Morning both,

The Minister has confirmed that she's content for you to provide the Committee with a technical briefing.

I'll get in touch with the Commission to confirm / finalise timings (they advised that the session was likely to start at 11:00 on Wednesday 14 March) and will let you know the outcome.

Thanks,

Hi [hepgorwyd adran 40(2)]

,

We've been advised that the Culture, Welsh Language and Communications Committee has agreed to report on / consider these regulations and that they intend to do so at their session on Wednesday 14 March.

At that meeting, the Committee has queried whether they could receive a private technical briefing on the regulations from officials. This is a decision for the Minister but I wanted to alert you to the request and that I'll shortly email Private office (I'll copy you both in) to confirm whether the Minister is content with the proposal (if you've any comments / advice re. accepting the request, let me know).

If agreed, the session will be held at approximately 11:00 (on 14 March). It would be preceded by two public witness sessions with stakeholders.

Thanks,

[hepgorwyd adran 40(2)]
