Subject: FW: EHE Ministerial Briefing - Final

Hi Both

NISB have sent through the attached and requested it be sent to the Cab Secs for Health and Education and the Minister for Children and Social Care. It's a summary of the CASCADE EHE report (reattached) and an offer to meet Ministers/officials and discuss

The report itself won't be published on our website until we get the Welsh version from CASCADE – promised 16 Nov.

I'm Sending it to you first as presumably you'll want to put it up with advice and I can tell NISB I've sent to Welsh Government

I'm sending to you in the first instance but am presuming that Carol Mooney. and Sam Evans will want to see it too.

Many thanks
