area is Unavailable but Used, the Authority will be entitled to make Deductions in respect of any Performance Failures affecting that Functional Area.
SECTION 4
TEMPORARY REPAIRS

1 If Project Co informs the Authority that it is unable to Rectify a Service Event within the specified Rectification Period due to the need for specialised materials or personnel that are not, and cannot reasonably be expected to be, immediately available at the Facilities but that a Temporary Repair can be effected:

1.1 Project Co may carry out the Temporary Repair proposed by Project Co unless the Authority, acting reasonably, considers that, if the Temporary Repair proposed by Project Co is carried out, the relevant Functional Area will not be fit for use for the Authority Services for which it is normally used; and

1.2 where a Temporary Repair is permitted pursuant to paragraph 1.1, the Authority and Project Co must act reasonably to agree a date and time (the "Permanent Repair Deadline") by which a Permanent Repair must be made, giving Project Co a reasonable period within which to carry out the Permanent Repair.

2 During any period beginning at the time when a Temporary Repair has been approved by the Authority and ending at the earlier of:

2.1 the time at which a Permanent Repair is successfully completed; or

2.2 the Permanent Repair Deadline,

the Availability Standards will be replaced by the Minimum Agreed Availability Standards.

3 If an agreed Temporary Repair is completed by Project Co before the Permanent Repair Deadline and results in the Functional Area affected by the relevant Service Event satisfying the Minimum Agreed Availability Standards, the date and time shown in the Helpdesk records maintained by Project Co in accordance with the Service Level Specification as being the date and time when the Temporary Repair was completed (or, in the event that a failure affecting the Helpdesk occurs, as shown on the manual Helpdesk records maintained by Project Co as being the date and time when the Temporary Repair was completed) shall be deemed to be the Logged Rectification Time for that Service Event for the purpose of determining the value of DP in the formula in paragraph 4 (Deductions for Availability Failures) in Section 3 (Deductions from Monthly Service Payments) of this Schedule 14 (Payment Mechanism).

4 If the Permanent Repair is not carried out by the Permanent Repair Deadline, a Performance Failure or, as the case may be, an Availability Failure, will occur at that date and time and the provisions of paragraph 2 (Deductions for Performance Failures), paragraph 4 (Deductions for Availability Failures) and, if applicable, paragraph 5 (Repeated Failures) of Section 3 (Deductions from Monthly Service Payments) of this Schedule 14 (Payment Mechanism) shall apply.
SECTION 5

FAILURE BY PROJECT CO TO MONITOR OR REPORT

1 Subject to paragraphs 2 to 4 inclusive of this Section 5 (Failure by Project Co to Monitor or Report), the Monthly Service Report produced by Project Co for any Contract Month shall be the source of the factual information regarding the performance of the Services for the relevant Contract Month for the purposes of calculating the Deductions pursuant to Section 3 (Deductions from Monthly Service Payments) of this Schedule 14 (Payment Mechanism).

2 Either party may give written notice to the other if it believes there is an error or omission in a Monthly Service Report provided that, save in the circumstances referred to in paragraph 6 below, such notice must be given before the end of the Contract Month that falls two (2) Contract Months after the Contract Month in which the relevant Monthly Service Report was submitted by Project Co. The parties shall endeavour to agree the amendments required to rectify the error or omission (if any) within ten (10) Business Days of notice being given in accordance with this paragraph 2, failing which either party may, on giving written notice to the other, refer the matter to the Dispute Resolution Procedure.

3 Where Project Co fails to monitor or accurately to report a Performance Failure or an Availability Failure in the circumstances referred to in paragraph 6 of this Section 5 (Failure by Project Co to Monitor or Report), for the purposes of paragraph 1 of Section 1 (General Requirements) of Schedule 19 (Record Provisions) the Authority shall be deemed to have reasonable cause to require that Project Co shall make available to the Authority for inspection such of the records referred to in paragraphs 10 and 11 of Section 2 (Records to be Kept) of Schedule 19 (Record Provisions) as the Authority may specify.

4 Project Co shall upon submission of a valid invoice pay to the Authority a sum equal to the costs reasonably incurred by the Authority in carrying out any inspection and investigation of records made available pursuant to paragraph 3 above.

5 In the event that the Authority's inspection or investigation of records made available pursuant to paragraph 3 above reveals any further matters of the types referred to in paragraphs 2 and 3 above, those matters shall be dealt with in accordance with paragraph 2 or 3 as appropriate and the Authority shall, in addition, be entitled to make Deductions in respect of any Performance Failures or Availability Failures in the manner prescribed Section 3 (Deductions from Monthly Service Payments) of this Schedule 14 (Payment Mechanism). The Monthly Service Payment for the Contract Month in which any such Deduction would (but for the error or omission in the Monthly Service Report) have been made shall be re-calculated to take account of such Deduction and the amount of such Deduction shall be immediately due and payable by Project Co to the Authority together with interest at the Default Interest Rate from the date on which the Authority paid the Monthly Invoice for the relevant Contract Month until the date on which payment is made by Project Co.

6 For the purposes of paragraphs 2 and 3 of this Section 5 (Failure by Project Co to Monitor or Report) the relevant circumstances are:

6.1 fraudulent action or inaction;

6.2 deliberate misrepresentation; or
6.3 gross misconduct or gross incompetence,

in each case on the part of Project Co or a Project Co Party.

The provisions of this Section 5 (*Failure by Project Co to Monitor or Report*) shall be without prejudice to any rights of the Authority in this Agreement pursuant to Clause 26 (*Monitoring of Performance*), Clause 40 (*Project Co Events of Default*) and Clause 45 (*Corrupt Gifts and Payments*).
SECTION 6
OTHER COSTS

1 [UTILITY CHARGES]

1.1 Project Co may include charges for Utilities in the Monthly Service Payment in accordance with paragraph 1.1 of Section 2 (Calculation of Service Payments) of this Schedule 14 (Payment Mechanism) on the basis of costs reasonably incurred by Project Co and supported by an appropriate invoice from Project Co's suppliers.

3.2 There shall be excluded from the premiums treated as an Additional Cost, a sum equal to any portion of the premiums (referred to in paragraph 3.1) reasonably considered by the Authority, having taken into account the information in the Joint Insurance Cost Report, to be Project Co Factors.

3.3 Where the main source of remuneration of Project Co's insurance broker in respect of services provided to Project Co in connection with the placing of Operational Insurances is by way of a fee, instead of commission, and provided that the fee is reasonable and acceptable to the Authority and no commission is being received by the broker in addition to such fee, the amount of any fee charged, to the extent reasonably and properly attributable to the Operational Insurances, shall be treated in the same manner as the relevant premiums pursuant to paragraph 3.1 above.

ENDORSEMENTS

Unless the context otherwise requires defined terms set out in the following endorsements shall have the meaning set out in the Agreement.

Endorsement 1
Cancellation

1. This policy shall not be cancelled or terminated before the original expiry date is to take effect except in respect of non-payment of premium.

2. The insurer shall by written notice advise the Authority:

   2.1 at least thirty (30) days before any such cancellation or termination is to take effect;
   
   2.2 at least thirty (30) days before any reduction in limits or coverage or any increase in deductibles is to take effect; and
   
   2.3 of any act or omission or any event of which the insurer has knowledge and which might invalidate or render unenforceable in whole or in part this policy.

Endorsement 2
Multiple Insured/Non-Vitiation Clause

1. Each of the parties comprising the insured shall for the purpose of this policy be considered a separate co-insured entity, insured on a composite basis, with the words "the insured" applying to each as if they were separately and individually insured provided that the total liability of the insurers under each section of this policy to the insured collectively shall not (unless the policy specifically permits otherwise) exceed the limit of indemnity or amount stated to be insured under that section or policy. Accordingly, the liability of the insurers under this policy to any one insured shall not be conditional upon the due observance and fulfilment by any other insured party of the terms and conditions of this policy or of any duties imposed upon that insured party relating thereto, and shall not be affected by any failure in such observance or fulfilment by any such other insured party.

2. It is understood and agreed that any payment or payments by insurers to any one or more of the insureds shall reduce, to the extent of that payment, insurers' liability to all such parties arising from any one (1) event giving rise to a claim under this policy and (if applicable) in the aggregate.

3. Insurers shall be entitled to avoid liability to or (as may be appropriate) claim damages from any insured party in circumstances of fraud misrepresentation non-disclosure or material breach of warranty or condition of this policy (each referred to in this clause as a "Vitiating Act") committed by that insured party save where such misrepresentation non-disclosure or breach of warranty or condition was committed innocently and in good faith.
For the avoidance of doubt it is however agreed that a Vitiating Act committed by one insured party shall not prejudice the right to indemnity of any other insured who has an insurable interest and who has not committed the Vitiating Act.

Insurers hereby agree to waive all rights of subrogation and/or recourse which they may have or acquire against any insured party (together with their employees and agents) except where the rights of subrogation or recourse are acquired in consequence of a Vitiating Act in which circumstances insurers may enforce such rights against the insured responsible for the Vitiating Act notwithstanding the continuing or former status of the vitiating party as an insured.

Notwithstanding any other provision of this policy or any other document or any act and/or omission by any insured party insurers agree that:

6.1 no party other than the Authority has any authority to make any warranty, disclosure or representation in connection with this policy on behalf of the Authority;

6.2 where any warranty, disclosure or representation is required from the Authority in connection with this policy insurers will contact the Authority in writing (in accordance with Endorsement 3 to the Contract) and set out expressly the warranty, disclosure and/or representation required within a reasonable period of time from the Authority (regarding itself); and

6.3 save as set out in a request from insurers to the Authority in accordance with (2) above, the Authority shall have no duty to disclose any fact or matter to insurers in connection with this policy save to the extent that for the Authority not to disclose a fact or matter would constitute fraudulent misrepresentation and/or fraudulent non-disclosure.

Endorsement 3

In considering which insurers to approach, Project Co must consider whether any of the Shareholders enjoys any special relationship with any insurer and/or is otherwise able to procure the placing of the relevant insurance in any particular manner consistent with the requirements of this Agreement that may result in lower premiums and shall include such insurers in its proposal under this paragraph 3.

4 Cost and Timing

4.1 If the Low Value Change is of a type listed in the Catalogue, the cost of carrying out that Low Value Change shall not exceed the relevant Catalogue Price and the time period for implementing the Low Value Change shall not exceed the relevant time specified in the Catalogue.

4.2 If the Low Value Change is not of a type that is listed in the Catalogue, the cost of carrying out that Low Value Change shall be calculated on the basis that:

4.2.1 wherever practicable the Low Value Change will be carried out by an [existing on-site and] suitably qualified employee of Project Co or a Project Co Party and in that case Project Co may not charge for labour. Where there is no such suitably qualified on-site employee reasonably available to carry out the Low Value Change, the cost of the labour element will be calculated in accordance with the Small Works and Services Rates or, where such rates are not applicable, in accordance with rates which are fair and reasonable; and

4.2.2 the materials element will be charged at the cost of materials to Project Co or to the Project Co Party carrying out the work (net of all discounts) and there shall be no management fee, margin, overhead, contingency or other cost applied in relation thereto.

4.3 Other than the costs referred to in paragraphs 4.1 and 4.2 of this Section 2 (Low Value Changes) Project Co may not charge the Authority for processing, implementing or managing a Low Value Change.

5 Authority objection

The Authority may object in writing within five (5) Business Days of receipt of Project Co's notice pursuant to paragraph 3 of this Section 2 (Low Value Changes), to any part of that notice and in that event the parties shall act reasonably to endeavour to agree as soon as practicable how the Low Value Change is to be implemented, which may include the Authority withdrawing the Authority Notice of Change.

6 Implementation
6.1 Project Co must implement a required Low Value Change so as to minimise any inconvenience to the Authority and, subject to paragraph 10.2 of this Section 2 (Low Value Changes), within the timescale specified in the notice given by Project Co pursuant to paragraph 3 of this Section 2 (Low Value Changes) (or agreed by the parties pursuant to paragraph 5 of this Section 2 (Low Value Changes)).

6.2 Project Co shall notify the Authority when it considers that the Low Value Change has been completed.

6.3 If Project Co:

6.3.1 fails to give a notice to the Authority in accordance with paragraph 3 of this Section 2 (Low Value Changes) within fifteen (15) Business Days of the date of the Authority Change Notice; or

6.3.2 gives a notice pursuant to paragraph 3 of this Section 2 (Low Value Changes) to which the Authority has objected pursuant to paragraph 5 of this Section 2 (Low Value Changes) on any ground other than the cost of the Low Value Change, the parties have not reached agreement as to how the Low Value Change is to be implemented and the objection has not been referred to the Dispute Resolution Procedure; or

6.3.3 gives a notice pursuant to paragraph 3 of this Section 2 (Low Value Changes) to which the Authority does not object pursuant to paragraph 5 but then fails to fully implement the Low Value Change within ten (10) Business Days after the timescale specified in that notice or agreed in accordance with paragraph 5 of this Section 2 (Low Value Changes),

then, subject to paragraph 10.3 of this Section 2 (Low Value Changes), the Authority may notify Project Co that the Low Value Change Notice is withdrawn and, following such notification, may procure the implementation of the Low Value Change without further recourse to Project Co, but the Authority must ensure that the Low Value Change is carried out in accordance with Good Industry Practice and to the standards that would have applied to Project Co if it had implemented the Low Value Change.

7 Payment

Unless the Authority notifies Project Co within five (5) Business Days of receipt of a notice from Project Co pursuant to paragraph 6.2 above that the Low Value Change has not been implemented to its reasonable satisfaction:

7.1 Project Co shall, where the Low Value Change is implemented prior to the Operational Term, issue an invoice in respect of the costs of the Low Value Change, which the Authority must pay within twenty (20) Business Days of receipt; or

7.2 Project Co shall, where the Low Value Change is implemented during the Operational Term, include the costs of the Low Value Change in the next Monthly
Invoice submitted pursuant to Clause 35.2 of this Agreement following completion or implementation of the relevant Low Value Change and the amounts payable for the Low Value Changes shall be invoiced and paid in accordance with the procedure described in Clause 35 of this Agreement.

