Good evening all,

Are you able to provide the details requested on Friday in relation to these proposals? We're still awaiting the answers and a question about this matter was raised with the Deputy Minister and Chief Whip in the Senedd this lunchtime. The Deputy Minister was forced to explain that we're still awaiting a response.

Thank you,

Good evening [Information Redacted]

We spoke on Friday morning about Home Office plans to utilise the Penally army training camp as an asylum reception centre for up to 454 asylum seekers. I raised quite a few questions and you undertook to come back to me with as much information as possible by the end of the day. However, I have not received a follow up email with the requested detail – could you please provide this on Monday?

Can you also outline what communication you have now had with Pembrokeshire County Council, MoD and Hywel Dda Health Board? When I spoke to Pembrokeshire Council officials on Friday afternoon they were unaware of the proposal

I am likely to need to convene a multi-agency planning meeting next week to ensure we can mitigate community tensions, do what we can to put in place services and build effective channels of communication. Before I do this, can you please let me know what your plans are for multi-agency planning?

Time is of the essence with this given the current context of far right protests. The proposal has already been mentioned in local press in Wales and well-known far right activists have been alerted on Twitter.

Thank you,
