Made 21 March 2007

Coming into force 22 March 2007

EXPLANATORY NOTE

(This note is not part of the Order)

Section 96 of the Learning and Skills Act 2000 (“the Act”) applies to external qualifications provided by or on behalf of a school or institution or employer for pupils of compulsory school age or above such age but under the age of 19. Unless such qualifications have been approved under section 99 of the Act a course leading to such a qualification cannot be funded by an “authorised body” or provided by or on behalf of a maintained school.

Authorised bodies for these purposes are defined in section 100(2) of the Act. Presently they are the National Assembly for Wales and local education authorities.

Section 97 of the Act applies to a course of education or training provided by an institution or employer for persons aged 19 years and over which leads to an external qualification. Section 97 of the Act places a requirement on the National Assembly for Wales and local education authorities in Wales to ensure that public funding is only used to make payments for fees and charges in respect of external qualifications which are approved.

i. wholly outside school timetabled hours; and/or

ii. in primary schools.