8 Update of Catalogue and Small Works and Services Rates

8.1 From the Commencement Date the Catalogue shall be that set out in Part 1 (Catalogue) of Appendix 1 to this Schedule 16 (Change Protocol) and the Small Works and Services Rates shall be those set out in Part 2 of (Small Works and Services Rates) Appendix 1 to this Schedule 16 (Change Protocol).

8.2 Subject to paragraph 8.3 of this Section 2 (Low Value Changes), the unit prices and the Small Works and Services Rates set out in the Catalogue and the Small Works and Services Rates shall be indexed on each anniversary of the Commencement Date for the change in RPI since the Commencement Date or, after the first Catalogue Review Date, since the most recent Catalogue Review Date.

8.3 On the date which is twenty (20) Business Days before each Catalogue Review Date, Project Co must provide the Authority with:

8.3.1 a revised and updated Catalogue which:

(a) includes in the Catalogue unit prices for any types of Low Value Changes which have occurred and which the parties consider are reasonably likely to reoccur during the life of the Project and any other types of Low Value Changes as the parties may agree; and

(b) includes time periods for the carrying out of each listed type of Low Value Change; and

8.3.2 updated Small Works and Services Rates.

The unit prices and Small Works and Services Rates will be for the ensuing three (3) year period following the Catalogue Review Date. The unit prices must represent good value for money having regard to:

(a) prices prevailing for similar items in the market at the time; and

(b) paragraph 4.2 of this Section 2 (Low Value Changes).

The Small Works and Services Rates must provide value for money with reference to rates prevailing for similar services in the market at the time.
8.4 Within ten (10) Business Days of the submission by Project Co of the revised and updated Catalogue and Small Works and Services Rates pursuant to paragraph 8.3 of this Section 2 (Low Value Changes), the Authority shall confirm in writing whether or not it agrees that the revised and the updated Catalogue shall constitute the Catalogue and the updated Small Works and Services Rates shall constitute the Small Works and Services Rates for the purposes of this Agreement from the relevant Catalogue Review Date;

8.5 If the Authority does not confirm to Project Co that it agrees with the revised and updated Catalogue and/or Small Works and Services Rates provided by Project Co pursuant to paragraph 8.3 of this Section 2 (Low Value Changes), the parties shall meet and endeavour, in good faith, to agree any amendments to the Catalogue and/or Small Works and Services Rates. Any dispute in relation to this paragraph 8 may be referred by either party to the Dispute Resolution Procedure. The revised and updated Catalogue and revised and updated Small Works and Services Rates with such amendments as are agreed by the parties or determined under the Dispute Resolution Procedure shall constitute the Catalogue and the Small Works and Services Rates for the purposes of this Agreement from the relevant Catalogue Review Date.

9 Documentation and Monitoring

9.1 No due diligence (whether funder, legal, technical, insurance or financial) shall be required in relation to Low Value Changes unless otherwise agreed between the parties.

9.2 The Works, Services, Facilities and/or Authorities Policies (as appropriate) shall be deemed to be amended pursuant to Clause 73 (Amendments), to include any required Low Value Change implemented by Project Co pursuant to paragraph 6.1 of this Section 2 (Low Value Changes). Subject to paragraph 9.3 of this Section 2 (Low Value Changes), no other changes shall be made to this Agreement or any Project Document as a result of a Low Value Change, unless otherwise agreed between the parties.

9.3 Where it is agreed that an adjustment of the Annual Service Payment is required in respect of a Low Value Change, the Financial Model and Annual Service Payment shall be adjusted to give effect to such Low Value Changes once each Contract Year on a date to be agreed between the parties and all relevant Low Value Changes that have occurred since the preceding such adjustment shall be aggregated together into a single cumulative adjustment in accordance with Section 6 (Changing the Financial Model) of this Schedule 16 (Change Protocol).

9.4 Project Co shall keep a record of all Low Value Changes processed, completed and outstanding and shall provide the Authority with a copy of that record whenever reasonably required by the Authority.

10 Disputes

10.1 Any dispute concerning any matter referred to in this Section 2 (Low Value Changes) may be referred by either party to the Dispute Resolution Procedure.
10.2 Project Co shall not be obliged to implement the Low Value Change until any dispute has been determined except that where such dispute concerns only the cost of a Low Value Change, unless the Authority otherwise directs, Project Co must continue to carry out or implement the Low Value Change within the prescribed timescale notwithstanding the dispute.

10.3 The Authority is not entitled to withdraw an Authority Change Notice and procure implementation of a Low Value Change in respect of which there is a dispute that has been referred to the Dispute Resolution Procedure, unless that dispute has been determined in its favour and Project Co has not confirmed to the Authority in writing within five (5) Business Days of the date of the determination that it will implement and carry out the Low Value Change in accordance with the determination.
SECTION 3
MEDIUM VALUE CHANGES

1 Medium Value Changes

1.1 If the Authority requires a Medium Value Change, it must serve an Authority Change Notice on Project Co in accordance with paragraph 2 (Medium Value Change Notice) of this Section 3 (Medium Value Changes).

1.2 Project Co shall be entitled to refuse a Medium Value Change that:

1.2.1 requires the Works and/or the Services to be performed in a way that infringes any law or is inconsistent with Good Industry Practice;

1.2.2 would cause any Consent to be revoked (or would require a new consent to be obtained or any existing Consent to be amended which, after using reasonable efforts, Project Co has been unable to obtain);

1.2.3 would materially and adversely affect Project Co's ability to deliver the Works and/or the Services (except those Works and/or Services which have been specified as requiring to be amended in the Authority Change Notice) in a manner not compensated for pursuant to this Section 3 (Medium Value Changes);

1.2.4 would materially and adversely affect the health and safety of any person;

1.2.5 would, if implemented, materially and adversely change the nature of the Project (including its risk profile); or

1.2.6 the Authority does not have the legal power or capacity to require implementation of.

2 Medium Value Change Notice

2.1 An Authority Change Notice for a Medium Value Change must:

2.1.1 state that it refers to a Medium Value Change;

2.1.2 set out the change in the Works or Services or the additional works or services required in sufficient detail to enable Project Co to calculate and provide the Estimated Change in Project Costs in accordance with paragraph 3 (Contractor's Estimate) of this Section 3 (Medium Value Changes);
2.1.3 set out whether, in respect of any additional facilities, Project Co is expected to provide facilities management services and lifecycle maintenance services in respect of such additional facilities; and

2.1.4 set out the timing of the additional works or services required by the Authority.

2.2 Within fifteen (15) Business Days of receipt of the Medium Value Change Notice, Project Co must notify the Authority in writing:

2.2.1 whether it considers that it is entitled to refuse the Medium Value Change on any of the grounds set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (Medium Value Changes);

2.2.2 when it will provide the Estimate to the Authority bearing in mind the requirement in paragraph 7.2.2 of this Section 3 (Medium Value Changes); and

2.2.3 its estimate of the Third Party Costs that it will incur to prepare the Estimate.

2.3 If Project Co notifies the Authority that it considers that it is entitled to refuse the Medium Value Change on one or more of the grounds set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (Medium Value Changes), then unless the parties otherwise agree, the Authority shall be deemed to have withdrawn the Authority Notice of Change if it has not referred the matter to the Dispute Resolution Procedure within [twenty (20)] Business Days of receipt of Project Co's notice.

2.4 If the Authority considers that Project Co's proposed time for providing the Estimate is not reasonable, the parties shall endeavour to agree the time, failing which the matter may be referred to the Dispute Resolution Procedure.

2.5 If the Authority considers that the Project Co's estimate of Third Party Costs to prepare the Estimate is not reasonable, the parties shall endeavour to agree the same, failing which the matter may be referred to the Dispute Resolution Procedure.

2.6 If any matter is referred to the Dispute Resolution Procedure pursuant to paragraph 2 (Medium Value Change Notice) of this Section 3 (Medium Value Changes), the time for Project Co to provide the Estimate shall be counted from the date of determination of that dispute if the dispute is determined in Project Co's favour.

3 Contractor's Estimate

As soon as reasonably practicable and in any event within the time period agreed or determined pursuant to paragraph 2.4 of this Section 3 (Medium Value Changes), Project Co shall deliver to the Authority the Estimate.
The Estimate must contain:

3.1 a detailed timetable for implementation of the Medium Value Change;

3.2 any requirement for relief from compliance with obligations, including the obligations of Project Co to achieve the Actual Completion Date [an Actual Phase Completion Date] by the Completion Date [relevant Phase Completion Date] and to meet the requirements set out in the Authority’s Construction Requirements and/or the Service Level Specification during the implementation of the Medium Value Change;

3.3 an outline of the proposed design solution and design, including an appropriate analysis/risk appraisal and, to the extent relevant, the impact on whole life costings;

3.4 any impact on the provision of the Works and/or the Services;

3.5 a value for money justification for any proposed change to the quality of the works or the services comprised in the Medium Value Change as compared to the Works and the Services;

3.6 any amendment required to this Agreement and/or any Project Document as a result of the Medium Value Change;

3.7 any Estimated Change in Project Costs that results from the Medium Value Change;

3.8 any Capital Expenditure that is required or no longer required as a result of the Medium Value Change;

3.9 amendments to existing Consents that are required;

3.10 a payment schedule for any Capital Expenditure required to implement the Change, based on milestones where relevant;

3.11 costs and details of (i) any other approvals required and/or due diligence permitted pursuant to paragraph 12 of this Section 3 (Medium Value Changes); and (ii) any Third Party Costs;

3.12 the method of implementation and the proposed method of certification of any construction aspects of the Medium Value Change, if not covered by the procedures specified in Clause 14 (Programme and Dates for Completion); and

3.13 any other information requested by the Authority in the Authority Change Notice.
together the "Estimate"

## 4 Costing of the Estimate

In calculating the Estimated Change in Project Costs and/or the Capital Expenditure for the purposes of the Estimate, Project Co shall apply the following principles wherever applicable:

### 4.1 unless the Authority's requirements for the Medium Value Change specify a different quality as compared to the Works:

#### 4.1.1 the unit cost of any construction or installation works or associated preliminaries (excluding any temporary or demolition works, professional fees, contingencies, overheads and profit margins) required to implement the Medium Value Change is the equivalent unit rate set out in Part 1 (Unit Cost for Construction or Installation Costs) of Appendix 2 of this Schedule 16 (Change Protocol), uplifted using the Department for Trade and Industry Pubsec index for construction cost inflation in the period between the Commencement Date and the date the Medium Value Change is to be commenced;

#### 4.1.2 any lifecycle replacement and maintenance associated with additional works (or changes to the Works) are consistent with the lifecycle and maintenance profile of the Facilities envisaged in Section 4 (Project Co’s Proposals) of Schedule 6 (Construction Matters) including (without limitation) in terms of the replacement cycles for equipment, provided that Project Co must reflect improvements in technology that can optimise Whole Life Costs for the Authority; and

#### 4.1.3 the unit costs to be applied to the pricing of lifecycle replacement and maintenance is the equivalent unit rate set out in Part 2 (Unit Costs of Lifecycle Maintenance) of Appendix 2 of this Schedule 16 (Change Protocol) (index linked). If any such additional works are specified to a higher quality as compared to the Works, then the unit Lifecycle Replacement and maintenance cost shall be (in real terms) lower;

### 4.2 any professional fees, contingencies, overheads and/or profit margins to be charged by any consultant, sub-contractor or supplier in respect of construction and/or installation and/or lifecycle and/or service provision for the Medium Value Change are the equivalent rates set out in Part 3 (Consultant, Sub-contractor or Supplier Fees) of Appendix 2 of this Schedule 16 (Change Protocol), or if the professional fees, contingencies, overheads and profit margins being charged by consultants, sub-contractors and/or suppliers in current market conditions have changed significantly from those set out in Part 3 (Consultant, Sub-contractor or Supplier Fees) of Appendix 2 of this Schedule 16 (Change Protocol), such other rates as the parties agree or failing agreement as may be determined under the Dispute Resolution Procedure as being consistent with those charged in current market conditions;

### 4.3 unless the Authority's requirements for the Medium Value Change specify a different quality than required by the Service Level Specification, the unit cost of
any extension of, or change to, any Service (either in scope or area), taking into account the capacity of existing labour resources, is consistent with the equivalent unit rate set out in Part 4 (Unit Costs for Labour Rates) of Appendix 2 to this Schedule 16 (Change Protocol);

4.4 other than as referred to in paragraphs 4.1 to 4.3 of this Section 3 (Medium Value Changes) no charge shall be made in respect of Project Co’s time, or that of any Project Co Party spent processing, managing or monitoring the Medium Value Change (and no additional mark up or management fee shall be applied by Project Co); and

4.5 where aspects of the Medium Value Change are not addressed by paragraphs 4.1 to 4.4 of this Section 3 (Medium Value Changes), they shall be costed on a fair and reasonable basis reflecting the then current market rates.

5 Standards of provision of the Estimate

In providing the Estimate Project Co must:

5.1 use reasonable endeavours to oblige its Sub-Contractors to minimise any increase in costs and maximise any reduction in costs;

5.2 demonstrate how any Capital Expenditure to be incurred or avoided is being measured in a cost effective manner, including showing that when such expenditure is incurred, reasonably foreseeable Changes in Law at that time have been taken into account; and

5.3 demonstrate that any expenditure that has been avoided, which was anticipated to be incurred to replace or maintain assets that have been affected by the Medium Value Change concerned, has been taken into account in the amount which in its opinion has resulted or is required under paragraphs 3.7 and/or 3.8 of this Section 3 (Medium Value Changes); and

5.4 provide written evidence of Project Co’s compliance with paragraphs 5.1 to 5.3 of this Section 3 (Medium Value Changes).

6 Determination of the Estimate

As soon as practicable after the Authority receives the Estimate, the parties shall discuss and endeavour to agree the contents of the Estimate. If the parties cannot agree on the contents of the Estimate, the matter may be referred by either party to the Dispute Resolution Procedure to determine if the Estimate represents a fair and reasonable approach to implementing the Medium Value Change in all respects.

7 Confirmation or Withdrawal of the Medium Value Change Notice
7.1 As soon as practicable after the contents of the Estimate have been agreed or otherwise determined pursuant to paragraph 6 of this Section 3 (*Medium Value Changes*), the Authority shall:

7.1.1 confirm in writing to Project Co the Estimate (as modified); or

7.1.2 withdraw the Authority Change Notice.

