Dear Mr Davies,

**Listed Building Consent application reference P2016/0144  
Cefn Coed Colliery Museum - Repair and Renovation of two Grade II Listed Headframe structures**

As Agent acting on behalf of the Applicant (Welsh Government) for the above referenced LBC application, we write to inform you that we intend to make an application to formally vary the completion timescales stipulated in Condition 4 of the Decision Notice dated 19/05/2016.

In line with our telephone conversation of the 4th Sept 2018, we will confirm the revised timescales as soon as possible: we intend to do this following procurement of the renovation contractor, and prior to the expiry of the current timescale for the reconstruction of Headframe 2 (9th December 2018).

Please do not hesitate to contact us if you wish to discuss this matter further.

Yours sincerely

Andrew Swan  
Structural Engineer
