Summary

The Welsh Ministers have powers under sections 14-17 of the Education Act 2002 to provide financial assistance for the promotion of the recruitment or retention of teachers or non-teaching staff.

Iaith Athrawon Yfory Incentive Scheme 2020 (2020 WG20-06) (“the Scheme”) was made by the Welsh Ministers in the exercise of their powers in March 2020. A copy of the Scheme is attached at Annex A to this guidance. The Scheme makes provision for the Welsh Ministers to pay grants to secondary postgraduate ITE students, studying their accredited ITE programme through the medium of Welsh or training to teach Welsh as a subject.

The Iaith Athrawon Yfory Incentive Scheme supports the Cymraeg 2050 Welsh language strategy, the Welsh Government’s ambition to increase the number of Welsh teachers and the target of a million Welsh speakers by 2050.

This guidance is issued by the Welsh Government and is referred to in paragraph 3 of the Scheme at Annex A. It is designed to assist anyone administering the Scheme and those applying for grant funding under it.

This guidance applies to postgraduate students in Wales who commence an accredited secondary Postgraduate ITE programme, enabling them to teach through the medium of Welsh or Welsh as a subject, leading to Qualified Teacher Status (QTS) in the 2020/21 academic year.

This guidance outlines the funding available, eligibility criteria and how payments will be made under the Scheme. It does not cover every aspect; full information on eligibility and conditions are set out in the Scheme (Annex A), which should be read alongside this guidance for confirmation of grant availability.