7.2 If, in any Contract Year, the Authority has either not confirmed an Estimate (as modified, if applicable) within twenty (20) Business Days of the contents of the Estimate having been agreed or determined in accordance with the foregoing provisions of this Section 3 (*Medium Value Changes*) or has withdrawn an Authority Change Notice for a Medium Value Change on three or more occasions, then the Authority shall pay to Project Co on the third and each subsequent such occasion in that Contract Year the reasonable additional Third Party Costs incurred by Project Co in preparing the Estimate provided that:

7.2.1 Project Co has used all reasonable endeavours to submit a reasonably priced Estimate; and

7.2.2 Project Co made available to the Authority, with the Estimate, a cost break down of Third Party Costs incurred by Project Co to prepare the Estimate, which shall be consistent with the estimate of such costs approved by the Authority pursuant to paragraph 2.5 of this Section 3 (*Medium Value Changes*).

8 Implementation of the Medium Value Change

8.1 When the Authority has confirmed the Estimate in accordance with paragraph 7.1 of this Section 3 (*Medium Value Changes*), Project Co shall, subject to Project Co obtaining all new or amended Consents that are required and have not already been obtained, implement the required Medium Value Change in accordance with the Estimate. Where an extension of time has been agreed as part of the Estimate the Completion Date [relevant Phase Completion Dates] shall be extended as agreed in the Estimate.

8.2 Project Co shall notify the Authority when it considers that the Medium Value Change has been completed.

8.3 If:

8.3.1 Project Co fails to provide a response pursuant to paragraph 2.2 of this Section 3 (*Medium Value Changes*) within fifteen (15) Business Days of the date of the Medium Value Change Notice; or

8.3.2 Project Co fails to provide an Estimate in accordance with paragraph 3 of this Section 3 (*Medium Value Changes*); or
8.3.3 the Authority has confirmed an Estimate but Project Co fails to fully implement the Medium Value Change within [ten (10)] Business Days after the expiry of the time for implementing the Medium Value Change set out in the Estimate Low Value Change (as such time may be extended for any delay that is, or is equivalent to, a Delay Event);

then, subject to paragraph 14.3 of this Section 3 (Medium Value Changes), the Authority may notify Project Co that the Medium Value Change Notice is withdrawn and, following such notification, may procure the implementation of the Medium Value Change without further recourse to Project Co, but the Authority must ensure that the Medium Value Change is carried out in accordance with Good Industry Practice and to the standards that would have applied to Project Co if it had implemented the Medium Value Change.

9 Certification of the Medium Value Change

9.1 Where the Medium Value Change is implemented at the Facilities before the Actual Completion Date [relevant Phase Actual Completion Date], the procedure set out at Clause 17 (Pre-Completion Commissioning and Completion) shall apply to the Medium Value Change at the same time as it applies to the original Works.

9.2 Where the Medium Value Change is implemented at the Facilities after the Actual Completion Date [Phase Actual Completion Date], and constitutes additional works, the procedure set out and agreed in the Estimate for certifying the completion of the Medium Value Change shall apply to determine whether the Medium Value Change has been completed appropriately.

10 Method of Payment of Authority Contribution

10.1 Project Co shall invoice the Authority for Capital Expenditure incurred by Project Co to implement a Medium Value Change according to the payment schedule set out in the Estimate as referred to in paragraph 3.10.

10.2 The Authority shall make a payment to Project Co within fifteen (15) Business Days of receipt by the Authority of invoices presented to the Authority (complete in all material respects) in accordance with paragraph 10.1 of this Section 3 (Medium Value Changes) accompanied by the relevant evidence (where applicable) that the relevant part of the Medium Value Change has been carried out.

11 Adjustment to Annual Service Payment

Any adjustment to the Annual Service Payment that is necessary due to the implementation of a Medium Value Change shall be calculated in accordance with Section 6 (Changing the Financial Model) of this Schedule 16 (Change Protocol).

12 Due Diligence

12.1 Project Co shall procure that the Senior Funders shall not:
12.1.1 (in any event) withhold or delay any consents that are required pursuant to the Senior Funding Agreements to a Medium Value Change other than on the basis that the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (Medium Value Changes) apply; or

12.1.2 carry out any due diligence (whether funder, legal, technical, insurance or financial) in relation to the carrying out of any Medium Value Change unless either (i) the Medium Value Change in question would result in an adjustment to the Annual Service Payment that, on a full year basis, is in excess of one percent (1%) of the Annual Service Payment in the relevant Contract Year or (ii) the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.6 of this Section 3 (Medium Value Changes) apply.

12.2 Where not prohibited by paragraph 12.1 of this Section 3 (Medium Value Changes), the Senior Funders may carry out legal, financial, insurance and/or technical due diligence on any proposal for a Medium Value Change. In the event that such due diligence is permitted and required, the parties shall agree a budget for the due diligence not exceeding 5% of the overall value of the Medium Value Change in question unless the parties (acting reasonably) agree otherwise. Any costs incurred by Project Co as a result of the Senior Funders due diligence shall be reimbursed by the Authority following agreement or determination of the contents of the Estimate within ten (10) Business Days of Project Co submitting an invoice for and evidence of such costs, subject to the invoices being in accordance with the agreed budget.

12.3 It is acknowledged that Changes (particularly where they involve a change to the Works or the Facilities) may require authorisation from the insurers under the Insurances. Project Co shall notify the relevant insurance broker immediately upon any material Medium Value Change being agreed (materiality being judged in relation to the size and nature of the scope of the Medium Value Change).

13 Project Documentation

13.1 The Works, Services, Facilities and/or Authorities Policies (as appropriate) shall be deemed to be amended pursuant to Clause 73 (Amendments), to include any required Medium Value Change implemented by Project Co pursuant to paragraph 8 of this Section 3 (Medium Value Changes). Subject to paragraph 11 of this Section 3 (Medium Value Changes), no other changes to the Project Documents shall be made as a result of a Medium Value Change, unless the parties otherwise agree.

13.2 Project Co shall, no later than one (1) month following completion of a Medium Value Change, provide updated hard copies of the "as-built" drawings, "as-built" specification and the operating and maintenance manuals to the Authority [and procure the necessary 'data drops' required pursuant to the BIM Protocol], as necessary to reflect the Medium Value Change.

14 Disputes
14.1 Any dispute concerning any matter referred to in this Section 3 (Medium Value Changes) may be referred by either party to the Dispute Resolution Procedure.

14.2 Project Co shall not be obliged to implement the Medium Value Change until the dispute has been determined.

14.3 The Authority is not entitled to withdraw an Authority Change Notice and procure implementation of a Medium Value Change in respect of which there is a dispute that has been referred to the Dispute Resolution Procedure, unless that dispute has been determined in its favour and Project Co has not confirmed to the Authority in writing within five (5) Business Days of the date of the determination that it will implement and carry out the Medium Value Change in accordance with the determination.
SECTION 4
HIGH VALUE CHANGES

1 High Value Changes

1.1 If the Authority requires a High Value Change it must serve an Authority Change Notice on Project Co in accordance with paragraph 2 of this Section 4 (High Value Changes).

1.2 Project Co shall be entitled to refuse a High Value Change that:

1.2.1 requires the Works and/or the Services to be performed in a way that infringes any law or is inconsistent with Good Industry Practice;

1.2.2 would cause any Consent to be revoked (or would require a new consent to be obtained to implement the relevant change in the Works and/or the Services which, after using reasonable efforts, Project Co has been unable to obtain);

1.2.3 would materially and adversely affect Project Co's ability to deliver the Works and/or the Services (except those Works and/or Services which have been specified as requiring to be amended in the High Value Change Notice) in a manner not compensated pursuant to this Section 4 (High Value Changes);

1.2.4 would materially and adversely affect the health and safety of any person;

1.2.5 would, if implemented, materially and adversely change the nature of the Project (including its risk profile);

1.2.6 is the subject of a High Value Change Notice that cannot reasonably be complied with;

1.2.7 the Authority does not have the legal power or capacity to require implementation of; or

1.2.8 would if implemented adversely affect the enforceability or priority of the security held by or on behalf of the existing Senior Funders.

2 High Value Change Notice

2.1 An Authority Change Notice for a High Value Change must:
2.1.1 state that is refers to a High Value Change;

2.1.2 set out the maximum available capital and/or revenue the Authority is able to commit to that High Value Change (the "Target Cost");

2.1.3 identify any requirements of the Authority that must be satisfied as part of the High Value Change Proposal (the "High Value Change Requirements"); and

2.1.4 identify how the Authority will assess whether the High Value Change Stage 2 Submission offers it value for money.

2.2 The parties may agree written protocols with express reference to this Section 4 (High Value Changes) which explain or clarify any aspects of the High Value Change approval procedure set out in this Section 4 (High Value Changes) and such protocols shall be read as if incorporated into this Section 4 (High Value Changes) (including accelerated procedures with reduced requirements for High Value Changes of relatively low values).

2.3 The parties must:

2.3.1 within five (5) Business Days of receipt by Project Co of any High Value Change Notice, discuss and review the nature of the High Value Change, including a discussion as to which of the items set out in paragraph 3.4 of this Section 4 (High Value Changes) are appropriate to be included within the High Value Change Proposal; and

2.3.2 within five (5) Business Days of a High Value Change Proposal becoming a Stage 1 Approved Project, discuss and review the nature of the Stage 1 Approved Project, including a discussion as to which of the items set out in paragraph 4.3 of this Section 4 (High Value Changes) are appropriate to be included within the High Value Change Stage 2 Submission.

3 High Value Change Proposal

3.1 Project Co must notify the Authority in writing as soon as practicable and in any event within fifteen (15) Business Days after having received the Authority Change Notice for a High Value Change if it considers that any of the circumstances set out in paragraphs 1.2.1 to 1.2.8 of this Section 4 (High Value Changes) apply. If no such notice is served, Project Co must (within thirty (30) Business Days after having received the Authority Change Notice) either:

3.1.1 submit a High Value Change Proposal to the Authority; or

3.1.2 notify the Authority as to when the High Value Change Proposal will be provided to it (provided that Project Co shall use all reasonable endeavours to obtain all the information that it requires, expeditiously).
3.2 If Project Co notifies the Authority that it considers that one or more of the grounds set out in paragraphs 1.2.1 to 1.2.8 of this Section 4 (High Value Changes) apply, then unless the parties otherwise agree, the Authority shall be deemed to have withdrawn the Authority Notice of Change if it has not referred the matter to the Dispute Resolution Procedure within [twenty (20)] Business Days of receipt of Project Co’s notice. If the matter is referred to the Dispute Resolution Procedure the time for Project Co to provide the High Value Change Proposal shall be counted from the date of determination of that dispute if the dispute is determined in Project Co’s favour.

3.3 If the Authority considers that Project Co’s proposed time for providing the High Value Change Proposal is not reasonable, the parties shall endeavour to agree the time, failing which the matter may be referred to the Dispute Resolution Procedure.

3.4 Unless Project Co has submitted a High Value Change Proposal in accordance with paragraph 3.1.1 of this Section 4 (High Value Changes), Project Co must deliver to the Authority the High Value Change Proposal as soon as reasonably practicable and in any event within the time period agreed or determined pursuant to paragraph 3.3 of this Section 4 (High Value Changes). Unless the parties agree otherwise, a High Value Change Proposal will contain at least the following information in sufficient detail to enable the Authority to make an informed decision under paragraph 3.6 of this Section 4 (High Value Changes):

3.4.1 a description of the High Value Change, with evidence of how the High Value Change meets the High Value Change Requirements;

3.4.2 an outline of the proposed building solution and design including an appropriate analysis/risk appraisal of, in each case to the extent relevant (if at all), the preferred investment solution contemplated in terms of new build, refurbishment, whole life costings;

3.4.3 the Change Management Fee for the High Value Change, which shall be a capped fee calculated in accordance with paragraph 10 of this Section 4 (High Value Changes);

3.4.4 details of the third party activity likely to be required by Project Co in developing a High Value Change Stage 2 Submission together with a budget (or budgets) for relative Third Party Costs;

3.4.5 an estimated programme for submission of the High Value Change Stage 2 Submission and for the implementation of the High Value Change;

3.4.6 any requirement for relief from compliance with obligations, including the obligations of Project Co to achieve the Actual Completion Date [Phase Actual Completion Date] by the Completion Date [relevant Phase Completion Date] and meet the requirements set out in the Authority’s Construction Requirements and/or the Service Level Specification during the implementation of the High Value Change;

387
3.4.7 any impact on the provision of the Works and/or the Services;

3.5 Liaison between Project Co, the Authority and relevant end users

In developing a High Value Change Proposal Project Co must liaise with the Authority and relevant end users (being such persons or organisations as Project Co in consultation with the Authority considers appropriate). The Authority must provide Project Co with such information about its requirements as Project Co reasonably requires and must assist Project Co in the review of any draft designs in relation to the High Value Change Proposal. Any and all information and other input or feedback provided by the Authority to Project Co, unless expressly stated otherwise by the Authority, will be without warranty and will be provided without prejudice to the Authority's rights under this Section 4 (High Value Changes).

3.6 Consideration of a High Value Change Proposal by the Authority

The Authority will consider in good faith each High Value Change Proposal put forward by Project Co and the Authority will not unreasonably withhold or delay its consent to a
High Value Change Proposal. If, acting reasonably, the Authority finds that any material aspects of the High Value Change Proposal are unsatisfactory to it, it shall notify Project Co of the same and offer reasonable assistance to Project Co to enable it to revise and resubmit the High Value Change Proposal as soon as reasonably practicable.

3.7 Authority response to a High Value Change Proposal

If the Authority approves a High Value Change Proposal (including any revised High Value Change Proposal resubmitted pursuant to paragraph 3.5 of this Section 4 (High Value Changes)), then it shall be a "Stage 1 Approved Project" or be referred to as having received "Stage 1 Approval", as the context requires.

3.8 Project Co not entitled to dispute non-approval

Project Co shall not be entitled to refer any dispute concerning the Authority's failure to approve a High Value Change Proposal to the Dispute Resolution Procedure.

4 Stage 2 Submission

4.1 Development of a High Value Change Stage 2 Submission

4.1.1 Within ten (10) Business Days of a High Value Change Proposal having become a Stage 1 Approved Project, the parties shall seek to agree the time period within which Project Co must develop the Stage 1 Approved Project into a detailed submission (the "High Value Change Stage 2 Submission"). If the parties are unable to agree a reasonable time period for such submission any dispute may be referred to the Dispute Resolution Procedure.

