Email received by Care Inspectorate Wales from Fairytale Celebrations

Dear [REDACTED]

After my chat with you on the phone yesterday I'm just confirming that my Easter workshop with my company Fairytale Celebrations, is a musical theatre based workshop over three days in Freystrop village hall 11-3 for 4-10 year olds.

My business is not a childminding service it's an entertainment company for many different events.

I have been made aware that if I have anything like this again I can do a maximum of 6 days in different locations, but if it is over this period of time I may have to register with CIW. However it's obligatory I must call CIW to make them aware of what I'm doing.

Thankyou for your call yesterday

Many thanks
