Subject: Tomorrows Plenary Session - Hendy Wind farm

Dear Lesley,

Hendy's wind farm planning application was turned down by Powys County Council, and the planning inspectorate together with numerous objections from local Welsh people. However, I understand you want to over turn this conclusive decision.

Such a decision suggests that this whole process, and the subsequent procedures are meaningless, allowing democratic structures to be over ridden by an individual.

We have to trust and believe in a process, and this process has been followed and challenged by all who wanted to challenge it. But then a decision was made for valid reasons. We should respect it. Please do not overturn it.