4.1.2 Following agreement or determination of what is an appropriate time period for submission by Project Co of the High Value Change Stage 2 Submission pursuant to paragraph 4.1.1 of this Section 4 (High Value Changes), Project Co shall proceed regularly and diligently to produce and submit the same to the Authority within the agreed or determined time period.

4.2 Liaison between Project Co, the Authority and relevant end users

In developing a High Value Change Stage 2 Submission Project Co must continue to liaise with the Authority and relevant end users (being such persons or organisations as the Authority in consultation with Project Co considers appropriate). The Authority must provide Project Co with such information as to its requirements as is reasonably necessary to enable Project Co to submit a full and complete High Value Change Stage 2 Submission and any such other information as Project Co may reasonably require and must assist Project Co in the review of any draft designs in relation to the Stage 1 Approved Project and in the development of other aspects of the High Value Change Stage 2 Submission (but not where this would involve the Authority incurring additional material expense). Any and all information and other input or feedback provided by the
Authority to Project Co will be without warranty and will be provided without prejudice to the Authority's rights under this Section 4 (High Value Changes).

4.3 Content requirements in relation to a High Value Change Stage 2 Submission

Save where the parties agree otherwise, in relation to the relevant Stage 1 Approved Project, Project Co shall procure that a High Value Change Stage 2 Submission includes (but not be limited to):

4.3.1 draft(s) of the relevant Project Document(s) identifying (if relevant) any material changes or amendments proposed in respect of the relevant Stage 1 Approved Project, together with the reasons for any such changes or amendments proposed and including full details of which provisions of the relevant Project Documents will apply to the High Value Change so that it is implemented in equivalent manner and to an equivalent standard as required in respect of the Works and/or Services as appropriate;

4.3.2 detailed design solutions (to RIBA Level [3]);

4.3.3 appropriate plans and drawings;

4.3.4 relevant detailed planning permissions and any other relevant planning approvals and Consents (or such lesser confirmation or information in relation to planning as may be agreed with the Authority);

4.3.5 a proposed revised Financial Model including the detailed price estimates for the Stage 1 Approved Project;

4.3.6 an explanation (together with appropriate supporting evidence) as to why the High Value Change Stage 2 Submission meets the Approval Criteria (as defined in paragraph 7 of this Section 4 (High Value Changes));

4.3.7 confirmation (or details of any requested variations to (with supporting justification)) of the Change Management Fee referred in paragraph 3.4.3 of this Section 4 (High Value Changes);

4.3.8 the proposed method of certification of any construction aspects of the High Value Change, if not covered by the procedures specified in Clause 17 (Pre-Completion Commissioning and Completion);

4.3.9 a value for money assessment explaining why Project Co's proposals represent value for money taking into account both the proposed Capital Cost and Whole Life Cost;
4.3.10 a timetable and method statement setting out how the relevant High Value Change will be delivered, which shall include (but not be limited to) in so far as relevant:

(a) proposals for the effective management of the building programme;

(b) [project specific information];

(c) an assessment as to the savings to be generated by the High Value Change, particularly on staff costs and lifecycle replacement and maintenance and operation of Services;

(d) details of the Sub-Contractors together with evidence and explanation of the value testing undertaken by Project Co in relation to the High Value Change;

(e) a completed risk register showing the potential risks identified in relation to the delivery of the High Value Change the occurrence of which are capable of adversely affecting the time for completion, cost and/or quality of the Project, the probability of such risks occurring and a financial estimate of the most likely consequences of each risk occurring together with the prioritisation of all continuing risks and an action plan in respect of, and risk owners for, all risks prioritised as serious risks;

4.3.11 any surveys and investigations and associated reports that are reasonably necessary to ascertain (in relation to Changes involving the construction of additional buildings) information as to the nature, location and condition of the relevant land (including hydrological, geological, geotechnical and sub-surface conditions) together with information relating to archaeological finds, areas of archaeological, scientific or natural interest and (in relation to the refurbishment of any existing buildings) information on the condition and quality of existing structures and, in particular, the presence of any latent defects.

Co-operation of the Authority

4.4 The Authority will co-operate with Project Co in relation to any High Value Change Stage 2 Submission being developed by Project Co, including (without limitation) promptly providing:

4.4.1 written confirmation of the Target Cost and/or High Value Change Requirements and any change to such Target Cost and/or High Value Change Requirements; and

4.4.2 any information reasonably required by Project Co to enable it to satisfy the requirements of paragraph 4.3 of this Section 4 (High Value Changes).
5 Time periods for approval

5.1 Each High Value Change Proposal and each High Value Change Stage 2 Submission shall be valid for a period of three (3) months from the date of its submission by Project Co.

5.2 If by the end of the three (3) month period referred to in paragraph 5.1 of this Section 4 (High Value Changes) the Authority has not:

5.2.1 in relation to a High Value Change Proposal, approved or rejected that High Value Change Proposal in accordance with the procedures set out in this Section 4 (High Value Changes):

(a) Project Co shall be entitled to withdraw the High Value Change Proposal; and
(b) Project Co shall not be entitled to any costs relating to the High Value Change Proposal unless the Authority has either not responded to the High Value Change Proposal and/or is in material breach of its obligations in paragraph 3 and/or paragraph 4.4 of this Section 4 (High Value Changes) in which case paragraph 8.5 of this Section 4 (High Value Changes) shall apply;

5.2.2 in relation to a High Value Change Stage 2 Submission, approved or rejected that High Value Change Stage 2 Submission in accordance with the procedures set out in this Section 4 (High Value Changes) (or has not given any notification of the Authority's response to the High Value Change Stage 2 Submission or has given written notice to Project Co withdrawing or cancelling the High Value Change to which the High Value Change Stage 2 Submission relates) then the High Value Change Stage 2 Submission shall be deemed to have been improperly rejected by the Authority and paragraph 8.5 shall apply.

6 Changes to the High Value Change Requirements or Approval Criteria

6.1 If the High Value Change Requirements or Approval Criteria are subject to any material variation in relation to a High Value Change by the Authority after the High Value Change Proposal has been submitted then:

6.1.1 Project Co and the Authority shall negotiate in good faith as to the implications on the High Value Change Proposal or High Value Change Stage 2 Submission (as the case may be) and shall seek to agree changes thereto to accommodate the variation (including any change to the Target Cost and/or to the Change Management Fee);

6.1.2 if agreement has not been reached pursuant to paragraph 6.1.1 of this Section 4 (High Value Changes) within twenty (20) Business Days (or such longer period as the parties may agree) then:
(a) Project Co shall be entitled by notice in writing to the Authority to withdraw the High Value Change Proposal or the High Value Change Stage 2 Submission (as the case may be) and to be paid the Incurred Change Management Fee with the Calculation Date being the date of the variation notified by the Authority; and

(b) the Authority shall not be entitled to procure the High Value Change without issuing a new Authority Change Notice for the High Value Change and complying with the procedure in this Section 4 (High Value Changes) in relation to that High Value Change.

6.1.3 The Authority may, at any time, give notice in writing to Project Co that it proposes to cancel a High Value Change without completing the process set out in this Section 4 (High Value Changes) in which case the Authority must pay Project Co the Incurred Change Management Fee in respect of the cancelled High Value Change with the Calculation Date being the date of such notice.

7 Approval Criteria

7.1 For the purposes of this Section 4 (High Value Changes), Approval Criteria means the criteria against which any Stage 1 Approved Project is to be judged by the Authority in determining whether it achieves Stage 2 Approval. The criteria are:

7.1.1 whether the costs of the Stage 1 Approved Project are within the Target Cost notified to Project Co by the Authority;

7.1.2 whether it has been demonstrated that the Stage 1 Approved Project provides value for money assessed in accordance with the measures identified by the Authority in accordance with paragraph 2.1.4 of this Section 4 (High Value Changes);

7.1.3 whether the Authority, acting reasonably, is satisfied that the High Value Change Stage 2 Submission meets the High Value Change Requirements;

7.1.4 whether any material changes or amendments to the relevant Project Document(s) as detailed pursuant to paragraph 4.3.1 of this Section 4 (High Value Changes) are acceptable to the Authority, acting reasonably; and

7.1.5 whether the High Value Change Stage 2 Submission contains all the information required pursuant to paragraph 4.3 of this Section 4 (High Value Changes) (or as otherwise agreed by the parties).

8 Submission of the High Value Change Stage 2 Submission to the Authority and consideration of that submission by the Authority
8.1 The Authority will consider in good faith High Value Change Stage 2 Submissions submitted by Project Co and the Authority will not unreasonably withhold or delay its consent to a High Value Change Stage 2 Submission. The Authority is entitled to call for such reasonable information and assistance as it considers appropriate to enable it to decide whether the High Value Change Stage 2 Submission meets the Approval Criteria. Project Co must reply promptly to all such requests for further information and assistance.

8.2 As soon as reasonably practicable after the submission to it of a High Value Change Stage 2 Submission (including any revised High Value Change Stage 2 Submission re-submitted by Project Co) the Authority must give written notice of whether it:

8.2.1 approves the relevant Stage 1 Approved Project (in which case the Stage 1 Approved Project will be referred to as having received "Stage 2 Approval" or as being a "Stage 2 Approved Project" or an "Approved Project" as the context requires); or

8.2.2 rejects the Stage 1 Approved Project:

(a) on the ground that the High Value Change Stage 2 Submission in relation to the relevant Stage 1 Approved Project has failed to meet one or more of the Approval Criteria (except as referred to in paragraph 8.2.2(b)(i) or paragraph 8.2.2(b)(ii)), in which case (subject to resubmission under paragraph 8.2.3) paragraph 8.3 shall apply;

(b) because, as a result of any change to the Target Cost referred to in paragraph 2.1.2, the Stage 1 Approved Project is not in fact Affordable despite the High Value Change Stage 2 Submission being within the Target Cost notified by the Authority pursuant to paragraph 2.1.2 of this Section 4 (High Value Changes); or

(ii) because Project Co has failed to meet one or more of the Approval Criteria and the sole reason for that failure is that any Consent identified by Project Co (in compliance with paragraph 3.4.12 of this Section 4 (High Value Changes)) has not been obtained; or

(iii) otherwise on grounds other than those set out in paragraphs 8.2.2(a), 8.2.2(b)(i) and 8.2.2(b)(ii) of this Section 4 (High Value Changes),

in which case paragraph 8.5 shall apply.
8.2.3 If the Authority rejects the High Value Change Stage 2 Submission on the grounds set out in paragraph 8.2.2(a) the Authority and Project Co will work together to address the reasons for such failure and attempt in good faith to produce a revised High Value Change Stage 2 Submission for Project Co to re-submit to the Authority.

8.2.4 If:

(a) a resubmitted High Value Change Stage 2 Submission is rejected by the Authority on the ground set out in paragraph 8.2.2(a) (subject to paragraphs 16.3 to 16.4 (if applicable) of this Section 4 (High Value Changes)); or

(b) no resubmission of the High Value Change Stage 2 Submission is made within thirty (30) Business Days of the date of the notice of rejection (or such longer period as the parties may agree),

then the relevant Stage 1 Approved Project shall be treated as having been properly rejected, the provisions of paragraph 8.3 of this Section 4 (High Value Changes) shall apply and neither the Authority nor Project Co will have any further obligations in relation to the relevant High Value Change referred to in the High Value Change Stage 2 Submission.

If a High Value Change Stage 2 Submission is properly rejected by the Authority

8.3 Where this paragraph 8.3 applies (as set out in paragraph 8.2.2(a), paragraph 8.2.4 and paragraph 16.4.2 of this Section 4 (High Value Changes)) the Authority shall not be required to reimburse or compensate Project Co in respect of any costs relating to the High Value Change including the Change Management Fee.

8.4 If:

8.4.1 Project Co fails to provide a response to an Authority Change Notice in accordance with paragraph 3.1 of this Section 4 (High Value Changes); or

8.4.2 (where applicable) Project Co fails to provide a High Value Change Proposal in accordance with paragraph 3.4 of this Section 4 (High Value Changes); or

8.4.3 Project Co fails to submit a High Value Change Stage 2 Submission in accordance with paragraph 4.1.2 of Section 4 (High Value Changes); or

8.4.4 the Authority has validly rejected a High Value Change Stage 2 Submission in accordance with paragraph 8.2 and the matter has not been referred to the Dispute Resolution Procedure or any such dispute has been determined as described in paragraph 16.4.2 of this Section 4 (High Value Changes),
then, subject to paragraph 17 of this Section 4 (*High Value Changes*), the Authority may notify Project Co that the High Value Change Notice is withdrawn and, following such notification, may procure the implementation of the High Value Change without further recourse to Project Co, but the Authority must ensure that the High Value Change is carried out in accordance with Good Industry Practice and to the standards that would have applied to Project Co if it had implemented the High Value Change.

**If a High Value Change Stage 2 Submission is improperly rejected by the Authority**

8.5 Where this paragraph 8.5 applies (as set out in paragraph 5.2.1(b), paragraph 5.2.2 paragraph 8.2.2(b) and paragraph 16.4.1)), the Incurred Change Management Fee and Third Party Costs incurred by Project Co to prepare the High Value Change Proposal and Stage 2 Submission, which shall be in accordance with the activities and budget referred to in paragraph 3.4.4 of this Section 4 (*High Value Changes*), in relation to the relevant High Value Change will be paid by the Authority within ten (10) Business Days of the date on which Project Co receives written notice of the rejection or the date of the deemed rejection (as the case may be) with the date of the rejection or the deemed rejection (as the case may be) being the Calculation Date for the purposes of calculating the amount of the Incurred Change Management Fee (unless a different Calculation Date is expressly stated in this Section 4 (*High Value Changes*) in relation to the circumstances giving rise to the entitlement of Project Co to be paid the Incurred Change Management Fee).

9 **Information and notifications by the Authority to Project Co and cooperation of the Authority**

9.1 The Authority must notify Project Co as soon as it becomes aware of any matter which may have a reasonably foreseeable material adverse effect on the viability of any High Value Change including any:

9.1.1 planning issues likely to cause a material delay in the anticipated programme for the High Value Change or material cost increases; and

9.1.2 changes to funding which the Authority receives or to the way in which funding may be applied, either or both of which may affect whether a High Value Change is Affordable.

