Dear ,

ATISN 11835 Special Consideration Requests

Thank you for your request which I received on 12 December. You asked for:

- The number of special consideration requests for GCSE and A Level exams (meaning occasions where applications have been made for special consideration if a school believes a pupil has been disadvantaged during their exams because of exceptional circumstances) made in Wales over last three available years.

Following a search of our paper and electronic records, I have established that the information you require is not held by the Welsh Government. The information is however collated and published by Ofqual and is available from the internet at the links below:
