10 March 2021

Dear

Thank you for your request which I received on 2 March 2021. You asked the following information:

The exact number of deaths from Covid19 alone from all across the Health boards in Wales (not deaths from other forms of illness or failures just Covid19 deaths from March 20th 2020 until March 1st 2021).

Welsh Government do not hold this information.

The Office for National Statistics (ONS) collect and produce mortality statistics for England and Wales based on information from the death registration process. As part of their [monthly](#) mortality statistics they publish information on the number of [pre-existing conditions](#) of people who died due to COVID-19 (i.e. where Covid-19 was identified as the underlying (main) cause on the death certificate). For further information on this data, please contact the ONS at health.data@ons.gov.uk.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit,
Welsh Government,
Cathays Park,
Cardiff,
CF10 3NQ

or Email: Freedom.ofinformation@gov.wales

Please remember to quote the ATISN reference number above.

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at: Information Commissioner's Office,
Wycliffe House,
Water Lane,
Wilmslow,
Cheshire,
SK9 5AF.

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Yours sincerely