9.2 The Authority shall provide reasonable assistance to Project Co in relation to the procurement by Project Co of all relevant Consents.

10 **Change Management Fee**

The Change Management Fee is to reimburse Project Co for the time spent by its employees and the employees of the Contractor, the Service Provider [and the [Management Service Provider]] in project managing the development, procurement and implementation of the High Value Change and shall:

10.1 be based on actual time spent (validated by time sheets);
10.2 be calculated at the daily rates as set out in Appendix 2 Part 3 (Consultant, Sub-Contractor or Supplier Fees) to this Schedule 16 (Change Protocol), but capped at the sum set out in the High Value Change Proposal;

10.3 not include the time of any person who is not employed by Project Co the Contractor, the Service Provider [and/or the [Management Service Provider]], as the case may be;

10.4 not include any mark-up or profit or additional overheads;

10.5 be paid in three (3) stages as follows:

10.5.1 on Stage 1 Approval;

10.5.2 on Stage 2 Approval; and

10.5.3 when any works involved in the High Value Change have been completed,

and at each stage Project Co shall charge the Authority (subject to the applicable cap) only for the time incurred by its staff up to completion of that stage.

11 Implementation of the High Value Change

Project Co must implement any High Value Change approved by the Authority so as to minimise any inconvenience to the Authority and to the provision of Authority Services and in accordance with the Approved Project. Where an extension of time has been agreed as part of the Stage 2 Approval the Completion Date [relevant Phase Completion Dates] shall be extended as agreed in the Approved Project.

12 Method of Payment of Authority Contribution

12.1 This paragraph 12 shall apply where Capital Expenditure for an Approved Project is to be funded in whole or part by the Authority.

12.2 Project Co shall invoice the Authority for Capital Expenditure incurred by Project Co to implement a High Value Change that is to be borne by the Authority according to the payment schedule set out in the High Value Change Stage 2 Submission as referred to in paragraph 3.4.11 of this Section 4 (High Value Changes).

12.3 The Authority shall make a payment to Project Co within fifteen (15) Business Days of receipt by the Authority of invoices presented to the Authority (complete in all material respects) in accordance with paragraph 12.2 of this Section 4 (High Value Changes), accompanied by the relevant evidence (where applicable) that the relevant part of the High Value Change has been carried out.
**Adjustment to Annual Service Payment**

Any adjustment to the Annual Service Payment which is necessary as a result of the implementation of a High Value Change shall be calculated in accordance with Section 6 (Changing the Financial Model) of this Schedule 16 (Change Protocol).

**Due Diligence**

14.1 Where the Authority is funding the High Value Change, Project Co shall procure that the Senior Funders shall not withhold or delay any consents which are required pursuant to the Senior Funding Agreements to such High Value Change other than on the basis that the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.8 of this Section 4 (High Value Changes) apply.

14.2 Where the Authority is not funding the High Value Change, Project Co shall procure that the Senior Funders do not unreasonably withhold or delay any consents which are required pursuant to the Senior Funding Agreements to such High Value Change other than on the basis that the Senior Funders, acting pursuant to the terms of the Senior Funding Agreements, reasonably believe that one or more of the circumstances set out in paragraphs 1.2.1 to 1.2.8 of this Section 4 (High Value Changes) apply.

14.3 The parties agree that the Senior Funders may carry out legal, financial, insurance and technical due diligence on any proposal for a High Value Change. The parties shall agree a budget for the due diligence provided that the costs may not exceed the lower of (i) three per cent (3%) of the overall value of the High Value Change in question or (ii) fifty thousand pounds (£50,000) unless, in either case, the parties (acting reasonably) agree otherwise. Any costs incurred by Project Co as a result of the Senior Funders due diligence will be reimbursed by the Authority following the conclusion of the process in this Section 4 (High Value Changes) within ten (10) Business Days of Project Co submitting an invoice for and evidence of such costs, subject to the invoices being in accordance with the agreed budget.

14.4 It is acknowledged that High Value Changes (particularly where they involve a change to the Works or the Facilities) may require authorisation from the insurers under the Required Insurances. Project Co shall notify the relevant insurance broker immediately upon any material High Value Change being agreed (materiality being judged in relation to the size and nature of the scope of the High Value Change).

14.5 The parties agree that paragraph 14.2 of this Section 4 (High Value Changes) of this Schedule 16 (Change Protocol) does not oblige the Senior Funders to provide any additional funding for the relevant High Value Change, which shall be in their absolute discretion.

**Project Documentation**
15.1 The only changes to the Project Documents or Ancillary Documents to be made as a result of a High Value Change shall be those identified in the Approved Project (subject to any amendments to it agreed by the parties).

15.2 Project Co shall, within [♣] days of completion of the Change, deliver updated hard copies of the "as-built" drawings, "as-built" specification and the operating and maintenance manuals [and procure the necessary 'data drops' required pursuant to the BIM Protocol,] as necessary to reflect the High Value Change.

16 Disputes

16.1 Except as otherwise expressly provided, any dispute concerning any matter referred to in this Section 4 (High Value Changes) may be referred by either party to the Dispute Resolution Procedure.

16.2 The Authority shall not be entitled to approve a High Value Change Proposal or a High Value Change Stage 2 Submission that is the subject of a dispute until the dispute has been determined.

16.3 If the Authority rejects a High Value Change Stage 2 Submission pursuant to the provisions of paragraph 8.2.2(a) of this Section 4 (High Value Changes), Project Co shall be entitled to refer the matter for consideration under the Dispute Resolution Procedure within ten (10) Business Days after receiving written notice of the Authority's decision.

16.4 If, following a referral to the Dispute Resolution Procedure, it is agreed or determined:

16.4.1 that the High Value Change rejected by the Authority pursuant to paragraph 8.2.2(a) of this Section 4 (High Value Changes) met the Approval Criteria the Authority shall either:

(a) declare that the relevant High Value Change has received Stage 2 Approval and that High Value Change shall proceed; or

(b) declare that its rejection of the relevant High Value Change be treated as an improper rejection and that the provisions of paragraph 8.5 of this Section 4 (High Value Changes) shall apply.

16.4.2 the High Value Change did not meet the Approval Criteria, save in one of the respects referred to in paragraphs 8.2.2(b)(i) or 8.2.2(b)(ii) the provisions of paragraph 8.3 of this Section 4 (High Value Changes) shall apply.

17 The Authority is not entitled to withdraw an Authority Change Notice and procure implementation of a High Value Change in respect of which there is a dispute that has been
referred to the Dispute Resolution Procedure, unless that dispute has been determined in its favour and Project Co has not confirmed to the Authority in writing within five (5) Business Days of the date of the determination that it will comply with its obligations under this Section 4 (High Value Changes) in accordance with the determination.
SECTION 5
PROJECT CO CHANGES

1 If Project Co wishes to introduce a Project Co Change, it shall serve a notice containing the information required pursuant to paragraph 2 of this Section 5 (Project Co Changes) (a "Project Co Notice of Change") on the Authority.

2 A Project Co Notice of Change shall:

2.1 set out the proposed Project Co Change in sufficient detail to enable the Authority to evaluate it in full;

2.2 specify Project Co's reasons for proposing the Project Co Change;

2.3 indicate any implications of the Project Co Change;

2.4 indicate what savings, if any, will be generated by the Project Co Change, including:

2.4.1 whether a reduction of the Annual Service Payment is proposed; or

2.4.2 whether such savings will be paid to the Authority in a lump sum,

in each case giving details in accordance with paragraph 8 of this Section 5 (Project Co Changes);

2.5 indicate whether there are any critical dates by which a decision by the Authority is required; and

2.6 request the Authority to consult with Project Co with a view to deciding whether to agree to the Project Co Change and, if so, what consequential changes the Authority requires as a result.

3 The Authority shall evaluate Project Co Notice of Change in good faith, taking into account all relevant issues, including whether:

3.1 a revision of the Annual Service Payment will occur;

3.2 the Project Co Change may affect the quality of the Services and/or the Works or the likelihood of successful completion of the Works and/or delivery of the Services (or any of them);
3.3 the Project Co Change will interfere with the relationship of the Authority with third parties;

3.4 the financial strength of Project Co is sufficient to perform the Works and/or Services after implementation of the Project Co Change;

3.5 the value and/or life expectancy of any of the Facilities will be reduced; or

3.6 the Project Co Change materially affects the risks or costs to which the Authority is exposed.

4 As soon as practicable after receiving the Project Co Notice of Change, the parties shall meet and discuss the matters referred to in it, including in the case of a Relevant Change in Law those matters referred to in Clause 33.4 of this Agreement. During discussions the Authority may propose modifications to, or accept or reject, the Project Co Notice of Change.

5 If the Authority accepts the Project Co Notice of Change (with or without modification) the parties shall consult and agree the remaining details as soon as practicable and upon agreement the Authority shall issue a notice confirming the Project Co Change which shall set out the agreed Project Co Change and:

5.1 shall enter into any documents to amend this Agreement or any relevant Ancillary Document which are necessary to give effect to Project Co Change;

5.2 subject to paragraph 7 of this Section 5 (Project Co Changes), the Annual Service Payment shall be revised in accordance with Section 6 (Changing the Financial Model) of this Schedule 16 (Change Protocol); and

5.3 the Project Co Change shall be implemented within the period specified by the Authority in its notice of acceptance.

6 If the Authority rejects the Project Co Notice of Change, it shall not be obliged to give its reasons for such a rejection and Project Co shall not be entitled to reimbursement by the Authority of any of its costs involved in the preparation of the Project Co Notice of Change.

7 Unless the Authority's written acceptance expressly agrees to an increase in the Annual Service Payment or that Project Co should be entitled to relief from any of its obligations, there shall be no increase in the Annual Service Payment or relief granted from any obligations as a result of a Project Co Change.

8 If a Project Co Change causes, or will cause, Project Co's costs or those of a sub-contractor to decrease, there shall be a decrease in the Annual Service Payment such that any cost savings (following deduction of costs reasonably incurred by Project Co in implementing such Project Co Change) will be shared on the basis of fifty per cent (50%) of the saving being retained by Project Co and fifty per cent (50%) of the saving being paid to the Authority as a lump sum within ten (10) Business Days of agreement or determination or by
way of revision of the Annual Service Payment pursuant to Section 6 (Changing the Financial Model) of this Schedule 16 (Change Protocol).
SECTION 6

CHANGING THE FINANCIAL MODEL

Procedure

1 If a Relevant Event occurs, the Financial Model shall be adjusted in accordance with this Section 6 (Changing the Financial Model) of this Schedule 16 (Change Protocol).

Adjusting the Logic or Formulae

2 If it is necessary to make a Logic Adjustment to permit an Input Adjustment or Assumption Adjustment to be made, Project Co shall make such Logic Adjustment only:

2.1 to the extent necessary;

2.2 in accordance with generally accepted accounting principles in the United Kingdom; and

2.3 so as to leave Project Co in no better and no worse a position.

3 In order to demonstrate that the conditions in paragraph 2 are met, Project Co shall prepare:

3.1 a run of the Financial Model before making any Assumption Adjustment or Input Adjustment and immediately prior to making the Logic Adjustment; and

3.2 a run of the Financial Model immediately following the Logic Adjustment which shows that Project Co is in no worse and no better a position following the making of the Logic Adjustment.

Adjusting the Assumptions

4 Subject to paragraph 5, Project Co may make an Assumption Adjustment so that the Assumptions in the Financial Model reflect:

4.1 reasonable economic assumptions prevailing at the Adjustment Date; and

4.2 reasonably foreseeable changes in the prospective technical performance of the Project arising as a result of the Relevant Event.

5 In making Assumption Adjustments, Project Co may make such adjustments only insofar as they relate to the Relevant Event, and such adjustments shall not have effect in relation to any period prior to the Adjustment Date, nor in relation to any aspect of the Project other than the Relevant Event in the period following the Adjustment Date.

Adjusting the Inputs
Project Co may make Input Adjustments to the extent required to reflect the Estimated Change in Project Costs arising out of the Relevant Event.

**Adjusting the Annual Service Payments**

In order to calculate the adjustment to be made to the Annual Service Payments, Project Co shall run the Financial Model after making the Logic Adjustments, the Assumption Adjustments and the Input Adjustments relating to the Relevant Event and permitted by this Section 6 (Changing the Financial Model) of this Schedule 16 (Change Protocol) so that, following the Relevant Event, it is in no better and no worse a position than it would have been if no Relevant Event had occurred.

The Annual Service Payments shall be adjusted by such amount as leaves Project Co, following the Relevant Event, in no better and no worse a position than it would have been if no Relevant Event had occurred.

**No better and no worse**

Any reference in this Agreement to "no better and no worse" or to leaving Project Co in "no better and no worse a position" shall be construed by reference to Project Co's:

9.1 rights, duties and liabilities under or arising pursuant to performance of this Agreement, the Funding Agreements, the Construction Contract and Service Contracts; and

9.2 ability to perform its obligations and exercise its rights under this Agreement, the Funding Agreements, the Construction Contract and Service Contracts,

so as to ensure that:

9.3 Project Co is left in a position in relation to the Key Ratios which is no better and no worse in the Post-Adjustment Financial Model than it is in the Pre-Adjustment Financial Model; and

COMPENSATION ON TERMINATION

SECTION 1

COMPENSATION ON TERMINATION FOR AUTHORITY DEFAULT AND VOLUNTARY TERMINATION

1 Compensation on Termination for the Authority Default and Voluntary Termination

1.1 If Project Co terminates this Agreement pursuant to Clause 39 (Authority Events of Default) or the Authority terminates this Agreement pursuant to Clause 42.1 (Authority Voluntary Termination) the Authority shall pay to Project Co the "Authority Default Termination Sum" as set out in paragraph 1.2.

