Mae Llywodraeth Cymru wedi paratoi i sicrhau eich bod yn parhau i dderbyn eich meddyginiaeth ar ôl gadael yr UE.

Sut allwch chi helpu:

2. Parhau i gymryd eich meddyginiaeth fel y nodir yn eich presgripsiwn.

Os nad yw eich meddyginiaeth arferol ar gael, efallai y rhoddir un gwahanol i chi.

Siaradwch gyda'ch fferylllydd os oes gennych unrhyw bryderon.

Your medicines after leaving the EU

The Welsh Government has put plans in place to make sure you continue to receive the medicines you need after leaving the EU.

How you can help:

1. Continue ordering medicines as you normally do.
2. Keep taking your medicine in the way it was prescribed for you.

If your usual medicine isn't available an alternative one may be given to you.

If you have any concerns talk to your pharmacist.
