23rd November 2016

Dear Ms Evans,

Thank you for attending our Commit to Quit session at Itec Skills in Cardiff on 17th November.

The young people were delighted to be able to share their experiences with you. I hope this snapshot provided you with insight into some of their life challenges but has also demonstrated the potential to positively engage hard-to-reach young people in a stop smoking service.

ASH Wales has been running a unique quit-smoking and information service for young people for four years. Most recently Welsh Government has funded our Commit to Quit service and, as you are aware, more than 300 teenagers have taken part in the 8-week programme.

We would appreciate the opportunity to discuss our current work, including Commit to Quit, and future cessation aspirations with Wales' hard-to-reach young people who we believe need specialised support in order to help them quit smoking.

Yours sincerely,
Suzanne Cass

Chief Executive, ASH Wales Cymru
