Dear \_\_\_\_\_,

Request for Information reference ATISN 12865

Thank you for your request which I received on 26 December 2019. You asked for:

*The number of staff in CP1, CP2 and QED who speak Welsh.  
The language used first in routine and emergency announcements via the internal tannoy system.*

The information you requested is as follows:

*Numbers of staff who have declared Welsh Speaking Skills (Level 3 to 5) and are located in Cathays Park 1, Cathays Park 2 and Treforest – QED*

CP1	56
CP2	382
Treforest - QED	42

*Data as at 31 December 2018*

*Routine announcements made via the internal tannoy system are communicated bilingually - Welsh followed by English. Pre-recorded emergency announcements made via the internal tannoy system (e.g. requesting a defibrillator operator or First Aid assistance etc.) are communicated bilingually – English followed by Welsh owing to the nature of the announcement. For expediency ad hoc tannoy announcements for unforeseen emergency situations may be communicated in English only however such situations are very infrequent.*

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
