Hi [hepgorwyd adran 40(2)],

We've been advised that the Culture, Welsh Language and Communications Committee has agreed to report on / consider these regulations and that they intend to do so at their meeting on Wednesday 14 March. The Committee have queried whether they could receive a private technical briefing on the regulations from officials at that meeting.

Grateful if you'd confirm whether the Minister would be content for officials to brief the Committee.

Thanks,
