Dear ,

### **ATISN 12540 – Request for Information**

Thank you for your request and further clarification which I received on 3 August 2018. You asked for confirmation of who was claiming Rural Payments on your land, how long they had been claiming and what amount of money had been claimed.

Records are no longer available prior to 2005, but I can confirm that the land identified in the plan submitted has been claimed for Single Payment Scheme (SPS) and Basic Payment Scheme (BPS) from 2005 to date.

I am unable to disclose the identity of the person who has registered the land as I consider this the personal information of a private person and I have been unable to obtain consent to release the information. Therefore I am withholding the information under Regulation 12 and 13 of the Environmental Information Regulations 2004 as it unduly interferes with the right of the beneficiary to respect for their private life in general and to the protection of their personal data in particular.

If you believe that no one had the right to claim on the land, I would be grateful if you will let me know so that we may investigate further.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
