Subject: updated briefing on Int student report

Hi

Please find attached an updated briefing on the Int student report we've just done to send to the FM on Monday following our meeting yesterday, it's got a bit more narrative in it, and might have more come Monday, if we decide there's more to add, but hopefully gives Kirsty a bit more info for now. Also there had been a mistake in the one we'd sent before, so please use this one for reference-happy to explain what/where. I hear the BBC have been in touch already, that's great news if she's able to do a recording, let me know if I can help at all. Also attached is the pre-briefing that's gone to press, so you know what they know.
