Hi Arwel,

Thanks for the below. The Cabinet Secretary for Education and the Minister for Children and Social Care would be pleased to meet the NISB board to discuss the CASCADE report. Both Minister's currently have availability on Monday 5th December from 12:30-13:00. Are you able to confirm whether this is convenient for the board or provide us with contact details so we can liaise directly?

Thanks

Helen

Subject: CASCADE report on Elective Home Education along with briefing from the National Independent Safeguarding Board

Hi Private Offices

Please see the links below to a communication for your Cab Sec / Minister from the National Independent Safeguarding Board (NISB), for which I act as secretariat. NISB commissioned a report from the Children's Social Care Research and Development Centre (CASCADE) on "An evidence based review of the risks to children and young people who are educated at home". NISB would like to present the final report to you along with their briefing on it. The briefing includes an offer to discuss the report and briefing with Ministers or their officials.

<< Doc 7>>

I've been asked to submit this to you directly for you to commission advice from the relevant officials.

Many thanks

Arwel
