

Thanks. Spoken to xxx and while they'll include passing reference to the fact that she is not going to Vietnam and will be around in the chamber later, it won't be a big feature of their coverage today.

Hi all,

Please see below. We've been officially approached now. It's obvious what the real reason is here but are we still happy with the line?

"While the Welsh Government organised trade mission to Vietnam is still going ahead, owing to other commitments the Cabinet Secretary for Education is no longer able to attend."

Thanks,
