Thanks Kate

Hopefully we already have relevant lines.

On the same issue we are due to receive advice from counsel on Friday meaning we should be able to submit the MA next week. We are likely to need a meeting with the DM to discuss it.

Good afternoon,

For information Table Office have asked who is leading on Barry incinerator – this could mean an urgent question is coming through tomorrow or certainly an OAQ next week. Can you start preparing lines for the DM.

Many thanks,  
Kate

Hi Peter,

We've had a question tabled in relation to environmental impact assessments for the Barry incinerator. Could you confirm which Minister is responsible?

I think it's one for the Minister for Environment, Energy and Rural Affairs but wasn't sure if it was covered under 'local environment quality' which comes under Housing and Local Government.

Diolch,  
Owain
