27 June 2017

Dear,

Request for Information – ATISN 11314

I refer to your request of 30th May 2017 asking for an explanation of what happened between 31st March 2015 and 23rd May 2017 in respect of an Agreement dated 8th June 2012 made between the Welsh Government (WG) and Pembrokeshire County Council (PCC). This request does not fall within the regulations of the FOI Act but I would comment as follows:-

Under ATISN 10575 you were provided with copies of documentation issued prior to 31st March 2015 that varied the original Agreement, including the timescales associated with the Agreement with a completion date of 30th September 2016. There were no further variations to the Agreement.

As you have been advised previously, the proposed development had not commenced and completed within the time scales specified by the Agreement. On 16th November 2016, WG received a request from PCC seeking to extend the completion date to March 2020. WG considered the Council’s request and concluded that the Agreement should be terminated. Notice was formally served on 23rd May 2017.

You have also submitted a request for correspondence relating to the Agreement that covers these dates under ATISN 11321 which is covered by FOI regulations. This will be provided to you under separate cover.

If you are dissatisfied with the Welsh Government’s handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government’s Freedom of Information Officer at:
