30 July 2018

Dear ,

### Request for Information - ATISN 12475

I wrote to you on 12 July, regarding your request for information in relation to the resurfacing of the Cosmeston path in the Vale of Glamorgan with bitumen. You asked:

1. The total square meters of the surface that was tarmacked.
2. The justification for this work costing £250,000.
3. Whether the specification of the pathway is for heavy vehicles rather than just cyclists/people riding bicycles, tricycles etc and pedestrians.

I can confirm that for questions one and three, we do not hold this information; you will need to contact Vale of Glamorgan Council.

For question two, the Welsh Government allocated £250,000 to Vale of Glamorgan Council to 'upgrade the existing pedestrian/cycle route to AT standard'. This funding was allocated in December 2017 and was based on what the Vale of Glamorgan Council could deliver within the rest of the financial year.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit, Welsh Government, Cathays Park, Cardiff, CF10 3NQ
