Hi Hywel,

This is more on your side. I don't think a response is required.

Kate / Kath - please can we ensure the policy teams are sighted on this -  
I don't think it is a  
sponsorship issue.

Hi all

For information, as well as the questions being asked of the Minister by  
Andrew RT Davies, the  
local campaign group are ramping things up again on Barry biomass and  
their focus is  
increasingly on the Minister's decision on EIA.

Kate/Kath - any update on likely timescales for a decision/announcement  
on this?

Many thanks  
Catrin