1.2 Subject to paragraphs 1.4 to 1.6 below the Authority Default Termination Sum shall be an amount equal to the aggregate of:

1.2.1 the Base Senior Debt Termination Amount;

1.2.2 Redundancy Payments and Sub-Contractor Losses; and

1.2.3 the aggregate amount for which the share capital of Project Co and the amounts outstanding under the Subordinated Funding Agreements could have been sold on an open market basis based on the Relevant Assumptions,

LESS, to the extent it is a positive amount, the aggregate of without double counting in relation to the calculation of the Base Senior Debt Termination Amount or the amounts below:

1.2.4 the value of any right of Project Co to receive insurance proceeds (save where such insurance proceeds are held in the Insurance Proceeds Account and are to be applied in accordance with Clause 54.19 (Application of Proceeds) of this Agreement in reinstatement, restoration or replacement or, in the case of any third party legal liability or employer's liability, in satisfaction of the claim, demand, proceeding or liability) or sums due and payable from third parties (but only when received from third parties) but excluding any claims under any Sub-Contracts or claims against other third parties which have not been determined or have been determined but not yet paid provided that in such case Project Co shall assign any such rights and claims under the Sub-Contracts or claims against other third parties to the Authority and give the Authority reasonable assistance in prosecuting such claims;

1.2.5 to the extent realised before the Invoice Date the market value of any other assets and rights of Project Co (other than those transferred to the Authority pursuant to this Agreement) less liabilities of Project Co properly incurred in carrying out its obligations under this Agreement as
at the Termination Date provided that no account should be taken of any liabilities and obligations of Project Co arising out of:

(a) agreements or arrangements entered into by Project Co to the extent that such agreements or arrangements were not entered into in connection with Project Co’s obligations in relation to the Project; or

(b) agreements or arrangements entered into by Project Co to the extent that such agreements or arrangements were not entered into in the ordinary course of business and on commercial arm’s length terms; and

1.2.6 amounts which the Authority is entitled to set off pursuant to Clause 46.11 (Rights of Set-Off) of this Agreement.

1.3 To the extent that such assets and rights referred to in paragraph 1.2.5 above are not realised and applied by the Invoice Date, Project Co shall on payment of the Authority Default Termination Sum assign such assets and rights to the Authority.

1.4 If the aggregate of the amounts referred to in paragraphs 1.2.1 and 1.2.3 is less than the Revised Senior Debt Termination Amount, then the Authority Default Termination Sum shall be increased so that it is equal to the aggregate of the Revised Senior Debt Termination Amount and the amount referred to in paragraph 1.2.2 LESS without double counting in relation to the calculation of the Revised Senior Debt Termination Amount, the amounts referred to in paragraphs 1.2.4 to 1.2.6 above; provided always that (a) the amount referred to in paragraph 1.2.2 shall only be paid to the extent that Project Co has demonstrated to the reasonable satisfaction of the Authority that the amount will not be applied (in whole or in part) in payment of any Distribution and (b) if, at the time of termination, there are any Additional Permitted Borrowings outstanding, no Sub-Contractor Losses shall be paid in respect of any Sub Contract in circumstances where there is an event of default under such Sub-Contract which would entitle Project Co to terminate such Sub-Contract.

1.5 If a Distribution is made whilst any Additional Permitted Borrowing is outstanding and Project Co has wilfully, or through gross negligence failed to comply with its obligations under clause 9.4.4(a) of the Funders’ Direct Agreement then in addition to the deduction of the Distribution made pursuant to paragraph v of the definition of Revised Senior Debt Termination Amount, the Authority shall be entitled to set off the value of that Distribution a second time against the Authority Default Termination Sum, provided that the amount of the Authority Default Termination Sum shall never be less than the Revised Senior Debt Termination Amount.

1.6 If Project Co has wilfully or through gross negligence failed to comply with its obligations under clause 9.4.4(b) of the Funders’ Direct Agreement and there has been an overstatement of the cash balances by Project Co as at that date which has caused the Authority to reasonably believe that it would be required to pay a lesser sum at the Termination Date than it actually is required to pay under the terms of this Section 1 (Compensation on Termination for Authority Default and Voluntary Termination [and Termination on an Authority Break Point Date]), then the Authority Default Termination Sum shall be reduced by the amount of such overstatement (to the extent such overstatement is still applicable at the
Termination Date), provided that the amount of the Authority Default Termination Sum will never be less than the Revised Senior Debt Termination Amount.

1.7 The Authority Default Termination Sum shall be payable in accordance with Section 4 (General) of this Schedule 17 (Compensation on Termination).
SECTION 2

COMPENSATION FOR PROJECT CO DEFAULT

1 If the Authority terminates this Agreement pursuant to Clause 40 (Project Co Events of Default) or Clause 43 (Termination for Persistent Breach by Project Co), the Authority shall pay to Project Co such sum as is calculated according to this Section 2 (Compensation for Project Co Default) of this Schedule 17 (Compensation on Termination).

2 RETENDERING ELECTION

2.1 The Authority shall be entitled to retender the provision of the Project Operations in accordance with paragraph 3 (Retendering Procedure) and the provisions of paragraph 3 (Retendering Procedure) shall apply if:

2.1.1 the Authority notifies Project Co on or before the date falling twenty (20) Business Days after the Termination Date that it intends to retender; and

2.1.2 there is a Liquid Market; and either

(a) the Senior Funders have not exercised their rights to step-in under Clause 5 (Representative) of the Funders’ Direct Agreement; or

(b) Project Co or the Senior Funders have not procured the transfer of Project Co’s rights and liabilities under this Agreement to a Suitable Substitute Contractor and have failed to use all reasonable efforts to do so

but otherwise the Authority shall not be entitled to re-tender the provision of the Project Operations and paragraph 4 (No Retendering Procedure) shall apply.

3 RETENDERING PROCEDURE

3.1 The objective of the Tender Process shall be to enter into a New Agreement with a Compliant Tenderer.

3.2 The Authority shall (subject to any legal requirements preventing it from doing so) use all reasonable endeavours to complete the Tender Process as soon as practicable.

3.3 The Authority shall as soon as reasonably practicable notify Project Co of the Qualification Criteria and the other requirements and terms of the Tender Process, including the timing of the Tender Process, and shall act reasonably in setting such requirements and terms.
3.4 Project Co authorises the release of any information by the Authority under the Tender Process which would otherwise be prevented under Clause 62 (Confidentiality) that is reasonably required as part of the Tender Process.

3.5 For all or any part of a month, falling within the period from the Termination Date to the Compensation Date, the Authority shall pay to Project Co:

3.5.1 the Post Termination Service Amount for each completed month, on or before the date falling ten (10) Business Days after the end of that month; and

3.5.2 the Post Termination Service Amount for the period from the end of the last completed month until the Compensation Date, on or before the date falling twenty (20) Business Days after the Compensation Date.

3.6 Project Co may, at its own cost, appoint a person to monitor the Tender Process for the purpose of monitoring and reporting to Project Co and the Senior Funders on the Authority's compliance with the Tender Process.

3.7 The Tender Process Monitor shall enter into a confidentiality agreement with the Authority in a form acceptable to the Authority and shall be entitled to attend all meetings relating to the Tender Process, inspect copies of all the tender documentation and bids and make representations to the Authority as to compliance with the Tender Process. The Authority shall not be bound to consider or act upon such representations but acknowledges that such representations may be referred to by Project Co in the event that Project Co refers a dispute as to the Adjusted Highest Compliant Tender Price to the Dispute Resolution Procedure. The Tender Process Monitor will not disclose confidential information to Project Co or the Senior Funders or any other person (and shall provide an undertaking to the Authority to such effect as a condition of his appointment) but shall be entitled to advise Project Co and the Senior Funders on whether it considers that the Authority has acted in accordance with the Tender Process and correctly determined the Adjusted Highest Compliant Tender Price.

3.8 If any Post Termination Service Amount is less than zero then it may be carried forward and may be set off against any future positive Post Termination Service Amounts.

3.9 The Authority shall require bidders to bid on the basis that they will receive the benefit of any outstanding claims under Physical Damage Policies and the amount (if any) standing to the credit of the Insurance Proceeds Account on the date that the New Agreement is entered into.

3.10 As soon as practicable after tenders have been received, the Authority shall (acting reasonably) review and assess the Compliant Tenders and shall notify Project Co of:

3.10.1 the Highest Compliant Tender Price;
3.10.2 the Tender Costs; and

3.10.3 the Adjusted Highest Compliant Tender Price.

3.11 If Project Co refers a dispute relating to the Adjusted Highest Compliant Tender Price to dispute resolution in accordance with Clause 57 (Dispute Resolution), the Authority shall irrespective of such dispute be entitled to enter into a New Agreement.

3.12 The Adjusted Highest Compliant Tender Price, shall be paid in accordance with Section 4 (General) of this Schedule 17 (Compensation on Termination).

3.13 Subject to paragraphs 1.7 and 1.9 of Section 4 (General) of this Schedule 17 (Compensation on Termination), if the Authority has not paid an amount equal to the Adjusted Highest Compliant Tender Price to Project Co on or before the date falling two (2) years after the Termination Date then the following provisions of this paragraph 3 shall not apply to that termination and the provisions of paragraph 4 (No Retendering Procedure) shall apply instead.

3.14 Subject to paragraph 2.1 of this Section 2 (Compensation for Project Co Default) of this Schedule 17 (Compensation on Termination), the Authority may elect at any time prior to the receipt of a Compliant Tender, to follow the No Retendering Procedure under paragraph 4 (No Retendering Procedure) by notifying Project Co that this election has been made.

3.15 In the event that the Adjusted Highest Compliant Tender Price exceeds the Maximum Termination Amount, the Adjusted Highest Compliant Tender Price shall be deemed to be an amount equal to the Maximum Termination Amount.

4 NO RETENDERING PROCEDURE

4.1 Subject to paragraph 4.2, if the provisions of this paragraph 4 (No Retendering Procedure) apply Project Co shall not be entitled to receive any Post Termination Service Amount.

4.2 If the Authority elects to follow the no retendering procedure in accordance with this paragraph 4 (No Retendering Procedure) after it has elected to follow the procedure under paragraph 3 (Retendering Procedure), then the Authority shall continue to pay to Project Co each Post Termination Service Amount until the Compensation Date, in accordance with paragraph 3 (Retendering Procedure).

4.3 In agreeing or determining the Estimated Fair Value of the Agreement the parties shall be obliged to follow the principles set out below:

4.3.1 all forecast amounts of revenues and costs should be calculated in nominal terms at current prices, recognising the adjustment for indexation in respect of forecast inflation between the date of calculation and the forecast payment date(s) as set out in this Agreement;
4.3.2 the total of all payments of the full Monthly Service Payments forecast to be made from the Termination Date to the Expiry Date shall be calculated and discounted at the Discount Rate;

4.3.3 the total of all costs reasonably forecast to be incurred by the Authority as a result of termination shall be calculated and discounted at the Discount Rate and deducted from the payment calculated pursuant to paragraph 4.3.2 above, such costs to include (without double counting):

(a) a reasonable risk assessment of any cost overruns that will arise, whether or not forecast in the relevant base case;

(b) the costs of providing the Services reasonably forecast to be incurred by the Authority from the Termination Date to the Expiry Date in providing the Project Operations to the standard required; and

(c) any rectification costs required to deliver the Project Operations to the standard required (including any costs reasonably forecast to be incurred by the Authority to complete the Works) and additional operating costs required to restore operating services standards less (to the extent that such sums are included in any calculation of rectification costs for the purposes of this paragraph) the aggregate of:

(i) any insurance proceeds received (or held in the Insurance Proceeds Account) or which will be received pursuant to policies maintained in accordance with Clause 54 (Insurance); and

(ii) amounts payable by the Authority in respect of Capital Expenditure under this Agreement which have not been paid,

in each case such costs to be forecast at a level that will deliver the Services to the standards required by this Agreement;

4.4 If the parties cannot agree on the Adjusted Estimated Fair Value of the Agreement on or before the date falling twenty (20) Business Days after the date on which the Authority elected or was required pursuant to paragraph 2 (Retendering Election) or paragraph 3 (Retendering Procedure) to follow the no retendering procedure in accordance with this paragraph 4 (No Retendering Procedure), then the Adjusted Estimated Fair Value of the Agreement shall be determined in accordance with Clause 57 (Dispute Resolution).

4.5 The Adjusted Estimated Fair Value of the Agreement shall be paid in accordance with Section 4 (General) of this Schedule 17 (Compensation on Termination).
4.6 In the event that the Adjusted Estimated Fair Value of the Agreement exceeds the Maximum Termination Amount, the Adjusted Estimated Fair Value of the Agreement shall be deemed to be an amount equal to the Maximum Termination Amount.
SECTION 3

COMPENSATION ON TERMINATION FOR FORCE MAJEURO

1 CONSEQUENCES OF TERMINATION FOR FORCE MAJEURO

1.1 If Project Co or the Authority terminates this Agreement pursuant to Clause 32.1 (Force Majeure) or Clause 54.14.2 the Authority shall pay to Project Co the "Force Majeure Termination Sum" as set out in paragraph 1.2.

1.2 Subject to paragraphs 1.4 to 1.6 below the Force Majeure Termination Sum shall be an amount equal to the aggregate of:

1.2.1 the Base Senior Debt Termination Amount;

1.2.2 Redundancy Payments and Sub-Contractor Losses (but excluding therefrom any claims for loss of profit);

1.2.3 an amount equal to the Subordinated Debt less an amount equal to the aggregate of payments of interest paid on the Subordinated Debt provided that where such figure is a negative number it shall be instead fixed at zero; and

LESS, to the extent it is a positive amount, the aggregate of (without double counting) in relation to the calculation of the Base Senior Debt Termination Amount or the amounts below:

1.2.4 the value of any right of Project Co to receive insurance proceeds (save where such insurance proceeds are held in the Insurance Proceeds Account and are to be applied in accordance with Clause 54.19 of this Agreement in reinstatement, restoration or replacement, or in the case of third party legal liability or employer's liability, in satisfaction of the claim, demand, proceeding or liability) or sums due and payable from third parties (but only when received from third parties) but excluding any claims under any Sub-Contracts or claims against other third parties which have not been determined or have been determined but not yet paid provided that in such case Project Co shall assign any such rights and claims under the Sub-Contracts or claims against other third parties to the Authority and give the Authority reasonable assistance in prosecuting such claims;

1.2.5 to the extent realised before the Invoice Date, the market value of any other assets and rights of Project Co (other than those transferred to the Authority pursuant to this Agreement) less liabilities of Project Co properly incurred in carrying out its obligations under this Agreement as at the Termination Date provided that no account should be taken of any liabilities and obligations of Project Co arising out of:

(a) agreements or arrangements entered into by Project Co to the extent that such agreements or arrangements were not entered
into in connection with Project Co's obligations in relation to the Project; and

(b) agreements or arrangements entered into by Project Co to the extent that such agreements or arrangements were not entered into in the ordinary course of business and on commercial arm's length terms; and

1.2.6 amounts which the Authority is entitled to set off pursuant to Clause 46.11 (Rights of Set-Off) of this Agreement.

