Dear Lesley

— In my capacity as the Assembly Member for Brecon and Radnorshire I met yesterday (Monday 26 November 2018) with Brecon and Radnor Action Group.

The Action Group raised with me their concerns in relation to Hendy Windfarm. They also provided me with information and a link to 459 documents concerning health effects from wind turbine noise: <https://www.wind-watch.org/documents/category/health/?titles=on>

I would appreciate if your officials could look at the enclosed documentation and website link, and if you would be good enough to respond to me in due course on your thoughts on the health impact of windfarms.

Yours sincerely

Kirsty Williams AM
