Subject: Hendy Wind Farm

Dear Ms Griffiths

I was very concerned to hear about your decision to overturn the Inspector's clear decision on Hendy Wind Farm, which is near where I live in Llanwrthwl.

The implications of your action on democracy, Welsh politics, the reputation of the Welsh government and for the environment are profound, and I ask you with great sincerity to reconsider. This is a dangerous precedent, and makes planning decisions and expert advice an irrelevance.

This is the first time I have written to a politician about an issue, but I am disappointed and distressed by what has happened, and felt I must do what I can to influence the discussions favourably.

With best wishes
