

Hi

Thanks.

British Council have advised that the meeting with the World Bank is pressing, currently arranged for Thursday PM (note that this is under the FE strand). An early decision on that would be appreciated.

Thanks

Fine for you to sort the visit to MOET on the Thursday afternoon but the Cab Sec has asked for the SPADs advice on the other options.

I think they'll be mainly sticking with HE but they're going to discuss and will be in touch with you early next week. If there's something specific you need decision on before then probably best to email and directly. Grateful if I can be copied into any emails.

The Chief Whip has now approved the absence so we'll look to book flights when Helen returns to the office on Monday.

Kind regards,

Hi

We talked about the two separate streams to the programme yesterday – one covering HE and the other covering FE.

The HE & FE streams cross over so there are options throughout for the Cab Sec because some days where there is a HE and FE meeting at the same time, she will only be able to attend one or the other.

I have enclosed a re-worked programme which hopefully makes it easier to follow. Have you managed to get further input from the Cab sec?

I have a meeting with the Working Group on Friday to firm up the programme and start getting people in country to set up the engagements, so ideally I need a steer either today or by the morning so I can circulate the programme to the Working Group and go back to the British Embassy.

Thanks
