Councillor Hugh Evans
Leader
Denbighshire County Council

30 June 2015

Dear Cllr Evans,

I am writing to you following a letter from one of your officials, Sue Hudson, on 19 June to my department regarding a query about the proposed changes to Denbighshire's home to school transport policy.

The query concerns the lawfulness of a central pick-up point. The Welsh Government cannot provide a definitive interpretation of the law and accordingly is unable to provide legal advice to local authorities. If your officials require advice on interpretation of the legislation, such advice should be sought from your own legal advisors.