1.3 To the extent that such assets and rights referred to in paragraph 1.2.4 above are not realised and applied pursuant to that paragraph Project Co shall on payment of the Force Majeure Termination Sum assign such assets and rights to the Authority.

1.4 If the aggregate of the amounts referred to in paragraphs 1.2.1 and 1.2.3 is less than the Revised Senior Debt Termination Amount, then the Force Majeure Termination Sum shall be increased so that it is equal to the aggregate of the Revised Senior Debt Termination Amount and the amount referred to in paragraph 1.2.2 LESS without double counting in relation to the calculation of the Revised Senior Debt Termination Amount the amounts referred to at paragraphs 1.2.4 to 1.2.6 above; provided always that (a) the amount referred to in paragraph 1.2.2 above shall only be paid to the extent that Project Co has demonstrated to the reasonable satisfaction of the Authority that the amount will not be paid (in whole or in part) in payment of any Distribution and (b) if, at the time of termination, there are any Additional Permitted Borrowings outstanding, no Sub-Contractor Losses shall be paid in respect of any Sub Contract in circumstances where there is an event of default under such Sub-Contract which would entitle Project Co to terminate such Sub-Contract.

1.5 If a Distribution is made whilst any Additional Permitted Borrowing is outstanding and Project Co has wilfully, or through gross negligence failed to comply with its obligations under clause 9.4.4(a) of the Funders' Direct Agreement then in addition to the deduction of the Distribution made pursuant to paragraph (v) of the definition of Revised Senior Debt Termination Amount, the Authority shall be entitled to set off the value of that Distribution a second time against the Force Majeure Termination Sum, provided that the amount of the Force Majeure Termination Sum shall never be less than the Revised Senior Debt Termination Amount.

1.6 If Project Co has wilfully or through gross negligence failed to comply with its obligations under clause 9.4.4(b) of the Funders' Direct Agreement and there has been an overstatement of the cash balances by Project Co as at that date which has caused the Authority to reasonably believe that it would be required to pay a lesser sum at the Termination Date than it actually is required to pay under the terms of this Section 3 (Compensation on Termination for Force Majeure), then the Force Majeure Termination Sum shall be reduced by the amount of such overstatement (to the extent such overstatement is still applicable at the Termination Date), provided that the amount of the Force Majeure Termination Sum will never be less than the Revised Senior Debt Termination Amount.

1.7 The Force Majeure Termination Sum shall be paid in accordance with Section 4 (General) of this Schedule 17 (Compensation on Termination).
SECTION 4
GENERAL

1 PAYMENT AND INTEREST

1.1 Subject to paragraphs 1.2 and 1.6 below, the Authority shall pay to Project Co the Termination Sum, together with interest on any Base Senior Debt Termination Amount or Revised Senior Debt Termination Amount element of the Termination Sum at the No Default Interest Rate, on or before the date falling sixty (60) days after the Notice Date provided that, if the Authority fails to pay the Termination Sum in full by such date, interest shall accrue at the Default Interest Rate on any unpaid amount from (but not including) such date until the date such amount is paid.

1.2 The Authority may, other than where payment is to be made pursuant to Section 1 (Compensation on Termination for Authority Default and Voluntary Termination) of this Schedule 17 (Compensation on Termination), elect to pay the Adjusted Estimated Fair Value of the Agreement or the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as relevant) element of the Termination Sum:

1.2.1 in instalments as follows:

1.2.1.1 where the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant) is greater than or equal to the Outstanding Principal:

(a) in respect of that element of the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant) representing the Outstanding Principal, on the dates (the "Instalment Dates") and in the amounts that Project Co would have been required to pay principal to the Senior Funders under the terms of the [Credit Agreement] had the Termination Date not occurred; and

(b) in respect of the sum (if any) remaining after deducting the Outstanding Principal from the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant), in equal instalments on the Instalment Dates;

1.2.1.2 where the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount or the Adjusted Estimated Fair Value of the Agreement (as relevant) is less than the Outstanding Principal, on the Instalment Dates pro rata to the amounts that Project Co would have been required to pay to the Senior Funders on each Instalment Date under the terms of the [Credit Agreement] had the Termination Date not occurred; or
1.2.2 as the parties may otherwise agree.

1.3 From the Notice Date until the date of payment, interest shall accrue on any unpaid element of the Termination Sum at the No Default Interest Rate and be payable on the next occurring Instalment Date.

1.4 If the Authority has elected to pay in accordance with paragraph 1.2 above, it may (on twenty-eight (28) days’ prior written notice to Project Co) elect to pay the outstanding part of the Adjusted Estimated Fair Value of the Agreement or the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as relevant) element of the Termination Sum in full on any Instalment Date. If the Authority fails to make a payment to Project Co in accordance with paragraphs 1.1 or 1.2 or 1.3 above, Project Co may issue a notice to the Authority declaring any unpaid and outstanding element of (as applicable) the Adjusted Estimated Fair Value of the Agreement or the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount (as relevant) element of the Termination Sum and any accrued but unpaid interest to be immediately due and payable.

1.5 To the extent that the Adjusted Estimated Fair Value of the Agreement is less than zero, then an amount equal to the Adjusted Estimated Fair Value of the Agreement shall be due and payable by Project Co to the Authority on the Compensation Date.

Following Retendering

1.6 Subject to paragraphs 1.8 and 1.9 following a retendering exercise under Section 2 (Compensation for Project Co Default) of this Schedule 17 (Compensation on Termination) the Authority shall pay to Project Co an amount equal to the Adjusted Highest Compliant Tender Price no later than the date falling twenty (20) Business Days after the later of:

1.6.1 the date of the New Agreement; and

1.6.2 if Project Co has referred a dispute relating to the Adjusted Highest Compliant Tender Price to dispute resolution pursuant to paragraph 3.11 of Section 2 (Compensation for Project Co Default) of this Schedule 17 (Compensation on Termination), the date on which the dispute is finally determined in accordance with Clause 57 (Dispute Resolution), provided that, to avoid doubt, if the dispute referred by Project Co to dispute resolution (pursuant to paragraph 1.6.2 above) concerns only a proportion of the Adjusted Highest Compliant Tender Price then the Authority shall pay the undisputed proportion of such sum no later than twenty (20) Business Days after the date referred to in paragraph 1.6.1 above (the "Undisputed Payment Date") and the Authority shall pay interest to Project Co on any amount of the Adjusted Highest Compliant Tender Price which has been withheld, from the Undisputed Payment Date until the date on which payment is due under paragraph 1.6.2 above at the No Default Interest Rate.

1.7 If the Authority has received all bids from bidders under the Tender Process and has received a Compliant Tender but decides not to complete the Tender Process, it shall notify Project Co of this decision and (if the Adjusted Highest Compliant Tender Price is a positive number) pay to Project Co an amount equal to the Adjusted Highest Compliant Tender Price within twenty (20) Business Days of such notification.

1.8 If the Authority fails to pay the Adjusted Highest Compliant Tender Price (or any proportion thereof) by the date on which payment is due in accordance with paragraph 1.6 or paragraph 1.7 above, the Authority shall pay to Project Co interest
on such unpaid amount, which shall accrue on such amount at the Default Interest Rate from (but not including) the date on which payment is due in accordance with paragraph 1.6 or paragraph 1.7 above until such amount is paid.

1.9 If the Adjusted Highest Compliant Tender Price is zero or a negative number then, on entering into the New Agreement with the New Project Co, the Authority shall have no obligation to make any payment to Project Co and (if a negative number) an amount equal to the Adjusted Highest Compliant Tender Price shall be due and payable by Project Co to the Authority on the date of the New Agreement or (where paragraph 1.7 applies) within twenty (20) Business Days of notification from the Authority pursuant to that paragraph.

2 FULL AND FINAL SETTLEMENT

2.1 Any and all sums irrevocably paid by the Authority to Project Co under this Schedule 17 (Compensation on Termination) will be in full and final settlement of each party's rights and claims against the other for breaches and/or termination of this Agreement and any other Project Document whether under contract, tort, restitution or otherwise but without prejudice to:

2.1.1 any antecedent liability of Project Co to the Authority which the Authority has been unable to set off pursuant to Clause 46.11 (Rights of Set-Off) of this Agreement;

2.1.2 any antecedent liability of either party to the other that arose prior to the Termination Date (but not from the termination itself) to the extent such liability has not already been taken into account in determining or agreeing the Authority Default Termination Sum, Adjusted Highest Compliant Tender Price, or Adjusted Estimated Fair Value of the Agreement or the Force Majeure Termination Sum as the case may be; and

2.1.3 any liabilities arising in respect of any breach by either party of their obligations under Clause 47.6 (Continuing Obligations) of this Agreement which arises or continues after the Termination Date.

3 COSTS

The costs and/or expenses to be taken into account in the calculation of all termination sums due pursuant to this Schedule 17 (Compensation on Termination) shall only be such costs and/or expenses to the extent that they are reasonable and proper in quantum and shall have been or will be reasonably and properly incurred and shall only be counted once.

4 UNDISPUTED AMOUNTS

If the calculation of any termination amount is disputed then any undisputed element of that amount shall be paid in accordance with this Section 4 (General) of this Schedule 17 (Compensation on Termination) and the disputed element shall be dealt with in accordance with Schedule 20 (Dispute Resolution Procedure).

5 OUTSTANDING SENIOR DEBT AMOUNT

5.1 The Authority shall be entitled to rely on the certificate of the [Senior Funders' Agent] as conclusive as to the amount of the Base Senior Debt Termination Amount or Revised Senior Debt Termination Amount (as the case may be) outstanding at any relevant time.
5.2 The receipt by the [Senior Funders' Agent] of the Base Senior Debt Termination Amount or Revised Senior Debt Termination Amount or elements thereof (as appropriate) (as the case may be) (and where appropriate any accrued interest or breakage costs as certified in accordance with paragraph 5.1 above) shall discharge the Authority's obligations to pay such sums to Project Co.

3 Not less than [two (2) years] prior to the Expiry Date, Project Co and the Authority's Representative shall conduct a joint inspection of the Facilities.

4 Within [♦] Business Days after the completion of the inspection, if it is found that any element of the Facilities is not in a condition consistent with the Handback Requirements, Project Co shall forthwith provide to the Authority's Representative in accordance with Schedule 8 (Review Procedure):

Amount (as the case may be), Project Co shall procure that the Handback Works are carried
out in accordance with the Handback Programme so as to meet the Handback
Requirements. Project Co shall carry out the Handback Works at its own cost
notwithstanding that the actual cost of the Handback Works may be higher than the
Handback Amount.

7 From the date of the agreement (or determination in accordance with Schedule 20 (Dispute
Resolution Procedure)) of the matters identified in paragraph 6, the Authority shall be
entitled to withhold [thirty (30)] % of each subsequent Monthly Service Payment up to the
amount of the Handback Amount (the “Withheld Amount”) and the provisions of paragraph

Any such claim shall be accompanied by a certificate by Project Co setting out the works performed and the value of such works. The Authority shall be entitled to require any reasonable further evidence in respect of the valuation of the works. In the event that the amount remaining in the Retention Fund on the Expiry Date is insufficient to cover Project Co's costs which have not been paid, Project Co shall bear the balance of such costs itself.

12 Not later than sixty (60) Business Days before the Expiry Date, Project Co and the Authority's Representative shall conduct a joint inspection of the Facilities. Such inspection shall confirm whether or not the condition of the Facilities is in accordance with paragraph 2 above.

16 If no agreement is reached between Project Co and the Authority's Representative as to any matter referred to in Project Co's notice given in accordance with paragraph 15 within [♦] Business Days of receipt of that notice by the Authority's Representative, then either Project Co or the Authority's Representative may refer the matter for determination in accordance with Schedule 20 (Dispute Resolution Procedure) as to:
16.1 whether the Facilities comply in all respects with the Handback Requirements; and

16.2 the estimated cost of procuring that the Facilities comply in all respects with the Handback Requirements, where the Facilities do not comply in all respects with the Handback Requirements.

17 If it is agreed or determined in accordance with Schedule 20 (Dispute Resolution Procedure) that the Facilities did not, at the Expiry Date, comply in all respects with the Handback Requirements, Project Co shall pay to the Authority an amount equal to the estimated cost of completing such Handback Works (less, where applicable, any amounts standing to the credit of the Retention Fund at that time) or procuring that the Facilities comply in all respects with the Handback Requirements. The party giving the Notice of Adjudication (the "Referring Party") shall by the same means of communication send a copy of the Notice of Adjudication to an adjudicator selected in accordance with paragraph 6.2 below or paragraph 6.14 (Related Adjudicator) below (the "Adjudicator").

