Dear ,

Request for Information – ATISN 10500 / FS0626335

I write following a Decision Notice issued by the Information Commissioner on 27 April in response to your complaint regarding our handling of your request for information. You asked for details of the financial package given by the Welsh Government to Aston Martin to locate a factory in Wales.

I can advise that Aston Martin Lagonda Ltd. was offered £5.8m Repayable Business Finance. This offer was conditional on receiving a detailed development plan for the Welsh project, evidence of cost comparison with the US, full financial due diligence of the Welsh proposal and entering into a contract for lease for the Superhanger .

Yours sincerely
