Subject: Trade Mission to Vietnam

Hi

Sorry if you're not the right person to ask. Xxxxx from HEFCW is going to be part of the trade mission to Vietnam. His PA, xxx xxxx has asked about travelling to Heathrow. She would like to know if they will be travelling together or whether he will need to make his own way.

Can someone please contact her to advise?

Apologies if this is not for you, can you please forward on to the appropriate colleague if so.

Kind regards,