6.2 The Adjudicator nominated to consider a Dispute referred to him shall, subject to paragraph 6.14, be selected from the relevant panel of adjudicators appointed in accordance with the following:

6.2.1 there shall be two (2) panels of experts, one in respect of construction matters (the "Construction Panel") and one in respect of operational and maintenance matters (the "Operational Panel"). All the adjudicators on each panel shall be wholly independent of Project Co, the Authority, the relevant Sub-Contractor and any of the major competitors of Project Co or the relevant Sub-Contractor;

6.2.2 the Construction Panel shall be comprised of three (3) experts [as identified in paragraph 9 (Panel Members)] who shall be selected jointly by Project Co and the Authority. Such selections shall take place within twenty-eight (28) days of the date of this Agreement;

6.2.3 the Operational Panel shall be comprised of three (3) experts [as identified in paragraph 9 (Panel Members)] who shall be selected to the panel jointly by Project Co and the Authority. Such selections shall take place on or before the Actual Completion Date;

6.2.4 if any member of either panel resigns during the term of the Agreement, a replacement expert shall be appointed by Project Co and the Authority as soon as practicable;

6.2.5 if Project Co and the Authority are unable to agree on the identity of [the expert to be selected for the panels or] any replacement expert, the President for the time being of the Chartered Institute of Arbitrators Wales Branch shall appoint such adjudicator(s) within seven (7) days of any application for such appointment by either party;

6.2.6 in the event that the first panel member approached is unable or unwilling to confirm acceptance of his appointment as Adjudicator or where he fails to respond within two (2) days of the date of the Notice of Adjudication, then the Referring Party shall invite an alternative person from the relevant panel to act as Adjudicator. In the event that the second panel member is unwilling or unable to confirm acceptance of his appointment as Adjudicator within four (4) days of the date of the Notice of Adjudication or if the parties disagree as to the relevant panel of adjudicators to be used, then the Referring Party may apply to the President for the time being of the Chartered Institute of Arbitrators Wales Branch who shall within seven (7) days of the date of the Notice of Adjudication, nominate an Adjudicator (who shall also within the same period, confirm acceptance of his appointment as Adjudicator) to determine the Dispute described in the Notice of Adjudication;
6.2.7 no member of either panel shall be entitled to accept an appointment to act as Adjudicator unless he is willing also to be appointed as the adjudicator to adjudicate any dispute which:

(a) may arise between Project Co and the Contractor and raises issues which, in the opinion of Project Co, are substantially the same as or connected with the Dispute in relation to which he has been appointed; and/or

(b) may arise between Project Co and the Service Provider and raises issues which, in the opinion of Project Co, are substantially the same as or connected with the Dispute in relation to which he has been appointed; and/or

(c) may arise between Project Co and the Independent Tester and raises issues which, in the opinion of Project Co, are substantially the same as or connected with the Dispute in relation to which he has been appointed.

6.3 The Referring Party shall, within seven (7) days of the date of the Notice of Adjudication, serve its statement of case (the "Referral Notice") on the Adjudicator (appointed pursuant to paragraph 6.2) and the other party to the Dispute (the "Responding Party"). The Referral Notice shall set out each element of the Referring Party's claim and the relief or remedy sought in sufficient detail so as to enable the Responding Party to understand and, where appropriate, respond to the claim and the Referral Notice shall be accompanied by copies of, or relevant extracts from, this Agreement and such other documents as the Referring Party intends to rely upon. The date of the referral of the Dispute (the "Referral") shall be the date of the Referral Notice.

6.4 Within seven (7) days of appointment in relation to a particular Dispute, the Adjudicator shall establish the procedure and timetable for the adjudication. The Adjudicator shall have absolute discretion as to how to conduct the adjudication, including whether a meeting is necessary. He shall establish the procedure and timetable subject to any limitation within this Agreement. The parties shall comply with any request or direction of the Adjudicator in relation to the adjudication.

6.5 The Adjudicator shall reach a decision on the Dispute within twenty-eight (28) days of the date of the Referral (or such other period as the parties may agree). The Adjudicator may extend the period of twenty-eight (28) days by up to fourteen (14) days with the consent of the Referring Party. Unless the parties otherwise agree, the Adjudicator shall give reasons for his decision. Unless and until the Dispute is finally determined by Court proceedings or by an agreement in writing between the parties, the Adjudicator's decision shall be binding on both parties who shall forthwith give effect to the decision.

6.6 The Adjudicator's costs of any reference shall be borne as the Adjudicator shall specify or, in default, equally by the parties. Each party shall bear its own costs arising out of the adjudication, including legal costs and the costs and expenses of any witnesses.
6.7 The Adjudicator shall be deemed not to be an arbitrator but shall render his decision as an adjudicator and the law relating to arbitration shall not apply to the Adjudicator or his determination or the procedure by which he reached his determination.

6.8 The Adjudicator shall act fairly and impartially and may take the initiative in ascertaining the facts and the law. The Adjudicator shall have the power to open up, review and revise any opinion, certificate, instruction, determination or decision of whatever nature given or made under this Agreement.

6.9 All information, data or documentation disclosed or delivered by a party to the Adjudicator in consequence of or in connection with his appointment as Adjudicator shall be treated as confidential. The Adjudicator shall not, save as permitted by Clause 62 (Confidentiality), disclose to any person or company any such information, data or documentation and all such information, data or documentation shall remain the property of the party disclosing or delivering the same and all copies shall be returned to such party on completion of the Adjudicator's work.

6.10 The Adjudicator is not liable for anything done or omitted in the discharge or purported discharge of his functions as Adjudicator unless the act or omission is in bad faith. Any employee or agent of the Adjudicator is similarly protected from liability.

6.11 The Adjudicator may on his own initiative or on the request of the Referring Party or Responding Party correct his decision so as to remove a clerical or typographical error arising by accident or omission.

6.12 Any correction of a decision shall be made within five (5) days of the date upon which the Adjudicator's decision was delivered to the parties.

6.13 Any correction of a decision shall form part of the decision.

6.14 If any Dispute raises issues which, in the opinion of Project Co, are substantially the same as or connected with issues raised in a dispute or difference arising out of or relating to any other agreement (all such agreements being referred to as the "Related Agreements") between:

6.14.1 Project Co and the Contractor;

6.14.2 Project Co and the Service Provider; and/or,

6.14.3 Project Co and the Independent Tester,

which was or has been referred to adjudication (the "Related Adjudication") and an adjudicator has already been appointed (the "Related Adjudicator") then Project Co may request that the Dispute be referred to the Related Adjudicator and paragraphs 6.15 to 6.17 shall apply.
Subject to paragraphs 6.16 and 6.17 below, in the event that a Related Adjudicator orders that a Dispute under this Agreement be consolidated with a Related Adjudication with which he is dealing under the Related Agreement, then:

6.15.1 with effect from the time of such order, the Dispute shall be determined by the Related Adjudicator, who shall become the Adjudicator; and

6.15.2 such order shall be binding on Project Co and the Authority and both of them shall acknowledge the appointment of the Related Adjudicator as the adjudicator of the Dispute, with Project Co or the Authority (as the case may be) using its best endeavours to procure that the third party who is a party to the Related Agreement shall with effect from the time of such order comply with the requirements of the Related Agreement (including if applicable any requirement or direction of the Related Adjudicator appointed under such Related Agreement) as to the future conduct of the determination of the Dispute and the Related Adjudication; and

6.15.3 notwithstanding paragraph 6.6, Project Co and the Authority shall be jointly responsible with the third party who is a party to the Related Agreement for the Related Adjudicator's fees and expenses including those of any specialist consultant appointed under the adjudication procedure in the Related Agreement, in respect of the period in which the Dispute is consolidated with the Related Adjudication pursuant to an order of the Related Adjudicator ("Consolidated Adjudication Costs"). Project Co and the Authority agree that the Related Adjudicator shall have the discretion to make directions to require Project Co, the Authority and the third party who is a party to the Related Agreement to pay or make contribution to the Consolidated Adjudication Costs in different proportions. If no such directions are made, Project Co, the Authority and the third party who is a party to the Related Agreement shall bear the Consolidated Adjudication Costs in equal shares, and if Project Co, the Authority or the third party has paid more than such equal share, that party or third party shall be entitled to a contribution from the other party, parties or third party, as the case may be.

6.16 Notwithstanding anything to the contrary a Dispute under this Agreement may only be consolidated with a Related Adjudication, if the Related Adjudicator receives particulars of the Dispute within ten (10) days of the referral of the Related Adjudication to the Related Adjudicator under the Related Agreement.

6.17 Where Project Co requests that a Dispute under this Agreement be consolidated (in terms of paragraph 6.14) with a Related Adjudication and heard by the Related Adjudicator, the Dispute may only be consolidated where the Authority has previously consented in writing to the identity of the Related Adjudicator appointed in respect of the Related Adjudication. The Authority's consent to such request shall not be unreasonably withheld and if the Authority refuses to consent, it must give reasons in writing for its refusal. Should the Authority fail to respond within two (2) days of receipt of such a request it shall be deemed to have consented to the appointment of the Related Adjudicator. Where the Related Adjudicator is on the Construction Panel or Operational Panel at the time of the Referral then the Authority shall be deemed to have consented to the appointment of the Related Adjudicator.
7 COURT PROCEEDINGS

Subject to paragraph 6 (Adjudication) all Disputes, to the extent not finally resolved pursuant to the procedures set out in the foregoing provisions of this Schedule 20 (Dispute Resolution Procedure), shall be referred to the Courts of England and Wales.

8 SUBMISSIONS IN RELATION TO ADJUDICATION

8.1 If any Dispute raises issues which relate to:

8.1.1 any dispute between Project Co and the Contractor arising under the Construction Contract or otherwise affects the relationship or rights of Project Co and/or the Contractor under the Construction Contract (the "Construction Contract Dispute"); or

8.1.2 any dispute between Project Co and the Service Provider arising under the Service Contract or otherwise affects the relationship or rights of Project Co and/or the Service Provider under the Service Contract (the "Service Contract Dispute"); or

8.1.3 any dispute between Project Co and the Independent Tester arising under the Independent Tester Contract or otherwise affects the relationship or rights of Project Co and/or the Independent Tester under the Independent Tester Contract (the "Independent Tester Contract Dispute"),

then Project Co may include as part of its submissions made to the Adjudicator submissions made by the Contractor or by the Service Provider or the Independent Tester as appropriate.

8.2 Any submissions made by the Contractor or the Service Provider or the Independent Tester shall:

8.2.1 be made within the time limits applicable to the delivery of submissions by Project Co to the Adjudicator; and

8.2.2 concern only those matters which relate to the Dispute between the Authority and Project Co arising out of this Agreement or in connection therewith.

8.3 Where the Contractor or the Service Provider or the Independent Tester makes submissions in any reference before the Adjudicator, the Adjudicator's costs of such reference shall be borne as the Adjudicator shall specify, or in default, one-third by the Authority and two-thirds by Project Co.

8.4 The Authority shall have no liability to the Contractor or the Service Provider or the Independent Tester arising out of or in connection with any decision of the
Adjudicator or in respect of the costs of the Contractor or the Service Provider or the Independent Tester in participating in the resolution of any Dispute under this Agreement.

8.5 Project Co shall not allow the Contractor or the Service Provider or the Independent Tester access to any Confidential Information relevant to the issues in dispute between the Authority and Project Co save where:

8.5.1 the Confidential Information is relevant also to the issues relating to the Construction Contract Dispute or the Service Contract Dispute or the Independent Tester Contract Dispute as the case may be; and

8.5.2 Project Co has first delivered to the Authority a written undertaking from the Contractor and/or the Service Provider and/or the Independent Tester (as appropriate) addressed to the Authority that they shall not use any such Confidential Information otherwise than for the purpose of the dispute resolution proceedings under this Agreement and that they shall not disclose such Confidential Information to any third party other than the Adjudicator or the courts or any professional adviser engaged by the Contractor or the Service Provider or Independent Tester (as appropriate) to advise in connection with the Dispute.

9 PANEL MEMBERS

The panel members referred to in paragraph 6 are as follows:

Construction Panel [♦]

Operational Panel [♦]

10 NO LOSS

Where the Authority would otherwise be expressly liable to make payment to Project Co of sums which include amounts payable in turn by Project Co to any Sub-Contractor, the Authority shall not be entitled to withhold, reduce or avoid any such payment to Project Co in reliance only on the fact that the amount which is due from Project Co to the Sub-Contractor or the entitlement of the Sub-Contractor to payment of such amount as a result of the circumstances giving rise to the Authority’s obligation to pay, is conditional on the entitlement of, or receipt of payment by Project Co from the Authority.

11 CONTINUING OBLIGATIONS

Unless this Agreement has already been repudiated or terminated, the parties shall, (notwithstanding that any Dispute is subject to the Dispute Resolution Procedure set out in this Schedule 20 (Dispute Resolution Procedure)), continue to carry out their obligations in accordance with this Agreement.

SCHEDULE 23
REFINANCING

Requirement for Authority Consent

1 Project Co shall obtain the Authority’s prior written consent to any Qualifying Refinancing and both the Authority and Project Co shall at all times act in good faith with respect to any Refinancing.

2 The Authority shall be entitled to receive a one-third share of any Refinancing Gain arising from any Qualifying Refinancing.

3 The Authority shall not unreasonably withhold or delay its consent to a Qualifying Refinancing.

Project Co Details

4 Project Co shall promptly provide the Authority with full details of any proposed Qualifying Refinancing, including a copy of the proposed financial model relating to it (if any) and the basis for the assumptions used in the proposed financial model. The Authority shall (before, during and at any time after any Refinancing) have unrestricted rights of audit over any financial model and documentation (including any aspect of the calculation of the Refinancing Gain) used in connection with the Refinancing whether that Refinancing is a Qualifying Refinancing or not.

Receipt of Gain

5 The Authority shall receive its share of any Refinancing Gain as:

5.1 a single payment of the amount which, but for the provisions of this Schedule 23 (Refinancing), would otherwise be capable of being released as a Distribution on or about the date of the Refinancing;

5.2 a reduction in the Annual Service Payments over the remaining term of this Agreement; or

5.3 a combination of the above.

Method of Calculation

6 The Authority and Project Co will negotiate in good faith to agree the basis and method of calculation of the Refinancing Gain and payment of the Authority's share of the Refinancing Gain. For the avoidance of doubt the calculation of the Authority's share of any Refinancing Gain pursuant to this Agreement shall be treated wholly separately from the calculation of Distributions which may be due and payable to the Authority as a Relevant Person. If the parties fail to agree the basis and method of calculation of the Refinancing Gain or the
payment of the Authority's share, the dispute shall be determined in accordance with Schedule 20 (Dispute Resolution Procedure).

**Costs**

7 The Refinancing Gain shall be calculated after taking into account the reasonable and proper professional costs that each party directly incurs in relation to the Qualifying Refinancing and on the basis that all reasonable and proper professional costs incurred by the Authority will be paid to the Authority by Project Co within twenty-eight (28) days of any Qualifying Refinancing.

8 Without prejudice to the other provisions of this Schedule 23 (Refinancing), Project Co shall:

8.1 notify the Authority of all Notifiable Financings on becoming aware of the same and again when they are entered into and provide full details of the same; and

8.2 include a provision in the Funding Agreements (other than the Subordinated Funding Agreements) whereby it is entitled to be informed of any proposals which the Senior Funders may have to refinance the Funding Agreements (other than the Subordinated Funding Agreements).
