Subject: Hendy Wind Farm

Dear Ms Griffiths,

I am writing to you to express my great disappointment at your decision to override the established process by overturning the decisions of the Council and Planning Inspectors in respect of this planning application, and by doing so, completely disregarding a significant number of local objectors to this wind farm's planning application. I am amazed that you have done this and, as a local who has previously voted Labour, I reluctantly want to say that I am increasingly disenchanted by what appear to be arrogant decisions by Assembly politicians who feel they 'know best' and can enforce their views on the electorate.

Mid Wales will be ruined for future generations by such decisions, and I speak as someone who is directly involved in the green energy industry as part of my job.

As a local resident, I am afraid to say that I am disgusted by this decision, and I hope that you are able to reconsider this. I am sorry to write in such blunt terms, and I don't mean to be rude, but this decision is inexcusable.

Yours,
