¹ The subgroup studies Welsh, UK and international evidence, and gathers/requests further advice and guidance from the Welsh Government's Technical Advisory Group (TAG). TAG is the group of scientific and technical experts who provide advice and guidance to the Welsh Government in response to COVID-19.

TAC is the core team of public servants who: take active part in UK-wide COVID-19 scientific groups such as SAGE; chair and run TAG and its associated sub-groups; draft and issue advice to the Welsh public sector and communicating advice and evidence on COVID-19 to the wider public as needed.
