Dear Lesley,

Hendy Windfarm Llandegly Powys

You will be all-too-aware of the reaction to your decision to grant permission for the development of the above wind farm, in so doing overturning the previous decisions of the LPA and a Planning Appeal Inspector. As you may also be aware I am on public record as having been firmly against the development of this wind farm and indeed wrote to the Planning Appeal Inspector to that effect. So, I am personally disappointed in your decision although of course fully accepting your right to take it.

I would be grateful if you could provide me with an explanation in detail of the reasons for your decision and why you considered those reasons were deemed sufficient to over-ride the legitimate reasons for refusal given by both the LPA and the Planning Inspectorate.

Best wishes,

Kirsty Williams
