Hello Government Plenary Business

I understand that [hepgorwyd adran 40(2)] may have previously spoken with you to arrange a Plenary date of 6 February for these Regulations. You'll see from the email chain below that the original laying date of 15 January is no longer expected; laying will now take place after 18 January. We'll be in touch as soon as we can with an update on the expected timescales to request a new Plenary date.

Many thanks

We've just received a message from private office informing us that the FM will be meeting with both our Minister and the Cab Sec for Health on 18 January to discuss the (No.7) Regulations. Therefore we will not be able to meet the timetable below. We'll have a better idea of the timetable after that meeting - hopefully we will be able to move quite quickly if the Ministers agree with the proposals.

Thanks for your help - Nadolig Llawen
