Subject: FW: Barry Incinerator - environmental assessment

Hi Kate - a brief update re below - Neil tells me that officials have set in train arrangements to procure an independent assessment of the company's environmental statement (this was expected early this month but has not yet been received).

Thanks

Subject: Barry Incinerator - environmental assessment

Hi Hywel - the FM and Deputy Minister discussed this recently and agreed that we need an

independent assessment of the environmental statement prepared by the
Company. Could you
advise please on how this could be done.

Many thanks
