Dear Ms Griffiths,

May I take this opportunity to applaud your assurance during the public broadcast from the Senedd the week before last of, 'looking into claims regarding commencement of 'Unlawful Works' at the Hendy Wind Farm', Llandegley, Powys.

The Unlawful Works are as follows:-

1. Starting work **before conditions pertaining to the application, have been 'Discharged'**.
2. Work is occurring, **'Outside of the Red Line'**.

Many days have passed since your declaration?

But, still, the **'Unlawful Developments Continue'**.

How can this be?

Could you please expedite the investigation as a matter of urgency, and confirm, by return that you will be using your influence to ensure that Powys County Council enforce, immediately, and decisively against any unlawful development,

I await conformation that this matter has been robustly and satisfactorily dealt with.

Yours sincerely,
