Dear Cllr Bale

Thank you for the Cardiff Local Transport Plan, submitted to me in January 2015.

In accordance with the legislative requirements set out in the Transport Act (2000) as amended, I am satisfied that your plan contains policies for the promotion and encouragement of safe and efficient transport. I am also satisfied that your plan contains policies for the implementation of the Wales Transport Strategy, and has taken regard of the statutory guidance, which I issued to you in May 2014.

For this reason I am able to approve the plan as submitted to me. You should note that my approval of the plan does not imply approval of the process you have followed, including compliance with statutory duties placed upon your authority.

Yours sincerely
