Many thanks for this Lisa – I don't have any further requests for information at this time.

If you could upload the copy of planning consent as soon as you receive it that would be fine.

Kind Regards

Hi Welsh Government Official (1),

The proof of Match Funding has now been uploaded to WEFO Online, as well the 2015 Accounts ...(**Exempt under Section 43**). Do I need us to upload anything else, other than the outstanding planning permission.

Despite getting approval at the planning committee, we continue to await full consent, as the planning officer is still waiting to hear from Natural Resources Wales regarding the location of bat boxes.

We shall upload relevant documents to support this as soon as we receive them.

Thank you,
Lisa

We have copies of your planning application in support of your project, but not the full planning consent.

Could you please upload a copy onto WEFO online.

Many thanks.
