Subject: Henry Wind Farm

Dear Ms Griffiths

I am writing to ask you to reconsider your decision on the Hendy Wind Farm.

You have run roughshod over the people of Powys and we are not happy!

We have had information about a far sinister reason why you opposed the legal opposition and granted the company behind Hendy the go ahead.

This wind farm benefits London hedgefunders not the people of Powys and Wales.

There is an investigative journalist researching this sorry murky affair and hopefully the truth will out.

The MEP has also been told as this is contrary to EU rules too and also goes against the constitution of the Wales as Local Government has to adhere to EU legislation.

I know there is a vote tomorrow and I hope that you will do the right thing now for Powys and reverse your terrible ( and probably unlawful ) decision.
