Dear

**ATISN 14644 OI/REQ/OFMCO/Close Contact Services**

**Information requested**

Thank you for your request which I received on 11 December 2020. You asked for:

Information for Wales, mirroring data released by Public Health England, showing places where Covid 19 is most likely to be transmitted and have also asked a) for specific information on hair and beauty salons and b) a figure for the reduction of the R number in Wales, based on Sage data reporting.

**Our response**

Following a search of our paper and electronic records, I have established that the information you require is not held by the Welsh Government. On the main point Public Health Wales have confirmed that they do not hold separate information on transmission. Neither does close contact services hold separate information on transmission in Hair & Beauty Salons or separate data to Sage on the R rate for this sector in Wales.

**Next steps**

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response.
