Dear

ATISN 14740 – Amount of Vaccines

Thank you for your request to the Welsh Government for information under the Freedom of Information Act (2000) received on 8 January. You asked for:

Please can you tell me how many doses of the Pfizer vaccine has Wales received as of 8th January 2021.

We are withholding information relating to the number of vaccine doses Wales has received under **Section 43(2)** which exempts information from release if its disclosure would, or would be likely to, prejudice the commercial interests of any person (including the public authority holding it). Please see **Annex 1** for further information.

Some data regarding the supplies of vaccines is now being published, this can be found on the link below: <https://gov.wales/covid-19-vaccination-programme-stock-and-distribution>

Additionally can you confirm if the Welsh Government are able to purchase their own supplies or if the UK government are in charge of procuring and allocating vaccines to Wales.

Our Response

The UK Government has procured vaccine supplies on behalf of the 4 UK Nations. It was agreed that Wales would be allocated its population share under the Barnett formula.
