Thanks that's useful.

Hopefully things will start to fall into place now - its shaping up into a good programme.

We are asking for a courtesy meeting with the UK Consul General in Hanoi on Monday to welcome the Cab Sec and to give a short political briefing ahead of the main briefing session with the missions.

Will keep you posted. In the meantime, if you have any other queries please let me know.

Thanks

Hi

Not sure if you saw my earlier email but the Cabinet Secretary is content with the attached programme. The Cab Sec's delegation are content to attend the briefing at the British Consulate on the Monday morning.

Kind regards,

Dear

Please find enclosed a revised programme taking into account the feedback from the Cabinet Secretary and others. The programme looks in better shape now - worth noting that the reception has moved to the Wednesday evening now, so that frees up the Thursday evening and takes the pressure off around getting to the airport.

Can you put the revised programme to the Cab Sec please? I need to go back to today to confirm we are happy.

I'm checking on the briefing session at British Consulate on the Monday morning, I think it's a trade briefing (run by DIT) for the whole mission – if it is, does the Cabinet Secretary's delegation want to attend this?

Thanks
